

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of an act, which, if adopted, will amend the County's current-year capital budget ("Capital Budget Amendment"), as well as adoption of a related bond act ("Bond Act") in the amount of \$625,000 prepared by the law firm Harris Beach PLLC to finance capital project BIT50 - American Management Systems ("AMS")/Conseillers en Gestion et Informatique ("CGI") Applications and Linux Real Application Cluster ("RAC") Upgrade ("BIT50").

Your Committee is advised that the Capital Budget Amendment will amend the County's current-year capital budget to increase the County share for BIT50 by \$625,000. The Department of Information Technology ("Department") has advised your Committee that the current request will fund the cost of implementation services and related expenses to upgrade the County's Financial, Human Resources and Budget systems to the new version. In addition, the current request will also fund the purchase of data processing equipment and database software.

The Bond Act, in the amount of \$625,000, would finance the purchase of additional storage/servers and related equipment software and implementing services needed by the Department of Information and Technology ("Department") to upgrade the Finance, Human Resources and Budget Departments.

The Department has advised that AMS/ CGI, which is the vendor for the County's Financial, Human Resource and Budget systems, informed the County that it is instituting a major systems renovation and will no longer support existing systems. BIT50 will fund the cost of the implementation services and related expenses for CGI/AMS to upgrade the County's systems to the new version and the purchase of data processing equipment and database software.

The purchase and implementation of additional storage/servers and related software equipment by the Department to upgrade the storage/servers and related database software equipment of the Finance, Human Resources and Budget Departments should be completed no later than September of 2025.

It should be noted that your Honorable Board has authorized the County to issue bonds in connection with previous components of BIT50 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, BIT50 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

The Planning Department has advised your Committee that the Planning Board has previously reviewed BIT50 and issued a report, and that since there is no change in the scope of the work and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Bond Act, and recommends approval of both of the proposed Acts, noting that the Bond Act may only be enacted following adoption of the Capital Budget Amendment. It should also be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County's Capital Budget and to adopt the Bond Act.
