Westchester County Board of Legislators 800 Michaelian Office Building White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act (the "Bond Act") which, if adopted, would authorize the County of Westchester (the "County") to issue \$575,000 in bonds to finance the following capital project:

RB228 – Polly Park Road, CR 104, and Bowman Avenue, CR 104/104II, Harrison/Rye Brook/Port Chester ("RB228").

The Bond Act, in the amount of \$575,000, would finance the cost of design associated with the rehabilitation of approximately 2.5 miles of roadway from North Street to Westchester Avenue. Work will include milling; resurfacing; new curbing; guiderail replacement; new traffic signal loops; new pavement markings and related work.

The Department of Public Works and Transportation ("Department") has advised that this road, which has an average annual daily traffic count ("AADT") of 9,885, is in need of rehabilitation to provide a safe roadway for the traveling public. The associated pavement condition index ("PCI") in 2022 was 60 and the roadway has continued to deteriorate. The PCI rating is a pavement condition rating with a range of 0 to 100, with 0 signifying that the road requires reconstruction and 100 signifying that the road is new. Based on this rating this road requires corrective rehabilitation to extend the life of the roadway.

Upon receipt by the Department of bonding authorization, design shall be scheduled and is anticipated to take nine (9) months to complete and will be performed by in house staff. Construction is estimated to take nine (9) months and shall begin after award and execution of the construction contracts, subject to the further approval by your Honorable Board of construction funding.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Smecicly,

Kenneth W Jenkins

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act (the "Bond Act") in the amount of \$575,000, to finance capital project RB228 – Polly Park Road, CR 104, and Bowman Avenue, CR 104/104II, Harrison/Rye Brook/Port Chester ("RB228").

The Bond Act, which was prepared by the law firm of Bryant Rabbino, LLP, will finance the cost of design associated with the rehabilitation of approximately 2.5 miles of roadway from North Street to Westchester Avenue. Work will include milling; resurfacing; new curbing; guiderail replacement; new traffic signal loops; new pavement markings and related work.

The Department of Public Works and Transportation ("Department") has advised that this road, which has an average annual daily traffic count ("AADT") of 9,885, is in need of rehabilitation to provide a safe roadway for the traveling public. The associated pavement condition index ("PCI") in 2022 was 60 and the roadway has continued to deteriorate. The PCI rating is a pavement condition rating with a range of 0 to 100, with 0 signifying that the road requires reconstruction and 100 signifying that the road is new. Based on this rating this road requires corrective rehabilitation to extend the life of the roadway.

Your Committee is advised that upon receipt by the Department of bonding authorization, design shall be scheduled and is anticipated to take nine (9) months to complete and will be performed by in house staff. Construction is estimated to take nine (9) months and shall begin after award and execution of the construction contracts, subject to the further approval by your Honorable Board of construction funding.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
