**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$5,000,000 to finance capital project RCC17 – County Center Facility Improvements (“RCC17”). The Bond Act, which was prepared by the law firm Hawkins, Delafield and Wood, will finance the cost of design, construction and construction management of interior building improvements at the County Center Building, consisting of improvements to the dressing/locker rooms, restroom facilities, interior sports and arena lighting fixtures and related work.

The Department of Parks, Recreation and Conservation (“Department”) has advised that the antiquated dressing/locker rooms need modernization and required lighting upgrades to attract and retain collegiate and professional sports teams including for the Westchester Knicks, as well as to attract professional entertainers, and the public restroom facilities require renovations.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by in-house staff and consultants. It is estimated that construction and installation of lighting will take four months to complete and will begin after award and execution of the contracts.

The Department of Planning has advised your Committee that based on its review, RCC17 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

**COMMITTEE ON**

ACT NO. -20\_\_\_\_\_

BOND ACT AUTHORIZING THE ISSUANCE OF \$5,000,000 BONDS OF THE COUNTY OF WESTCHESTER, OR SO MUCH THEREOF AS MAY BE NECESSARY, TO FINANCE THE COST OF THE DESIGN AND CONSTRUCTION OF INTERIOR BUILDING IMPROVEMENTS AT THE COUNTY CENTER BUILDING, STATING THE ESTIMATED MAXIMUM COST THEREOF IS \$5,000,000; STATING THE PLAN OF FINANCING SAID COST INCLUDES THE ISSUANCE OF \$5,000,000 BONDS HEREIN AUTHORIZED; AND PROVIDING FOR A TAX TO PAY THE PRINCIPAL OF AND INTEREST ON SAID BONDS (Adopted \_\_\_\_\_, 20\_\_\_\_)

BE IT ENACTED BY THE COUNTY BOARD OF LEGISLATORS OF THE COUNTY OF WESTCHESTER, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Board), AS FOLLOWS:

Section 1. Pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), the Westchester County Administrative Code, being Chapter 852 of the Laws of 1948, as amended, and to the provisions of other laws applicable thereto, \$5,000,000 bonds of the County, or so much thereof as may be necessary, are hereby authorized to be issued to finance the design, construction and construction management of interior building improvements at the County Center Building, consisting of improvements to the dressing/locker rooms, restroom facilities, interior sports and arena lighting fixtures and related work in connection therewith; all as set forth in the County's Current Year Capital Budget, as amended. To the extent that the details set forth in this act are inconsistent with any details set forth in the Current Year Capital Budget of the County, such

Budget shall be deemed and is hereby amended. The estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof is \$5,000,000. The plan of financing includes the issuance of \$5,000,000 bonds herein authorized, and any bond anticipation notes issued in anticipation of the sale of such bonds, and the levy of a tax to pay the principal of and interest on said bonds and notes.

Section 2. The period of probable usefulness of said specific object or purpose, within the limitations of Section 11.00 a. 12(a)(2) of the Law, is fifteen (15) years;

Section 3. Current funds are not required to be provided as a down payment pursuant to Section 107.00 d. 9. of the Law prior to issuance of the bonds authorized herein, or any bond anticipation notes issued in anticipation of the sale of such bonds. The County intends to finance, on an interim basis, the costs or a portion of the costs of said improvements for which bonds are herein authorized, which costs are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the County, pursuant to this Act, in the maximum amount of \$5,000,000. This Act is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The estimate of \$5,000,000 as the estimated maximum cost of the aforesaid specific object or purpose is hereby approved.

Section 5. Subject to the provisions of this Act and of the Law, and pursuant to the provisions of §30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of §§50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the County Board of Legislators relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein authorized, or the renewals thereof, relative to providing for substantially level or declining annual debt service, relative to prescribing the terms, form and

contents and as to the sale and issuance of the respective amounts of bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and relative to executing agreements for credit enhancement, are hereby delegated to the Commissioner of Finance of the County, as the chief fiscal officer of the County.

Section 6. Each of the bonds authorized by this Act and any bond anticipation notes issued in anticipation of the sale thereof shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the County of Westchester, payable as to both principal and interest by general tax upon all the taxable real property within the County. The faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and provision shall be made annually in the budgets of the County by appropriation for (a) the amortization and redemption of the notes and bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 7. The validity of the bonds authorized by this Act and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the County is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with,

and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This Act shall take effect in accordance with Section 107.71 of the Westchester County Charter.

**TRANSMITTAL MEMO**

To: The Honorable Members of the Board of Legislators

From: Hon. Kenneth W. Jenkins, Westchester County Executive

Date: May 18, 2026

Re: An Act, which adopted, would authorize the County of Westchester, acting by and through its Department of Emergency Services, to enter into a Regional Partnership Agreement with Dutchess County and Putnam County in order to receive funding from the New York State Division of Homeland Security and Emergency Services under the FY2023 Hazardous Materials Grant Program.

---

---

Transmitted herewith for your review and approval is an Act which, if adopted, would authorize the County of Westchester (the “County”), acting by and through its Department of Emergency Services (“Department”), to enter into a Regional Partnership Agreement (“RPA”) with Dutchess County and Putnam County (collectively “Regional Partners”) in order to receive funding from the New York State Division of Homeland Security and Emergency Services (“DHSES”) under the FY2023 Hazardous Materials (“HazMat”) Grant Program. As your Honorable Board is aware, Section 119-o of the New York State General Municipal Law requires your Honorable Board’s approval whenever the County enters into intermunicipal agreements (“IMAs”) with other municipalities which involve shared services or performing services one for the other.

DHSES is awarding One Hundred Twenty-Two Thousand, Five Hundred (\$122,500.00) Dollars to the County and its Regional Partners. A Resolution authorizing the County to enter into this grant agreement has been submitted to the Board of Acquisition and Contract. The HazMat grant funds will be used for HazMat training and exercise, and to purchase equipment and supplies for the County’s HazMat team. In addition, the RPA will promote the development of regional partnerships among the State HazMat community and enhance the standing of the State’s HazMat teams within the Federal Emergency Management Agency typing system.

Funding for this initiative is provided by the federal Department of Homeland Security’s State Homeland Security Program. The term of the RPA will commence upon execution and remain in effect for a period of five (5) years.

Pursuant to the HazMat Grant Program, DHSES will provide funding to the 18 designated Regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The State has designated the counties of Westchester, Putnam and Dutchess as a Regional Team for the Lower Hudson Valley Region. The County will receive the funds and administer the grant.

It should be noted that this grant opportunity builds on progress made by New York State through the FY2008-FY2022 iterations of the HazMat Grant Program.

For FY2023, the State will provide funds to all 18 regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The FY2023 HazMat Grant will serve as a resource for regional HazMat Teams to maintain the existing equipment on their WMD Trailer and/or to build new capabilities.

Approval of this legislation will enable the County to strengthen its CBRNE detection, response and decontamination capabilities. Accordingly, I urge passage of the annexed legislation.

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive recommending the approval of an Act which would authorize the County of Westchester (the “County”), acting by and through its Department of Emergency Services (“Department”), to enter into a Regional Partnership Agreement (“RPA”) with Dutchess County and Putnam County (collectively “Regional Partners”) in order to receive funding from the New York State Division of Homeland Security and Emergency Services (“DHSES”) under the FY2023 Hazardous Materials (“HazMat”) Grant Program. As this Honorable Board is aware, Section 119-o of the New York State General Municipal Law requires this Honorable Board’s approval whenever the County enters into intermunicipal agreements (“IMAs”) with other municipalities which involve shared services or performing services one for the other.

Your Committee is advised that DHSES is awarding One Hundred Twenty-Two Thousand, Five Hundred (\$122,500.00) Dollars to the County and its Regional Partners will be used for HazMat training, and to purchase equipment and supplies for the HazMat team. This program will build sustainable Chemical, Biological, Radiological, Nuclear, and Explosives (“CBRNE”) detection, response and decontamination capabilities in the region. In addition, the RPA will promote the development of regional partnerships among the State HazMat community and enhance the standing of the State’s HazMat teams within the Federal Emergency Management Agency typing system.

Your Committee is advised that funding for this initiative is provided by the federal Department of Homeland Security’s State Homeland Security Program. The RPA will commence upon execution and remain in effect for a period of five (5) years.

The Department has informed your Committee that pursuant to the HazMat Grant Program, DHSES will provide funding to the 18 designated Regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The State has designated the counties of Westchester, Putnam and Dutchess as a Regional Team for the Lower Hudson Valley Region. The County will receive the funds and administer the grant.

Your Committee is advised that this grant opportunity builds on progress made by New York State through the FY2008-FY2022 iterations of the HazMat Grant Program.

For FY2023, the State will provide funds to all 18 regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The FY2023 HazMat Grant will serve as a resource for regional HazMat Teams to maintain the existing equipment on their WMD Trailer and/or to build new capabilities.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed RPA may be classified as a “Type II” action pursuant the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (“SEQR”). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has been advised that a majority of the voting strength of the Board of Legislators is required to adopt the annexed Act. After review and careful consideration, your Committee recommends favorable action upon the proposed legislation.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR  
REGIONAL PARTNERSHIP AGREEMENT FOR  
HAZARDOUS MATERIALS GRANT FY2023**

---

**PROJECT/ACTION:** Entrance of the County, acting by and through its Department of Emergency Services, into a regional partnership agreement with the counties of Dutchess and Putnam in order to receive grant funding from the New York State Division of Homeland Security and Emergency Services under the FY2023 Hazardous Materials (HazMat) Grant Program. This funding will be used for HazMat training and exercises and to purchase equipment and supplies for the HazMat teams in order to maintain and/or build chemical, biological, radiological, nuclear and explosives detection, response and decontamination capabilities in the lower Hudson Valley region.

**With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no environmental review is required because the project/action may be classified as a TYPE II action pursuant to section(s):**

- **617.5(c)(26):** routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;
  - **617.5(c)(31):** purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials.
- 

**Comments:** The County has been partnering with the counties of Putnam and Dutchess for a number of years in order to participate in this grant program.

**Section 1.** The County of Westchester (“County”), acting by and through its Department of Emergency Services, is hereby authorized to enter into a Regional Partnership Agreement (“RPA”) with Dutchess County and Putnam County (collectively “Regional Partners”) in order to receive funding from the New York State Division of Homeland Security and Emergency Services (“DHSES”) under the FY2023 Hazardous Materials Grant Program. DHSES is awarding One Hundred Twenty-Two Thousand, Five Hundred (\$122,500.00) Dollars to the County and its Regional Partners will be used for HazMat training, and to purchase equipment and supplies for the County’s Hazardous Materials team.

**§2.** The RPA will commence upon execution and remain in effect for a period of five (5) years.

**§3.** The County Executive or his authorized designee be and hereby is authorized and empowered to execute any and all instruments and to take all action necessary and appropriate to effectuate the purposes hereof.

**§4.** This Act shall take effect immediately.

**Regional Partnership Agreement  
Between  
Westchester County, Putnam County and Dutchess County  
For the 2023 HazMat Grant Program**

Parties

The parties to the Regional Partnership Agreement (RPA) are the Counties of Westchester, Putnam and Dutchess.

Purpose

This RPA is intended to build regional WMD Hazardous Material Response and Decontamination Capabilities by:

- Setting forth the responsibilities of the HazMat Grant Program recipients: and
- Ensuring that HazMat Grant Program recipients work together to implement the projects, goals and objectives identified in their jointly-submitted HazMat Grant Program application under the NYS Division of Homeland Security and Emergency Services (DHSES) 2023 HazMat Grant Program Request for Application (RFA).

Definitions

The term **Submitting Partner** refers to the direct recipient of the FY2023 HazMat Grant Program award, who shall serve as fiduciary agent for the award. (See below for the specific responsibilities of the Submitting Partner.)

The term **Participating Partner** refers to the other entity or entities that joined with the submitting partner in applying for funding through the FY2023 HazMat Grant Program.

General Responsibilities of the Submitting Partner (SP)

The SP is to act as the principal point of contact with DHSES for application, management, and administration of the FY2023 HazMat Grant Program.

The SP is responsible for submitting all required fiscal reporting documents to DHSES and for maintaining all appropriate records pertaining to this grant program. Specific details related to fiscal reporting and records maintenance are outlined in DHSES's contract with the SP for the FY2023 HazMat Grant Program.

The SP is required to use the funds received through the FY2023 HazMat Grant Program in coordination with the Participating Partners, and in a manner that is consistent with their application.

General Responsibilities of the Participating Partner(s) (PP)

The PP(s) are responsible for coordinating with the SP to implement all projects funded under the FY2023 HazMat Grant Program.

Project-Specific Responsibilities

The responsibilities of the SP and each PP for each of the projects funded under the FY2023 HazMat Grant Program are outlined below:

**DRAFT**

Project

1. Equipment specifications and purchase
2. Equipment inventory survey.
3. Training and Exercise Support

Responsibilities of Submitting Partner

1. Draft specifications and purchase HazMat equipment (1) for Westchester County Department of Emergency Services HazMat Response Team, (2) Putnam County Emergency Services HazMat Team and (3) Dutchess County Emergency Response HazMat Division. Know all terms of equipment warranty and maintenance contract.
2. Westchester County Department of Emergency Services to take delivery of equipment, perform repair/maintenance as required under the warranty and maintenance contract and distribute to regional partners having obtained an equipment receipt from partners and established an equipment inventory process to be used by regional partners
3. Continue to train with regional partners; establish a training & exercise schedule; document meetings, training and exercises/drills.
4. The County of Westchester will maintain all right, title and interest to the HazMat equipment.

Responsibilities of each Participating Partner

1. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division to have input in equipment selection.
2. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division to take delivery of HazMat equipment and sign a receipt form to document that equipment was received and in good working order. Any malfunction or damage to the equipment will be reported to the Westchester County Department of Emergency Services HazMat Team leader immediately.
3. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division will assist in the design of training courses and exercises.
4. While Westchester County will properly maintain the field detection units, the individual counties will sustain the Chemical Protective Clothing (CPC) that will be distributed among the three teams.

Insurance and Indemnification

Each Participating Partner agrees to procure and maintain insurance naming the County of Westchester as additional insured, as provided and described in Schedule "A", entitled "Standard Insurance Provisions", which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "A", each Participating Partner agrees:

**DRAFT**

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County of Westchester, the Participating Partners shall indemnify and hold harmless the County of Westchester, its officers, elected officials, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the possession and/or use, performance or failure to perform hereunder by the Participating Partners or third parties under the direction or control of the Participating Partners; and

(b) to provide defense for and defend, at their sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

(c) In the event the Participating Partners do not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Participating Partners shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

**SCHEDULE "A "**

**STANDARD INSURANCE PROVISIONS**  
**(MUNICIPALITY)**

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Municipality to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Municipality from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Municipality concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality. Any available

**DRAFT**

insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

2 The Municipality shall provide proof of the following coverage (if additional coverage is required for a specific agreement, those requirements will be described in the Agreement):

- a) Workers' Compensation and Employer's Liability. Certificate form C-105.2 or State Fund Insurance Company form U-26.3 is required for proof of compliance with the New York State Workers' Compensation Law. State Workers' Compensation Board form DB-120.1 is required for proof of compliance with the New York State Disability Benefits Law. Location of operation shall be "All locations in Westchester County, New York."

Where an applicant claims to not be required to carry either a Workers' Compensation Policy or Disability Benefits Policy, or both, the employer must complete NYS form CE-200, available to download at: <http://www.wcb.ny.gov>.

If the employer is self-insured for Workers' Compensation, he/she should present a certificate from the New York State Worker's Compensation Board evidencing that fact (Either SI-12, Certificate of Workers' Compensation Self-Insurance, or GSI-105.2, Certificate of Participation in Workers' Compensation Group Self-Insurance).

- b) Commercial General Liability Insurance with a combined single limit of \$1,000,000 (c.s.1) per occurrence and a \$2,000,000 aggregate limit naming the "County of Westchester" as an additional insured on a primary and non-contributory basis. This insurance shall include the following coverages:
  - i. Premises - Operations.
  - ii. Broad Form Contractual.
  - iii. Independent Contractor and Sub-Contractor.
  - iv. Products and Completed Operations.
- c) Commercial Umbrella/Excess Insurance: \$2,000,000 each Occurrence and Aggregate naming the "County of Westchester" as additional insured, written on a "follow the form" basis.

NOTE: Additional insured status shall be provided by standard or other endorsement that extends coverage to the County of Westchester for both on-going and completed operations.

- d) Automobile Liability Insurance with a minimum limit of liability per occurrence of \$1,000,000 for bodily injury and a minimum limit of \$100,000 per occurrence for property damage or a combined single limit of \$1,000,000 unless otherwise indicated in the contract specifications. This insurance shall include for bodily injury and property damage the following coverages and name the "County of Westchester" as additional insured:

**DRAFT**

- (i) Owned automobiles.
- (ii) Hired automobiles.
- (iii) Non-owned automobiles.

3. All policies of the Municipality shall be endorsed to contain the following clauses:

(a) Insurers shall have no right to recovery or subrogation against the County (including its employees and other agents and agencies), it being the intention of the parties that the insurance policies so effected shall protect both parties and be primary coverage for any and all losses covered by the above-described insurance.

(b) The clause "other insurance provisions" in a policy in which the County is named as an insured, shall not apply to the County.

(c) The insurance companies issuing the policy or policies shall have no recourse against the County (including its agents and agencies as aforesaid) for payment of any premiums or for assessments under any form of policy.

(d) Any and all deductibles in the above described insurance policies shall be assumed by and be for the account of, and at the sole risk of, the Municipality.

Re: An Act authorizing the County of Westchester to enter into a Regional Partnership Agreement with Dutchess County and Putnam County in order to receive funding from the New York State Division of Homeland Security and Emergency Services under the FY2024 Hazardous Materials Grant Program.

---

---

Transmitted herewith for your review and approval is an Act which, if adopted, would authorize the County of Westchester (the “County”), acting by and through its Department of Emergency Services (“Department”), to enter into a Regional Partnership Agreement (“RPA”) with Dutchess County and Putnam County (collectively “Regional Partners”) in order to receive funding from the New York State Division of Homeland Security and Emergency Services (“DHSES”) under the FY2024 Hazardous Materials (“HazMat”) Grant Program. As your Honorable Board is aware, Section 119-o of the New York State General Municipal Law requires your Honorable Board’s approval whenever the County enters into intermunicipal agreements (“IMAs”) with other municipalities which involve shared services or performing services one for the other.

DHSES is awarding Forty-Four Thousand, Nine Hundred Eighty-One (\$44,981.00) Dollars to the County and its Regional Partners. A Resolution authorizing the County to enter into this grant agreement has been submitted to the Board of Acquisition and Contract. The HazMat grant funds will be used for HazMat training and exercises, and to purchase equipment and supplies for the County’s HazMat team. In addition, the RPA will promote the development of regional partnerships among the State HazMat community and enhance the standing of the State’s HazMat teams within the Federal Emergency Management Agency typing system.

Funding for this initiative is provided by the federal Department of Homeland Security’s State Homeland Security Program. The term of the RPA will commence upon execution and remain in effect for a period of five (5) years.

Pursuant to the HazMat Grant Program, DHSES will provide funding to the 18 designated Regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The State has designated the counties of Westchester, Putnam and Dutchess as a Regional Team for the Lower Hudson Valley Region. The County will receive the funds and administer the grant.

It should be noted that this grant opportunity builds on progress made by New York State through the FY2008-FY2023 iterations of the HazMat Grant Program.

For FY2024, the State will provide funds to all 18 regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The FY2024 HazMat Grant will serve as a resource for regional HazMat Teams to maintain the existing equipment on their WMD Trailer and/or to build new capabilities.

Approval of this legislation will enable the County to strengthen its CBRNE detection, response and decontamination capabilities. Accordingly, I urge passage of the annexed legislation.

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive recommending the approval of an Act which would authorize the County of Westchester (the “County”), acting by and through its Department of Emergency Services (“Department”), to enter into a Regional Partnership Agreement (“RPA”) with Dutchess County and Putnam County (collectively “Regional Partners”) in order to receive funding from the New York State Division of Homeland Security and Emergency Services (“DHSES”) under the FY2024 Hazardous Materials (“HazMat”) Grant Program. As this Honorable Board is aware, Section 119-o of the New York State General Municipal Law requires this Honorable Board’s approval whenever the County enters into intermunicipal agreements (“IMAs”) with other municipalities which involve shared services or performing services one for the other.

Your Committee is advised that DHSES is awarding Forty-Four Thousand, Nine Hundred Eighty-One (\$44,981.00) Dollars to the County and its Regional Partners will be used for HazMat training and exercises, and to purchase equipment and supplies for the HazMat team. This program will build sustainable Chemical, Biological, Radiological, Nuclear, and Explosives (“CBRNE”) detection, response and decontamination capabilities in the region. In addition, the RPA will promote the development of regional partnerships among the State HazMat community and enhance the standing of the State’s HazMat teams within the Federal Emergency Management Agency typing system.

Your Committee is advised that funding for this initiative is provided by the federal Department of Homeland Security’s State Homeland Security Program. The RPA will commence upon execution and remain in effect for a period of five (5) years.

The Department has informed your Committee that pursuant to the HazMat Grant Program, DHSES will provide funding to the 18 designated Regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The State has designated the counties of Westchester, Putnam and Dutchess as a Regional Team for the Lower Hudson Valley Region. The County will receive the funds and administer the grant.

Your Committee is advised that this grant opportunity builds on progress made by New York State through the FY2008-FY2023 iterations of the HazMat Grant Program.

For FY2024, the State will provide funds to all 18 regional HazMat Teams that provide coverage across the State outside of New York City via a non-competitive process. The FY2024 HazMat Grant will serve as a resource for regional HazMat Teams to maintain the existing equipment on their WMD Trailer and/or to build new capabilities.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed RPA may be classified as a “Type II” action pursuant the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (“SEQR”). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Your Committee has been advised that a majority of the voting strength of the Board of Legislators is required to adopt the annexed Act. After review and careful consideration, your Committee recommends favorable action upon the proposed legislation.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR  
REGIONAL PARTNERSHIP AGREEMENT FOR  
HAZARDOUS MATERIALS GRANT FY2024**

---

**PROJECT/ACTION:** Entrance of the County, acting by and through its Department of Emergency Services, into a regional partnership agreement with the counties of Dutchess and Putnam in order to receive grant funding from the New York State Division of Homeland Security and Emergency Services under the FY2024 Hazardous Materials (HazMat) Grant Program. This funding will be used for HazMat training and exercises and to purchase equipment and supplies for the HazMat teams in order to maintain and/or build chemical, biological, radiological, nuclear and explosives detection, response and decontamination capabilities in the lower Hudson Valley region.

**With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no environmental review is required because the project/action may be classified as a TYPE II action pursuant to section(s):**

- **617.5(c)(26):** routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment;
  - **617.5(c)(31):** purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials.
- 

**Comments:** The County has been partnering with the counties of Putnam and Dutchess for a number of years in order to participate in this grant program.

**Regional Partnership Agreement  
Between  
Westchester County, Putnam County and Dutchess County  
For the 2024 HazMat Grant Program**

Parties

The parties to the Regional Partnership Agreement (RPA) are the Counties of Westchester, Putnam and Dutchess.

Purpose

This RPA is intended to build regional WMD Hazardous Material Response and Decontamination Capabilities by:

- Setting forth the responsibilities of the HazMat Grant Program recipients: and
- Ensuring that HazMat Grant Program recipients work together to implement the projects, goals and objectives identified in their jointly-submitted HazMat Grant Program application under the NYS Division of Homeland Security and Emergency Services (DHSES) 2024 HazMat Grant Program Request for Application (RFA).

Definitions

The term **Submitting Partner** refers to the direct recipient of the FY2024 HazMat Grant Program award, who shall serve as fiduciary agent for the award. (See below for the specific responsibilities of the Submitting Partner.)

The term **Participating Partner** refers to the other entity or entities that joined with the submitting partner in applying for funding through the FY2024 HazMat Grant Program.

General Responsibilities of the Submitting Partner (SP)

The SP is to act as the principal point of contact with DHSES for application, management, and administration of the FY2024 HazMat Grant Program.

The SP is responsible for submitting all required fiscal reporting documents to DHSES and for maintaining all appropriate records pertaining to this grant program. Specific details related to fiscal reporting and records maintenance are outlined in DHSES's contract with the SP for the FY2024 HazMat Grant Program.

The SP is required to use the funds received through the FY2024 HazMat Grant Program in coordination with the Participating Partners, and in a manner that is consistent with their application.

General Responsibilities of the Participating Partner(s) (PP)

The PP(s) are responsible for coordinating with the SP to implement all projects funded under the FY2024 HazMat Grant Program.

Project-Specific Responsibilities

The responsibilities of the SP and each PP for each of the projects funded under the FY2024 HazMat Grant Program are outlined below:

**DRAFT**

Project

1. Equipment specifications and purchase
2. Equipment inventory survey.
3. Training and Exercise Support

Responsibilities of Submitting Partner

1. Draft specifications and purchase HazMat equipment (1) for Westchester County Department of Emergency Services HazMat Response Team, (2) Putnam County Emergency Services HazMat Team and (3) Dutchess County Emergency Response HazMat Division. Know all terms of equipment warranty and maintenance contract.
2. Westchester County Department of Emergency Services to take delivery of equipment, perform repair/maintenance as required under the warranty and maintenance contract and distribute to regional partners having obtained an equipment receipt from partners and established an equipment inventory process to be used by regional partners
3. Continue to train with regional partners; establish a training & exercise schedule; document meetings, training and exercises/drills.
4. The County of Westchester will maintain all right, title and interest to the HazMat equipment.

Responsibilities of each Participating Partner

1. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division to have input in equipment selection.
2. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division to take delivery of HazMat equipment and sign a receipt form to document that equipment was received and in good working order. Any malfunction or damage to the equipment will be reported to the Westchester County Department of Emergency Services HazMat Team leader immediately.
3. Putnam County Emergency Services HazMat Team and Dutchess County Emergency Response HazMat Division will assist in the design of training courses and exercises.
4. While Westchester County will properly maintain the field detection units, the individual counties will sustain the Chemical Protective Clothing (CPC) that will be distributed among the three teams.

Insurance and Indemnification

Each Participating Partner agrees to procure and maintain insurance naming the County of Westchester as additional insured, as provided and described in Schedule "A", entitled "Standard Insurance Provisions", which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "A", each Participating Partner agrees:

**DRAFT**

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County of Westchester, the Participating Partners shall indemnify and hold harmless the County of Westchester, its officers, elected officials, employees and agents from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the possession and/or use, performance or failure to perform hereunder by the Participating Partners or third parties under the direction or control of the Participating Partners; and

(b) to provide defense for and defend, at their sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto.

(c) In the event the Participating Partners do not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Participating Partners shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

HONORABLE BOARD OF LEGISLATORS THE  
COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending the adoption of an Act authorizing and directing the Commissioner of Finance of the County of Westchester to pay Mortgage Tax receipts to cities, towns and villages. The Mortgage Taxes to be distributed to the cities, town and villages for the period from October 1, 2025 through March 31, 2026 totals \$17,283,480.07 and will be apportioned as prescribed in the attached report of the County Clerk and the Commissioner of Finance in accordance with the requirements of Section 261(3) of the New York State Tax Law.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed action does not meet the definition of an action under the New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617(2)(b). Please refer to the memorandum from the Department of Planning dated January 9, 2026, which is on file with the Clerk of the Board of Legislators. Your Committee concurs with this recommendation.

Approval of this Act requires an affirmative vote by a majority of all members of the Board of Legislators. After due consideration, your Committee recommends the adoption of the attached Act.

Dated: \_\_\_\_\_ 2026 White  
Plains, New York

ACT NO. - 2026

An act to authorize the Commissioner of the Westchester County Department of Finance to pay Mortgage Tax Receipts to Cities, Towns and Villages

BE IT ENACTED by the Board of Legislators of the County of Westchester, as follows:

Section 1. The County of Westchester is hereby authorized and directed to pay, pursuant to Section 261(3) of the New York State Tax Law, as amended, from money on hand applicable for distribution to the Cities, Towns and Villages, an amount totaling \$17,283,480.07 in accordance with the attached report of the County Clerk and Commissioner of Finance representing the statement of mortgage taxes received and expenses incurred by the County Clerk for the period of October 1, 2025 through March 31, 2026.

§2. The Commissioner of Finance, or her duly authorized designee is hereby authorized and directed to pay the amount set forth in Section 1 of this Act to the Cities, Towns and Villages, as set forth in the attached report.

§3. This Act shall take effect immediately.

DISTRIBUTION STATEMENT

CREDIT STATEMENT

(Columns 1 through 5)

(Column 6)

The Taxes collected shown in column 2 were produced by mortgages covering real property in the respective tax districts. Additions and deductions to and from adjustments and correct errors are recorded in columns 3 and 4 respectively. Additions for these additions and deductions is given by the orders of the Tax Department issued on the basis of the plan.

The balance in the net amount due each tax district for 1988 is the total of 1987-1988 plus 1988-1989 minus 1988-1989.

**NOTE:**

Chapter 280 of the Laws of 1985 requires that counties wishing to use equalization rates calculated by the then Office of Real Property Services add certain "fixed-dollar" exemptions back to stated taxable value when apportioning the county tax levy. Individual municipalities will, however, continue to use the stated taxable value to set the tax rate.

TRANSMITTAL MEMO

TO: The Honorable Members of the Board of Legislators

FROM: Kenneth W. Jenkins, Westchester County Executive

DATE: May 13, 2026

RE: Legislation for the Complete Streets Municipal Assistance Program, which includes a Capital Budget Amendment, a Design Bond Act, a Construction Bond Act and two Acts authorizing the County of Westchester to enter into inter-municipal agreements with the participating municipalities under the program, for design work and construction work, respectively.

---

---

Transmitted herewith for your review is legislation, which, if adopted by your Honorable Board, will authorize the County of Westchester (the "County") to implement a Complete Streets Municipal Assistance Program (the "Program"), which will assist certain municipalities within Westchester County ("Municipalities") with the design, construction and installation improvements to their municipally-owned roads in order to make the roads more accessible to vulnerable users, such as pedestrians, bicyclists and wheelchair users, as follows:

(i) 2026 Capital Budget Amendment. An Act (the "Capital Budget Amendment") to amend the County's 2026 Capital Budget to add an appropriation for Capital Project BPL39, Complete Streets Fund, in the amount of One Million (\$1,000,000) Dollars, to increase the overall total appropriation for the Program to Sixteen Million (\$16,000,000) Dollars.

(ii) Bond Act. A proposed Bond Act (the "Design Bond Act") in the total aggregate amount of Four Million (\$4,000,000) Dollars to finance a component of Capital Project BPL39. The proposed Design Bond Act will finance the cost for the County to undertake the design of projects proposed by the eleven (11) Municipalities listed in the Design IMA Table below, as well as related County administrative costs and related costs and design costs during construction, if necessary. Please note that these Municipalities applied for both design and construction funding, but only design funding is being approved at this time (See, Program Overview below).

(iii) Bond Act. A proposed Bond Act (the "Construction Bond Act") in the amount of One Million, Three Hundred Nine-Five Thousand (\$1,395,000) Dollars to finance up to 50% of the cost of construction and construction management of the project entitled "Mount Kisco Streetscape Sidewalk Improvements Phase 3B" proposed by the Town of Mount Kisco and fund administrative costs related to the project. Please note that the Town of Mount Kisco has completed its own

design and, therefore, did not apply for design funding under the Design Bond Act (See, Program Overview below).

(iv) An Act. A proposed Act (the “Design IMA Act”) which will authorize the County, acting by and through the Department of Planning (“Department” or “Planning”) to enter into intermunicipal agreements (individually “Design IMA,” and collectively, “Design IMAs”) with the eleven (11) Municipalities listed in the Design IMA Table below for the County to undertake the design of their respective projects under the Program, as further described below.

(v) An Act. A proposed Act (the “Construction IMA Act”) which will authorize the County, acting by and through the Department, to enter into an intermunicipal agreement (the “Construction IMA”) with the Town of Mount Kisco who applied for construction funding only for its project entitled “Mount Kisco Streetscape Sidewalk Improvements Phase 3B,” as further described below.

**DESIGN IMA**

The Design IMA Act will authorize the County to enter into Design IMAs with the following eleven (11) Municipalities to undertake the design of their proposed projects located on municipally owned roads and real properties and for the not to exceed amounts listed below:

Pursuant to the Design IMA, the County will agree to undertake the following: (i) the engineering analysis, design, and preparation of the specifications and construction documents for the each project, and (ii) any additional design that may be needed during construction if necessary, subject to the parties entering to an amendment to the Design IMA or a new agreement for construction as described below (collectively, the “Design”).

The Design of the above projects could include the design of a number of infrastructure elements that enhance safety, accessibility, and mobility for all road users, including pedestrians, bicyclists, public transit riders, and motorists. The project elements vary by location and may include, but are not limited to, the following: new or improved sidewalks, crosswalk enhancements, bike lanes, signal upgrades, accessible curb ramps, and traffic-calming measures such as curb extensions and speed humps. The projects may also include streetscape and infrastructure enhancements such as street trees, landscaping, lighting, benches and drainage and flood mitigation measures.

The County will undertake the Design of each project for the not exceed amount listed in each IMA as set forth in the Design IMA Table above, subject to the Planning Commissioner, in her sole discretion, having the right to amend the scope of work, budget and not to exceed amount for each project, *provided, however*, the aggregate amount payable under all of the Design IMAs and all administrative and other related costs as well as design costs during construction, if necessary, shall not exceed Four Million (\$4,000,000) Dollars. Each Municipality shall be responsible for all design costs in relation to its project that exceed the not-to-exceed amount for its project under each Design IMA.

The term of the Design IMA shall commence upon execution of the IMA by both parties and shall be equal to the life of any bonds issued at any time by the County to fund the Design of the project.

Pursuant to the Design IMA, each Municipality will grant a non-exclusive easement to the County in the municipally owned roads and real properties on which the project will be constructed and installed in order to facilitate the issuance of County bonds to finance the capital project's design costs, and such easement shall encumber the property for so long as the bonds of the County are outstanding.

Please note that the eleven (11) Municipalities listed in the Design IMA Table above applied for both Design funding and Construction funding, subject to receiving all necessary legal approvals. Upon completion of the design phase, the parties will either enter into an amendment to the Design IMA or a new agreement for the construction of the project under the Program, subject to receiving all necessary legal approvals, including, but not limited to, bonding authorization to fund construction and construction management costs related to the projects.

In the event the parties enter into such an amendment or new agreement for the construction of the project, the parties shall also enter into an amendment to the easement or a new easement for a term equal to or greater than the life of any such bonds issued by the County to fund a portion of the construction and construction management of each project, as further described below.

### **CONSTRUCTION IMA**

The Construction IMA Act will authorize the County to enter into Construction Only IMA with Town of Mount Kisco in order for the County to reimburse up to 50% of the construction and construction management costs incurred by the Town of Mount Kisco to undertake the construction of the project entitled "Mount Kisco Streetscape Sidewalk Improvements Phase 3B" located on its municipally owned roads and real properties and fund administrative costs related

to the project, for the not to exceed amount of \$1,395,000. The Mount Kisco Streetscape Sidewalk Improvements Phase 3B project provides pedestrian safety and streetscape improvements along the South Moger Avenue corridor. The project includes reconstructing sidewalks along South Moger Avenue, as well as upgrading crossings to meet accessibility standards and improving lighting along the corridor. The project also provides various streetscape improvements, such as brick pavers, ornamental lighting, benches, and landscaping, and adds a planted median along the corridor to provide traffic calming and serve as a pedestrian crossing island.

In the Construction IMA, the County will agree to reimburse the Town of Mount Kisco for up to 50% of the construction and construction administration costs properly incurred in connection with the construction of the project, as set forth in the approved budget proposed by the Town of Mount Kisco, pursuant to the terms of the Construction IMA, after submission of invoices and supporting documentation requested by the County and approval of same by the Planning Commissioner. In addition, the County shall have the right to audit the documentation submitted in support of the costs and projects.

Pursuant to the Construction IMA, the County's obligation to finance a portion of the construction and construction management costs of the project shall not exceed the not-to-exceed amount set forth in the Construction IMA. The Town of Mount Kisco shall be responsible for all construction and construction management costs in relation to the project that exceed the not-to-exceed amount set forth in the Construction IMA.

The Town of Mount Kisco shall be responsible for the operation, maintenance, scheduling, security and repair of the projects and real properties at its expense.

The term of the Construction IMA shall commence upon execution by both parties and shall be equal to the life of any bonds issued at any time by the County to fund the construction of the project.

Also, in the Construction IMA, the Town of Mount Kisco will grant a non-exclusive easement to the County in the municipally-owned roads and real properties in order to facilitate the issuance of County bonds to finance the construction and construction management of the project, and such easement shall encumber the municipal property for so long as the bonds of the County are outstanding.

## **THE COMPLETE STREETS MUNICIPAL ASSISTANCE PROGRAM OVERVIEW**

In 2013, following the enactment of New York State's Complete Streets Act in 2011, which mandated Complete Streets design principles in all state, county and local transportation projects funded with federal and state funding, the County, acting by and through its Board of Legislators ("Board of Legislators"), pursuant to Act No. 2013-170, enacted a Complete Streets Policy requiring the County, when constructing and renovating any County roadway, to consider the feasibility of including features that promote its use by and enhance the safety of pedestrians, bicyclists, users of public transportation, school bus riders, motorists, movers of commercial goods, persons with disabilities, senior citizens, and emergency service providers.

The County has continuously supported Complete Streets principles by hosting workshops such as the Walkable Community and Safe Routes to School workshops. Despite these and other efforts, Complete Streets infrastructure across Westchester County remains inconsistent and in many cases, non-existent.

Therefore, in furtherance of the County's Complete Streets Policy and in accordance with the New York Highway Law, the County, acting by and through the Department, established the Program in order to assist municipalities within Westchester County implement their own Complete Streets municipal projects on municipally owned roads and or municipally owned real property.

The purpose of the Program is to enable safe use and support mobility for all users of streets and roads, including people of all ages and abilities, regardless of whether they are travelling as drivers, pedestrians, bicyclists, or using public transportation, with a focus on vulnerable users, such as pedestrians, bicyclists and wheelchair users.

The Department solicited applications from Westchester municipalities to participate in the Program. Municipalities could apply for funding for up to 50% of the total municipal project cost and submit one application for both Design and Construction/Construction Management funding ("Design and Construction") or Construction only funding ("Construction Only"). For the projects requiring Design and Construction, the Program will be divided into two (2) phases, to wit, "Phase I" for Design-Engineering costs ("Design" or "Phase I") and "Phase II" for Construction-Construction Management costs ("Construction" or "Phase II").

Presently, the Department is recommending twelve (12) projects comprised of eleven (11) Design and Construction projects and one (1) Construction Only project, as described above.

With respect to the eleven (11) Design and Construction projects, the County, in Phase I, will undertake the design work for the projects using outside planning and engineering consulting firm(s) selected by the County.

The County, in the future, with respect to Phase II, subject to the parties entering into an amendment to the Design IMA or a new agreement for construction and subject to the parties receiving all necessary legal approvals, will fund construction and construction management costs of each project, up to an amount which will be the difference between the amount that is 50% of the total municipal project cost, as set forth in the approved budget submitted by each Municipality, less the amount incurred by the County for design costs, for a total County contribution for Phase I and Phase II combined equal to 50% of the total municipal project costs.

With respect to the Construction Only project from the Town of Mount Kisco, the Town of Mount Kisco already completed the design and engineering work for its project, including construction documents. Therefore, the County will pay up to 50% of the total construction and construction management costs set forth in the approved budget provided by Town of Mount Kisco, subject to the terms set forth in the Construction IMA.

Through the proposed legislation, the County will expand Complete Street initiatives to municipally owned roads, thus contributing to greater travel options, better mobility, accessibility

and greater safety for all users of roads within Westchester County, with a focus on vulnerable users.

The Department has advised that Section 167.131 of the Laws of Westchester County, mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project(s) be accompanied by a report(s) of the Westchester County Planning Board (the "Planning Board") to the Board of Legislators with respect to the physical planning aspects of the project(s). A copy of each of the reports is attached hereto.

In addition, in accordance with Section 191.41 of the Laws of Westchester, the Planning Commissioner will provide a report, which will follow separately for your Honorable Board's consideration.

Based on the importance of this Program to the County, favorable action on the proposed Acts is most respectfully requested.

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following legislation for the County of Westchester (the “County”) to implement a Complete Streets Municipal Assistance Program (the “Program”), which will assist certain municipalities within Westchester County (“Municipalities”) with the design, construction and installation improvements to their municipally-owned roads in order to make the roads more accessible to vulnerable users, such as pedestrians, bicyclists and wheelchair users, as follows:

(i) 2026 Capital Budget Amendment. An Act (the “Capital Budget Amendment”) to amend the County’s 2026 Capital Budget to add an appropriation for Capital Project BPL39, Complete Streets Fund, in the amount of One Million (\$1,000,000) Dollars, to increase the overall total appropriation for the Program to Sixteen Million (\$16,000,000) Dollars.

(ii) Bond Act. A proposed Bond Act (the “Design Bond Act”), prepared by the law firm of Hawkins Delafield & Wood, LLP, in the total aggregate amount of Four Million (\$4,000,000) Dollars to finance a component of Capital Project BPL39. The proposed Design Bond Act will finance the cost for the County to undertake the design of projects proposed by the eleven (11) Municipalities listed in the Design IMA Table below, as well as related County administrative costs and related costs and design costs during construction, if necessary. Please note that these Municipalities applied for both design and construction funding, but only design funding is being approved at this time (See, Program Overview below).

(iii) Bond Act. A proposed Bond Act (the “Construction Bond Act”), prepared by the law firm of Hawkins Delafield & Wood, LLP, in the amount of One Million, Three Hundred Nine-Five Thousand (\$1,395,000) Dollars to finance up to 50% of the cost of construction and construction management of the project entitled “Mount Kisco Streetscape Sidewalk

Improvements Phase 3B” proposed by the Town of Mount Kisco and fund administrative costs related to the project. Please note that the Town of Mount Kisco has completed its own design and, therefore, did not apply for design funding under the Design Bond Act (See, Program Overview below).

(iv) An Act. A proposed Act (the “Design IMA Act”) which will authorize the County, acting by and through the Department of Planning (“Department” or “Planning”) to enter into intermunicipal agreements (individually “Design IMA,” and collectively, “Design IMAs”) with the eleven (11) Municipalities listed in the Design IMA Table below for the County to undertake the design of their respective projects under the Program, as further described below.

(v) An Act. proposed Act (the “Construction IMA Act”) which will authorize the County, acting by and through the Department, to enter into an intermunicipal agreement (the “Construction IMA”) with the Town of Mount Kisco who applied for construction funding only for its project entitled “Mount Kisco Streetscape Sidewalk Improvements Phase 3B,” as further described below.

**DESIGN IMA**

Your Committee is advised that the Design IMA Act will authorize the County to enter into Design IMAs with the following eleven (11) Municipalities to undertake the design of their proposed projects located on municipally owned roads and real properties and for the not to exceed amounts listed below:

**DESIGN IMA TABLE**

Your Committee is advised that, pursuant to the Design IMA, the County will agree to undertake the following: (i) the engineering analysis, design, and preparation of the specifications and construction documents for the each project, and (ii) any additional design that may be needed during construction if necessary, subject to the parties entering to an amendment to the Design IMA or a new agreement for construction as described below (collectively, the “Design”).

Your Committee is further advised that the Design of the above projects could include the design of a number of infrastructure elements that enhance safety, accessibility, and mobility for all road users, including pedestrians, bicyclists, public transit riders, and motorists. The project elements vary by location and may include, but are not limited to, the following: new or improved sidewalks, crosswalk enhancements, bike lanes, signal upgrades, accessible curb ramps, and traffic-calming measures such as curb extensions and speed humps. The projects may also include streetscape and infrastructure enhancements such as street trees, landscaping, lighting, benches and drainage and flood mitigation measures.

Your Committee is also advised that the County will undertake the Design of each project for the not exceed amount listed in each IMA as set forth in the Design IMA Table above, subject to the Planning Commissioner, in her sole discretion, having the right to amend the scope of work, budget and not to exceed amount for each project, *provided, however*, the aggregate amount payable under all of the Design IMAs and all administrative and other related costs as well as design costs during construction, if necessary, shall not exceed Four Million (\$4,000,000) Dollars. Each Municipality shall be responsible for all design costs in relation to its project that exceed the not-to-exceed amount for its project under each Design IMA.

Your Committee is further advised that the term of the Design IMA shall commence upon execution of the IMA by both parties and shall be equal to the life of any bonds issued at any time by the County to fund the Design of the project.

Your Committee is also advised that, pursuant to the Design IMA, each Municipality will grant a non-exclusive easement to the County in the municipally owned roads and real properties on which the project will be constructed and installed in order to facilitate the issuance of County bonds to finance the capital project's design costs, and such easement shall encumber the property for so long as the bonds of the County are outstanding.

Your Committee is also advised that the eleven (11) Municipalities listed in the Design IMA Table above applied for both Design funding and Construction funding, subject to receiving all necessary legal approvals. Upon completion of the design phase, the parties will either enter into an amendment to the Design IMA or a new agreement for the construction of the project under the Program, subject to receiving all necessary legal approvals, including, but not limited to, bonding authorization to fund construction and construction management costs related to the projects.

In the event the parties enter into such an amendment or new agreement for the construction of the project, the parties shall also enter into an amendment to the easement or a new easement for a term equal to or greater than the life of any such bonds issued by the County to fund a portion of the construction and construction management of each project, as further described below.

### **CONSTRUCTION IMA**

Your Committee is advised that the Construction IMA Act will authorize the County to enter into Construction Only IMA with Town of Mount Kisco in order for the County to reimburse up to 50% of the construction and construction management costs incurred by the Town of Mount Kisco to undertake the construction of the project entitled "Mount Kisco Streetscape Sidewalk Improvements Phase 3B" located on its municipally owned roads and real properties and fund administrative costs related to the project, for the not to exceed amount of \$1,395,000. The Mount

Kisco Streetscape Sidewalk Improvements Phase 3B project provides pedestrian safety and streetscape improvements along the South Moger Avenue corridor. The project includes reconstructing sidewalks along South Moger Avenue, as well as upgrading crossings to meet accessibility standards and improving lighting along the corridor. The project also provides various streetscape improvements, such as brick pavers, ornamental lighting, benches, and landscaping, and adds a planted median along the corridor to provide traffic calming and serve as a pedestrian crossing island.

Your Committee is also advised that, pursuant to the Construction IMA, the County will agree to reimburse the Town of Mount Kisco for up to 50% of the construction and construction administration costs properly incurred in connection with the construction of the project, as set forth in the approved budget proposed by the Town of Mount Kisco, pursuant to the terms of the Construction IMA, after submission of invoices and supporting documentation requested by the County and approval of same by the Planning Commissioner. In addition, the County shall have the right to audit the documentation submitted in support of the costs and projects.

Your Committee is advised that, pursuant to the Construction IMA, the County's obligation to finance a portion of the construction and construction management costs of the project shall not exceed the not-to-exceed amount set forth in the Construction IMA. The Town of Mount Kisco shall be responsible for all construction and construction management costs in relation to the project that exceed the not-to-exceed amount set forth in the Construction IMA. The Town of Mount Kisco shall be responsible for the operation, maintenance, scheduling, security and repair of the projects and real properties at its expense.

Your Committee is advised further that, term of the Construction IMA shall commence upon execution by both parties and shall be equal to the life of any bonds issued at any time by the County to fund the construction of the project.

Your Committee is advised that, pursuant to the Construction IMA, the Town of Mount Kisco will grant a non-exclusive easement to the County in the municipally-owned roads and real properties in order to facilitate the issuance of County bonds to finance the construction and

construction management of the project, and such easement shall encumber the municipal property for so long as the bonds of the County are outstanding.

**THE COMPLETE STREETS MUNICIPAL ASSISTANCE PROGRAM OVERVIEW**

Your Committee is advised that in 2013, following the enactment of New York State’s Complete Streets Act in 2011, which mandated Complete Streets design principles in all state, county and local transportation projects funded with federal and state funding, the County, acting by and through its Board of Legislators (“Board of Legislators”), pursuant to Act No. 2013-170, enacted a Complete Streets Policy requiring the County, when constructing and renovating any County roadway, to consider the feasibility of including features that promote its use by and enhance the safety of pedestrians, bicyclists, users of public transportation, school bus riders, motorists, movers of commercial goods, persons with disabilities, senior citizens, and emergency service providers.

The County has continuously supported Complete Streets principles by hosting workshops such as the Walkable Community and Safe Routes to School workshops. Despite these and other efforts, Complete Streets infrastructure across Westchester County remains inconsistent and in many cases, non-existent.

Therefore, in furtherance of the County’s Complete Streets Policy and in accordance with the New York Highway Law, the County, acting by and through the Department, established the Program in order to assist municipalities within Westchester County implement their own Complete Streets municipal projects on municipally owned roads and or municipally owned real property.

Your Committee is advised that the purpose of the Program is to enable safe use and support mobility for all users of streets and roads, including people of all ages and abilities, regardless of whether they are travelling as drivers, pedestrians, bicyclists, or using public transportation, with a focus on vulnerable users, such as pedestrians, bicyclists and wheelchair users.

Your Committee is also advised Department solicited applications from Westchester municipalities to participate in the Program. Municipalities could apply for funding for up to 50% of the total municipal project cost and submit one application for both Design and Construction/Construction Management funding (“Design and Construction”) or Construction only funding (“Construction Only”). For the projects requiring Design and Construction, the Program will be divided into two (2) phases, to wit, “Phase I” for Design-Engineering costs (“Design” or “Phase I”) and “Phase II” for Construction-Construction Management costs (“Construction” or “Phase II”).

Presently, the Department is recommending twelve (12) projects comprised of eleven (11) Design and Construction projects and one (1) Construction Only project, as described above.

The County is advised further that, with respect to the eleven (11) Design and Construction projects, the County, in Phase I, will undertake the design work for the projects using outside planning and engineering consulting firm(s) selected by the County. The County, in the future, with respect to Phase II, subject to the parties entering into an amendment to the Design IMA or a new agreement for construction and subject to the parties receiving all necessary legal approvals, will fund construction and construction management costs of each project, up to an amount which will be the difference between the amount that is 50% of the total municipal project cost, as set forth in the approved budget submitted by each Municipality, less the amount incurred by the County for design costs, for a total County contribution for Phase I and Phase II combined equal to 50% of the total municipal project costs.

With respect to the Construction Only project from the Town of Mount Kisco, the Town of Mount Kisco already completed the design and engineering work for its project, including construction documents. Therefore, the County will pay up to 50% of the total construction and construction management costs set forth in the approved budget provided by Town of Mount Kisco, subject to the terms set forth in the Construction IMA.

Through the proposed legislation, the County will expand Complete Street initiatives to municipally owned roads, thus contributing to greater travel options, better mobility, accessibility

and greater safety for all users of roads within Westchester County, with a focus on vulnerable users.

The Department has advised that Section 167.131 of the Laws of Westchester County, mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project(s) be accompanied by a report(s) of the Westchester County Planning Board (the "Planning Board") to the Board of Legislators with respect to the physical planning aspects of the project(s). A copy of each of the reports is attached hereto.

In addition, in accordance with Section 191.41 of the Laws of Westchester, the Planning Commissioner will provide a report, which will follow separately for your Honorable Board's consideration.

Finally, as your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review Act, and its implementing regulations promulgated thereunder, 6 NYCRR Part 617 ("SEQR"), have been met.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed Design Bond Act and Design IMA may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

Furthermore Department of Planning has advised your Committee that based on its review, the authorization of the proposed Construction Bond Act and Construction IMA may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

An affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Capital Budget Amendment, the Design Bond Act and the Construction Bond Act and an affirmative vote of the majority of your Honorable Board is required for the Design IMA Act and the Construction IMA Act. The Design Bond Act and the Construction Bond Act should be adopted prior to the Design IMA Act and the Construction IMA Act, respectively.

Your Committee believes that the Program is in the best interests of the County, and, therefore, recommends the favorable action of your Board on the annexed proposed legislation.

# Westchester County Planning Board Report

## BPL39 Complete Streets Fund

FIVE YEAR CAPITAL PROGRAM (in thousands)

	Total	Appropriated	2022	2023	2024	2025	2026	Under Review
<b>Gross Less non-County Shares</b>	16,000	15,000	15,000					1,000
<b>Net</b>	16,000	15,000	15,000					1,000

### Project Description:

The Complete Streets Fund would be a 50/50 matching fund, where municipalities can apply for support from the County for projects that will help make their streets more multi-use, including bike lanes, pedestrian crossing and ADA compliance for disabled access. Projects would need to be vetted by the County for feasibility before funding would take place, and inter-municipal agreements might be required. The Board of Legislators added \$15,000,000 for the creation of this fund for 2022.

**This 2026 Capital Budget Amendment to the BPL39 Complete Streets Fund is to add \$1,000,000 to the Fund.**

### APPROPRIATION HISTORY:

2022: \$15,000,000 BOL add for design, construction, construction management and construction inspection.

### JUSTIFICATION:

This project will help improve the health, safety and welfare of County residents and encourage alternate means of transportation thus minimizing the County's carbon footprint. Acknowledging that bicycling, walking and the use of public transportation are becoming become common alternatives to the use of motorized vehicles here in the county, the Westchester County Board of Legislators (BOL) adopted its Complete Streets Act in 2013, making it a County policy to consider "multi-use" features when constructing or renovating County roadways.

A Complete Street is a roadway planned and designed to consider the safe, convenient access and mobility of all roadway users of all ages and abilities. This includes pedestrians, bicyclists, public transportation riders, and motorists. Some design features include sidewalks, lane striping, bicycle lanes, paved shoulders suitable for use by bicyclists, signage, crosswalks, pedestrian control signals, bus pull-outs, curb cuts, raised crosswalks, ramps and traffic calming measures.

### CONSISTENCY WITH PROGRAMS OR PLANS:

The project is consistent with *Westchester 2025*, the County Planning Board's long range planning policy document, as it will maintain and improve health and safety for existing county infrastructure

### Planning Board Recommendations

The Planning Board recommends this 2026 Capital Budget Amendment to add \$1,000,000 to the Complete Streets Fund per resolution number 26-08 signed on the following date: 3/3/2026. The Planning Board designates this project as **PL2**.

### Comments

The Planning Board supports the improvements to improve local streets. Planning Department staff will review the plans and assess the merit of the proposed design to address physical and environmental planning concerns including the siting and construction of complete street improvements and associated infrastructure.

**PROJECT/ACTION:** Per Capital Project Fact Sheet as approved by the Planning Department on 04/09/2026 (Unique ID: 3198)

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no environmental review is required for the proposed action, because the project or component of the project for which funding is requested may be classified as a **TYPE II action** pursuant to section(s):

- **617.5(c)(27):** conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action.
- 

**COMMENTS:** The current request is for design only. However, funds for construction management will not be expended unless funding for construction is approved, which will be subject to further environmental review as may be required by SEQR.

SUBJECT: Complete Streets Program Funding: Mount Kisco Streetscape Sidewalk  
Improvements Phase 3B

Pursuant to Section 191.41 of the County Charter, the Commissioner of Planning has reviewed the proposed funding for the Complete Streets program as it pertains to “Mount Kisco Streetscape Sidewalk Improvements Phase 3B.” The project will occur within the Municipally owned right of way in the following locations in the Town of Mount Kisco: South Moger Avenue between Kirby Plaza and Green Street, Briton Ln between Stewart Pl and South Moger Ave.

The County is providing funding for the Complete Streets program to support the safe use of roads by all road and this funding will support those goals. To wit, “Mount Kisco Streetscape Sidewalk Improvement Phase 3B” will include construction of pedestrian safety and streetscape improvements including; enhanced pedestrian crossing, reconstructed sidewalks, and a planted traffic calming median.

The County Planning Board, pursuant to Section 167.131 of the County Charter, at their regular monthly meeting of March 3, 2026, amended its report on the 2026 Capital Requests to designate this property as a location to receive Complete Streets funding from capital project **BPL39: Complete Streets Fund**.

Based on this record, I recommend the funding of “Mount Kisco Streetscape Sidewalk Improvements Phase 3B.”

ACT NO. -20\_\_

BOND ACT AUTHORIZING THE ISSUANCE OF \$4,000,000 BONDS OF THE COUNTY OF WESTCHESTER, OR SO MUCH THEREOF AS MAY BE NECESSARY, TO FINANCE THE COST OF PREPARATION OF PRELIMINARY AND DETAILED PLANS, SPECIFICATIONS AND ESTIMATES NECESSARY FOR PLANNING VARIOUS STREETSCAPE IMPROVEMENTS TO VARIOUS MUNICIPAL ROADS UNDER THE COMPLETE STREETS PROGRAM; STATING THE ESTIMATED MAXIMUM COST THEREOF IS \$4,000,000; STATING THE PLAN OF FINANCING SAID COST INCLUDES THE ISSUANCE OF \$4,000,000 BONDS HEREIN AUTHORIZED; AND PROVIDING FOR A TAX TO PAY THE PRINCIPAL OF AND INTEREST ON SAID BONDS (Adopted , 20\_\_)

BE IT ENACTED BY THE COUNTY BOARD OF LEGISLATORS OF THE COUNTY OF WESTCHESTER, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Board), AS FOLLOWS:

Section 1. Pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), the Westchester County Administrative Code, being Chapter 852 of the Laws of 1948, as amended, to the provisions of other laws applicable thereto, \$4,000,000 bonds of the County, or so much thereof as may be necessary, are hereby authorized to be issued to finance the cost of preparation of preliminary and detailed plans, specifications and estimates necessary for planning various streetscape improvements to various municipal roads under the Complete Streets Program in order to increase travel options and support the safe use of roads by all users with a focus on vulnerable users,

including pedestrians, bicyclists, and wheelchair users, including County administrative costs, all as set forth in the County's Current Year Capital Budget, as amended, pursuant to an inter-municipal agreement between the County and the municipalities involved in the Complete Streets project. To the extent that the details set forth in this act are inconsistent with any details set forth in the Current Year Capital Budget of the County, such Budget shall be deemed and is hereby amended. The estimated maximum cost of said specific object of purpose, including preliminary costs and costs incidental thereto and the financing thereof is \$4,000,000. The plan of financing includes the issuance of \$4,000,000 bonds herein authorized, and any bond anticipation notes issued in anticipation of the sale of such bonds, and the levy of a tax to pay the principal of and interest on said bonds.

Section 2. The period of probable usefulness of said specific object or purpose, within the limitations of Section 11.00 a. 62 of the Law, is five (5) years.

Section 3. Current funds are not required to be provided as a down payment pursuant to Section 107.00 d. 9. of the Law prior to issuance of the bonds authorized herein, or any bond anticipation notes issued in anticipation of the sale of such bonds. The County intends to finance, on an interim basis, the costs or a portion of the costs of said improvements for which bonds are herein authorized, which costs are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the County, pursuant to this Act, in the maximum amount of \$4,000,000. This Act is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The estimate of \$4,000,000 as the estimated total cost of the aforesaid specific object or purpose is hereby approved.

Section 5. Subject to the provisions of this Act and of the Law, and pursuant to the provisions of §30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of §§50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the County Board of Legislators relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein authorized, or the renewals thereof, relative to providing for substantially level or declining annual debt service, relative to prescribing the terms, form and contents and as to the sale and issuance of the respective amounts of bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and relative to executing agreements for credit enhancement, are hereby delegated to the Commissioner of Finance of the County, as the chief fiscal officer of the County.

Section 6. Each of the bonds authorized by this Act and any bond anticipation notes issued in anticipation of the sale thereof shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the County of Westchester, payable as to both principal and interest by general tax upon all the taxable real property within the County. The faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and provision shall be made annually in the budgets of the County by appropriation for (a) the amortization and redemption of the notes and bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 7. The validity of the bonds authorized by this Act and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the County is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with,  
and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This Act shall take effect in accordance with Section 107.71 of the Westchester County Charter.

§2. In the IMA, the County shall prepare engineering analysis, design, specifications, and construction documents for the Projects, and any additional design that may be needed during construction

if necessary, (collectively, the “Design”), up to a not to exceed amount listed in the table above. The Projects’ elements vary by location and may include, but shall not be limited to, new or improved sidewalks, crosswalk enhancements, bike lanes, signal upgrades, accessible curb ramps, and traffic-calming measures such as curb extensions and speed humps. The Projects may also include streetscape and infrastructure enhancements such as street trees, landscaping, lighting, benches, and drainage and flood mitigation measures.

§3. The Commissioner of the Department of Planning or her duly authorized designee (the “Planning Commissioner”) may, in her sole discretion, approve modifications to any scope of work, budget or not-to-exceed amount for the IMAs listed above, *provided, however*, the aggregate amount payable under the IMAs with the Municipalities listed in the table above for Phase 1 of the Program and administrative and other related costs and design costs needed during construction, if necessary, does not exceed Four Million (\$4,000,000) Dollars.

§4. The County shall not be liable for any costs and expenses in excess of the not to exceed amounts in the IMAs as set forth in Section 1, as may be modified by the Planning Commissioner in Section 3 above, and, in the event the costs for the design of any Project exceed the not to exceed amount under the IMAs, the Municipalities shall be solely liable to pay said excess.

§5. The term of each IMA shall commence upon execution and terminate when the bonds issued for the design of the Projects have been paid in full.

§6. The IMA will include a provision granting the County a non-exclusive easement in the respective municipally owned roads and real properties on which the projects listed in the table above will be located for the term of the IMA, and the County is authorized to accept such easement interest.

§7. Nothing in the IMA shall transfer any responsibility, maintenance, obligation, ownership, or duty for any roadway, property or portion of the Project to the County, nor shall any portion of the Project, the municipally owned roads and real properties become or form a part of the County roadway system. All roadway(s) and/or other portions of the Project and Properties are and will remain a part of each

Municipality’s roadway system or jurisdiction with all responsibility, maintenance obligations, ownership and duties continuing to be the full responsibility of the Municipality in all respects.

§8. Upon the completion of the design phase, the parties may enter into an amendment to the Design IMA, or a new agreement for construction of each Project under the Program, subject to receiving all necessary legal approvals, including, but not limited to, bonding authorization to fund construction and construction management costs related to the projects and performing the necessary environmental review under the State Environmental Quality Review Act, and an amendment to the easement or a new easement for a term equal to or greater than the life of any such bonds issued by the County to fund a portion of the construction and construction management costs and administrative costs of each such project.

§9. The County Executive or his duly authorized designee is hereby authorized and empowered to execute all instruments and to take all action necessary and appropriate to effectuate the purposes hereof.

§10. This Act shall take effect immediately.

**ACT NO. \_\_\_ - 2026**

**AN ACT** authorizing the County of Westchester to enter into an intermunicipal agreement with the Town of Mount Kisco for the Town to construct and install its complete streets project entitled “Mount Kisco Streetscape Sidewalk Improvements Phase 3B” on its municipally owned roads and real properties with the County reimbursing up to 50% of the costs incurred by the Town of Mount Kisco for construction and construction management related to the project for a term commencing on execution and terminating when the bonds issued for the construction of the project has been paid in full.

**BE IT ENACTED** by the County Board of the County of Westchester as follows:

**Section 1.** The County of Westchester (the “County”) is hereby authorized to enter into an intermunicipal agreement (the “IMA”) with the Town of Mount Kisco (the “Town of Mount Kisco”) for the Town of Mount Kisco to undertake and complete its complete street project entitled “Mount Kisco Streetscape Sidewalk Improvements Phase 3B” (the “Project”) to be located on South Moger Avenue (Town Road) between Kirby Plaza and Green Street and Briton Lane (Town Road), between Stewart Place and South Moger Avenue (collectively, the “Property”).

**§2.** The Project shall provide pedestrian safety and streetscape improvements along the South Moger Avenue corridor, including the reconstruction of sidewalks along South Moger Avenue, as well as upgrading crossings to meet accessibility standards and improving lighting along the corridor. The Project shall also include various streetscape improvements, such as brick pavers, ornamental lighting, benches, and landscaping, and adds a planted median along the corridor to provide traffic calming and serve as a pedestrian crossing island.

**§3.** The County shall reimburse up to 50% of the construction and construction management costs incurred by the Town of Mount Kisco and fund administrative costs related to the Project, in an amount

not to exceed One Million, Three Hundred Fifty-Five Thousand, Two Hundred Seventy-Five (\$1,355,275.00) dollars (the “Construction Fund Amount”).

**§4.** Upon the request of the Town of Mount Kisco, the Department of Planning Commissioner or her duly authorized designee (the “Planning Commissioner”) may in her sole discretion revise scope of work and/or the budget for the Project provided the Planning Commissioner shall have no authority to: (1) exceed the Construction Fund Amount without obtaining approval of the County Board of Legislators, or (2) make revisions to scope of work that require a further environmental review under State Environmental Quality Review Act without the environmental review being performed and approved by the County Board of Legislators.

**§5.** The County’s obligation to finance a portion of the construction and construction management costs of the Project and administrative costs shall not exceed Construction Fund Amount. The County shall not be liable for any costs and expenses in excess of the Construction Fund Amount, and in the event the costs for the Project exceeds the Construction Fund Amount, the Town of Mount Kisco shall be solely liable to pay said excess.

**§6.** The term of the IMA shall commence upon execution and terminate when the bonds issued for the construction of the projects have been paid in full.

**§7.** The Town of Mount Kisco shall be responsible for the design, construction, operation, maintenance, security, repair, and proper supervision of the Project and its municipally owned roads and real properties, at its own cost and expense.

**§8.** Nothing in the IMA shall transfer any responsibility, maintenance, obligation, ownership or duty for any roadway, property, or portion of the Project or its municipally owned roads and real properties to the County, nor shall all or a portion of the Project or the Town of Mount Kisco municipally owned roads and real properties become or form a part of the County roadway system. All roadway(s) and/or other portions of the Project and Property are and will remain a part of the Town of Mount Kisco roadway system or jurisdiction with all responsibility, maintenance obligations, ownership, and duties continuing to be the full responsibility of the Town of Mount Kisco in all respects.

**§9.** The Town of Mount Kisco shall submit design plans, specifications, and construction documents for the project to the Planning Commissioner for written approval. The Planning Commissioner shall consult with the County's Department of Public Works and Transportation Commissioner or his duly authorized designee ("DPWT Commissioner"), in accordance with applicable law, and following consultation approve the design plans, specifications, and construction documents for the Project or provide comments to the Town of Mount Kisco, which shall be incorporated into the Town of Mount Kisco documents. Any amendments to the design plans, specifications, and/or construction documents, any additions, developments, improvements, or alterations to the Project, or any advertising and signage utilized by the Town of Mount Kisco in connection with the Project shall be subject to the prior written approval of the Planning Commissioner following consultation with the DPWT Commissioner in accordance with applicable law.

**§10.** The Project shall be accessible and open to all Westchester County residents.

**§11.** The IMA will include a provision granting the County an easement interest in the respective municipally owned roads and real properties listed in Section 1 above and the Project for the term of the IMA for the purpose of permitting the County to use and occupy the Property and Project for the purpose of funding construction of the Project. The County is authorized to accept such easement interest.

**§12.** The County Executive or his duly authorized designee is hereby authorized and empowered to execute all instruments and to take all action necessary and appropriate to effectuate the purposes hereof.

**§13.** This Local Law shall take effect immediately.

To: Westchester County Board of Legislators

From: John M. Nonna  
County Attorney

Re: An Act authorizing the County of Westchester to participate in the national opioid settlement against Associated Pharmacies, Inc. (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc., Morris and Dickson Co., North Carolina Mutual Wholesale Drug Company, Inc., and United Natural Foods, Inc. including subsidiaries SuperValu and Advantage Logistics)

---

Attached for your review is proposed legislation that, if enacted, would authorize the County of Westchester (“County”) to participate in the national opioid settlement against Associated Pharmacies, Inc. (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc., Morris and Dickson Co., North Carolina Mutual Wholesale Drug Company, Inc., and United Natural Foods, Inc. including subsidiaries SuperValu and Advantage Logistics) (“Remnant Defendants”).

**The Instant Proceeding**

On February 6, 2018, the County commenced an action against opioid manufacturers, distributors and dispensers in the Supreme Court of the State of New York, County of Westchester (the “Action”). The Complaint asserted several causes of action, such as deceptive marketing, false advertising, public nuisance, misrepresentation, fraud, negligence, and unjust enrichment and conspiracy, alleging that each of the Defendants contributed to the opioid epidemic that Westchester County has been battling and will continue to battle for the foreseeable future. The causes of action against the various Defendants are based on claims that they contributed to the opioid epidemic by violating state and federal statutes related to the

manufacturing, distribution and sale of opioids, all of which contributed to a public health crisis. Since the litigation's inception in 2018, many of the County's claims against the Defendants have been resolved through settlement.

### **Terms of the Proposed Settlement**

A national opioid settlement has been reached with six regional distributors/dispenser defendants ("Remnant Defendants Settlement"): Associated Pharmacies, Inc. (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc., Morris and Dickson Co., North Carolina Mutual Wholesale Drug Company, Inc., and United Natural Foods, Inc. including subsidiaries SuperValu and Advantage Logistics). One settlement agreement covers the combined settlement with the Remnant Defendants.

None of the Remnant Defendants is a named defendant in the Action. If the County participates in the Remnant Defendants Settlement, it will receive a one-time settlement payment. The allocation to the County will be calculated based on a formula used in previous opioid settlements and will be dependent upon the number of entities who participate in the settlement. It is estimated that the County will receive a one-time payment of approximately \$100,000 if it participates in the settlement. As in previous settlements, all attorneys fees and costs will be paid out of a separate fund. The settlement funds must be used for the Core Strategies and Approved Uses set forth in Exhibit D of the Remnant Defendant Settlement Agreement, attached hereto as Exhibit "1".

### **Recommendation of Westchester County Attorney's Office**

Litigation concerning the opioid epidemic has been pending for over seven years. Westchester County has suffered tremendous losses and continues to suffer the effects of the epidemic and will for the foreseeable future. The funds it will receive in this settlement will help offset some of those costs and can be used for future abatement purposes. The County Attorney recommends accepting this settlement, as opposed to assuming the risks and burdens of litigating against these Defendants individually.

I respectfully request authority from this Board pursuant to Section 158.11 of the Westchester County Charter to settle the above-referenced matter. I therefore recommend passage of the accompanying Act.

BOARD OF LEGISLATORS  
COUNTY OF WESTCHESTER

Your Committee is in receipt of a proposed Act which, if enacted by your Board, would authorize the County of Westchester (“County”) to participate in the national opioid settlement against Associated Pharmacies, Inc. (and American Associated Pharmacies); J M Smith Corporation; Louisiana Wholesale Drug Company, Inc.; Morris and Dickson Co.; North Carolina Mutual Wholesale Drug Company, Inc.; and United Natural Foods, Inc. (including its subsidiaries SuperValu and Advantage Logistics) (“Remnant Defendants”).

On February 6, 2018, the County of Westchester commenced an action against opioid manufacturers, distributors and dispensers in the Supreme Court of the State of New York, County of Westchester. The Complaint asserted several causes of action, such as deceptive marketing, false advertising, public nuisance, misrepresentation, fraud, negligence, and unjust enrichment and conspiracy, alleging that each of the Defendants contributed to the opioid epidemic that Westchester County has been battling and will continue to battle for the foreseeable future. The causes of action against the various Defendants are based on claims that they contributed to the opioid epidemic by violating state and federal statutes related to the manufacturing, distribution and sale of opioids, all of which contributed to a public health crisis. Since the litigation’s inception in 2018, many of the County’s claims against the Defendants have been resolved through settlement.

None of the six Remnant Defendants is a named defendant in the Action. If the County participates in the Remnant Defendants Settlement, it will receive a one-time settlement payment. The allocation to the County will be calculated based upon a formula previously used in opioid settlements and will be dependent upon the number of participating entities. It is

estimated that the County will receive a one-time payment of approximately \$100,000 if it participates in the settlement. As in previous settlements, all attorneys fees and costs will be paid out of a separate fund. The settlement funds must be used for the Core Strategies and Approved Uses set forth in Exhibit D of the Remnant Defendants Settlement Agreement, attached hereto as Exhibit "1".

Your Committee has carefully considered the matter and recommends approval of the annexed Act. The Act, which would authorize the County to enter into the proposed settlement to effectuate the resolution of the lawsuit, is in the best interests of the County.

Your Committee therefore recommends this Honorable Board approve the annexed Act authorizing the County to enter into the proposed settlement of the above-referenced lawsuit. An affirmative vote by a majority of the Board is required to pass this Act.

## **EXHIBIT D**

### **List of Opioid Remediation Uses**

#### **Schedule A**

#### **Core Strategies**

Participating Subdivisions shall choose from among the abatement strategies listed in Schedule B. However, priority shall be given to the following core abatement strategies (“*Core Strategies*”).

- A. **NALOXONE OR OTHER FDA-APPROVED DRUG TO REVERSE OPIOID OVERDOSES**
  - 1. Expand<sup>3</sup> training for first responders, schools, community support groups and families; and
  - 2. Increase distribution to individuals who are uninsured or whose insurance does not cover the needed service.
  
- B. **MEDICATION-ASSISTED TREATMENT (“MAT”) DISTRIBUTION AND OTHER OPIOID-RELATED TREATMENT**
  - 1. Increase distribution of MAT to individuals who are uninsured or whose insurance does not cover the needed service;
  - 2. Provide education to school-based and youth-focused programs that discourage or prevent misuse;
  - 3. Provide MAT education and awareness training to healthcare providers, EMTs, law enforcement, and other first responders; and
  - 4. Provide treatment and recovery support services such as residential and inpatient treatment, intensive outpatient treatment, outpatient therapy or counseling, and recovery housing that allow or integrate medication and with other support services.
  
- C. **PREGNANT & POSTPARTUM WOMEN**

---

<sup>3</sup> As used in this Exhibit D, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

1. Expand Screening, Brief Intervention, and Referral to Treatment (“SBIRT”) services to non-Medicaid eligible or uninsured pregnant women;
  2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for women with co- occurring Opioid Use Disorder (“OUD”) and other Substance Use Disorder (“SUD”)/Mental Health disorders for uninsured individuals for up to 12 months postpartum; and
  3. Provide comprehensive wrap-around services to individuals with OUD, including housing, transportation, job placement/training, and childcare.
- D. EXPANDING TREATMENT FOR NEONATAL ABSTINENCE SYNDROME (“NAS”)
1. Expand comprehensive evidence-based and recovery support for NAS babies;
  2. Expand services for better continuum of care with infant- need dyad; and
  3. Expand long-term treatment and services for medical monitoring of NAS babies and their families.
- E. EXPANSION OF WARM HAND-OFF PROGRAMS AND RECOVERY SERVICES
1. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments;
  2. Expand warm hand-off services to transition to recovery services;
  3. Broaden scope of recovery services to include co-occurring SUD or mental health conditions;
  4. Provide comprehensive wrap-around services to individuals in recovery, including housing, transportation, job placement/training, and childcare; and
  5. Hire additional social workers or other behavioral health workers to facilitate expansions above.
- F. TREATMENT FOR INCARCERATED POPULATION

1. Provide evidence-based treatment and recovery support, including MAT for persons with OUD and co-occurring SUD/MH disorders within and transitioning out of the criminal justice system; and
2. Increase funding for jails to provide treatment to inmates with OUD.

**G. PREVENTION PROGRAMS**

1. Funding for media campaigns to prevent opioid use (similar to the FDA’s “Real Cost” campaign to prevent youth from misusing tobacco);
2. Funding for evidence-based prevention programs in schools;
3. Funding for medical provider education and outreach regarding best prescribing practices for opioids consistent with the 2016 CDC guidelines, including providers at hospitals (academic detailing);
4. Funding for community drug disposal programs; and
5. Funding and training for first responders to participate in pre- arrest diversion programs, post-overdose response teams, or similar strategies that connect at-risk individuals to behavioral health services and supports.

**H. EXPANDING SYRINGE SERVICE PROGRAMS**

1. Provide comprehensive syringe services programs with more wrap-around services, including linkage to OUD treatment, access to sterile syringes and linkage to care and treatment of infectious diseases.

**I. EVIDENCE-BASED DATA COLLECTION AND RESEARCH ANALYZING THE EFFECTIVENESS OF THE ABATEMENT STRATEGIES WITHIN THE STATE**

**Schedule B**

**Approved Uses**

Support treatment of Opioid Use Disorder (OUD) and any co-occurring Substance Use Disorder or Mental Health (SUD/MH) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

<b>PART ONE: TREATMENT</b>
----------------------------

**A. TREAT OPIOID USE DISORDER (OUD)**

Support treatment of Opioid Use Disorder (“OUD”) and any co-occurring Substance Use Disorder or Mental Health (“SUD/MH”) conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:<sup>4</sup>

1. Expand availability of treatment for OUD and any co-occurring SUD/MH conditions, including all forms of Medication-Assisted Treatment (“MAT”) approved by the U.S. Food and Drug Administration.
2. Support and reimburse evidence-based services that adhere to the American Society of Addiction Medicine (“ASAM”) continuum of care for OUD and any co-occurring SUD/MH conditions.
3. Expand telehealth to increase access to treatment for OUD and any co-occurring SUD/MH conditions, including MAT, as well as counseling, psychiatric support, and other treatment and recovery support services.
4. Improve oversight of Opioid Treatment Programs (“OTPs”) to assure evidence-based or evidence-informed practices such as adequate methadone dosing and low threshold approaches to treatment.
5. Support mobile intervention, treatment, and recovery services, offered by qualified professionals and service providers, such as peer recovery coaches, for persons with OUD and any co-occurring SUD/MH conditions and for persons who have experienced an opioid overdose.
6. Provide treatment of trauma for individuals with OUD (e.g., violence, sexual assault, human trafficking, or adverse childhood experiences) and family members (e.g., surviving family members after an overdose or overdose fatality), and training of health care personnel to identify and address such trauma.
7. Support evidence-based withdrawal management services for people with OUD and any co-occurring mental health conditions.
8. Provide training on MAT for health care providers, first responders, students, or other supporting professionals, such as peer recovery coaches or recovery outreach specialists, including telementoring to assist community-based providers in rural or underserved areas.

---

<sup>4</sup> As used in this Schedule B, words like “expand,” “fund,” “provide” or the like shall not indicate a preference for new or existing programs.

9. Support workforce development for addiction professionals who work with persons with OUD and any co-occurring SUD/MH conditions.
10. Offer fellowships for addiction medicine specialists for direct patient care, instructors, and clinical research for treatments.
11. Offer scholarships and supports for behavioral health practitioners or workers involved in addressing OUD and any co-occurring SUD/MH or mental health conditions, including, but not limited to, training, scholarships, fellowships, loan repayment programs, or other incentives for providers to work in rural or underserved areas.
12. Provide funding and training for clinicians to obtain a waiver under the federal Drug Addiction Treatment Act of 2000 (“DATA 2000”) to prescribe MAT for OUD, and provide technical assistance and professional support to clinicians who have obtained a DATA 2000 waiver.
13. Disseminate web-based training curricula, such as the American Academy of Addiction Psychiatry’s Provider Clinical Support Service-Opioids web-based training curriculum and motivational interviewing.
14. Develop and disseminate new curricula, such as the American Academy of Addiction Psychiatry’s Provider Clinical Support Service for Medication-Assisted Treatment.

**B. SUPPORT PEOPLE IN TREATMENT AND RECOVERY**

Support people in recovery from OUD and any co-occurring SUD/MH conditions through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the programs or strategies that:

1. Provide comprehensive wrap-around services to individuals with OUD and any co-occurring SUD/MH conditions, including housing, transportation, education, job placement, job training, or childcare.
2. Provide the full continuum of care of treatment and recovery services for OUD and any co-occurring SUD/MH conditions, including supportive housing, peer support services and counseling, community navigators, case management, and connections to community-based services.
3. Provide counseling, peer-support, recovery case management and residential treatment with access to medications for those who need it to persons with OUD and any co-occurring SUD/MH conditions.

4. Provide access to housing for people with OUD and any co-occurring SUD/MH conditions, including supportive housing, recovery housing, housing assistance programs, training for housing providers, or recovery housing programs that allow or integrate FDA-approved medication with other support services.
5. Provide community support services, including social and legal services, to assist in deinstitutionalizing persons with OUD and any co-occurring SUD/MH conditions.
6. Support or expand peer-recovery centers, which may include support groups, social events, computer access, or other services for persons with OUD and any co-occurring SUD/MH conditions.
7. Provide or support transportation to treatment or recovery programs or services for persons with OUD and any co-occurring SUD/MH conditions.
8. Provide employment training or educational services for persons in treatment for or recovery from OUD and any co-occurring SUD/MH conditions.
9. Identify successful recovery programs such as physician, pilot, and college recovery programs, and provide support and technical assistance to increase the number and capacity of high-quality programs to help those in recovery.
10. Engage non-profits, faith-based communities, and community coalitions to support people in treatment and recovery and to support family members in their efforts to support the person with OUD in the family.
11. Provide training and development of procedures for government staff to appropriately interact and provide social and other services to individuals with or in recovery from OUD, including reducing stigma.
12. Support stigma reduction efforts regarding treatment and support for persons with OUD, including reducing the stigma on effective treatment.
13. Create or support culturally appropriate services and programs for persons with OUD and any co-occurring SUD/MH conditions, including new Americans.
14. Create and/or support recovery high schools.
15. Hire or train behavioral health workers to provide or expand any of the services or supports listed above.

C. CONNECT PEOPLE WHO NEED HELP TO THE HELP THEY NEED  
(CONNECTIONS TO CARE)

Provide connections to care for people who have—or are at risk of developing—  
OUD and any co-occurring SUD/MH conditions through evidence-based or  
evidence-informed programs or strategies that may include, but are not limited to,  
those that:

1. Ensure that health care providers are screening for OUD and other risk factors and know how to appropriately counsel and treat (or refer if necessary) a patient for OUD treatment.
2. Fund SBIRT programs to reduce the transition from use to disorders, including SBIRT services to pregnant women who are uninsured or not eligible for Medicaid.
3. Provide training and long-term implementation of SBIRT in key systems (health, schools, colleges, criminal justice, and probation), with a focus on youth and young adults when transition from misuse to opioid disorder is common.
4. Purchase automated versions of SBIRT and support ongoing costs of the technology.
5. Expand services such as navigators and on-call teams to begin MAT in hospital emergency departments.
6. Provide training for emergency room personnel treating opioid overdose patients on post-discharge planning, including community referrals for MAT, recovery case management or support services.
7. Support hospital programs that transition persons with OUD and any co-occurring SUD/MH conditions, or persons who have experienced an opioid overdose, into clinically appropriate follow-up care through a bridge clinic or similar approach.
8. Support crisis stabilization centers that serve as an alternative to hospital emergency departments for persons with OUD and any co-occurring SUD/MH conditions or persons that have experienced an opioid overdose.
9. Support the work of Emergency Medical Systems, including peer support specialists, to connect individuals to treatment or other appropriate services following an opioid overdose or other opioid-related adverse event.

10. Provide funding for peer support specialists or recovery coaches in emergency departments, detox facilities, recovery centers, recovery housing, or similar settings; offer services, supports, or connections to care to persons with OUD and any co-occurring SUD/MH conditions or to persons who have experienced an opioid overdose.
11. Expand warm hand-off services to transition to recovery services.
12. Create or support school-based contacts that parents can engage with to seek immediate treatment services for their child; and support prevention, intervention, treatment, and recovery programs focused on young people.
13. Develop and support best practices on addressing OUD in the workplace.
14. Support assistance programs for health care providers with OUD.
15. Engage non-profits and the faith community as a system to support outreach for treatment.
16. Support centralized call centers that provide information and connections to appropriate services and supports for persons with OUD and any co-occurring SUD/MH conditions.

#### D. ADDRESS THE NEEDS OF CRIMINAL JUSTICE-INVOLVED PERSONS

Address the needs of persons with OUD and any co-occurring SUD/MH conditions who are involved in, are at risk of becoming involved in, or are transitioning out of the criminal justice system through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support pre-arrest or pre-arraignment diversion and deflection strategies for persons with OUD and any co-occurring SUD/MH conditions, including established strategies such as:
  1. Self-referral strategies such as the Angel Programs or the Police Assisted Addiction Recovery Initiative (“PAARI”);
  2. Active outreach strategies such as the Drug Abuse Response Team (“DART”) model;
  3. “Naloxone Plus” strategies, which work to ensure that individuals who have received naloxone to reverse the effects of an overdose are then linked to treatment programs or other appropriate services;

4. Officer prevention strategies, such as the Law Enforcement Assisted Diversion (“LEAD”) model;
  5. Officer intervention strategies such as the Leon County, Florida Adult Civil Citation Network or the Chicago Westside Narcotics Diversion to Treatment Initiative; or
  6. Co-responder and/or alternative responder models to address OUD-related 911 calls with greater SUD expertise.
2. Support pre-trial services that connect individuals with OUD and any co-occurring SUD/MH conditions to evidence-informed treatment, including MAT, and related services.
  3. Support treatment and recovery courts that provide evidence-based options for persons with OUD and any co-occurring SUD/MH conditions.
  4. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are incarcerated in jail or prison.
  5. Provide evidence-informed treatment, including MAT, recovery support, harm reduction, or other appropriate services to individuals with OUD and any co-occurring SUD/MH conditions who are leaving jail or prison or have recently left jail or prison, are on probation or parole, are under community corrections supervision, or are in re-entry programs or facilities.
  6. Support critical time interventions (“CTI”), particularly for individuals living with dual-diagnosis OUD/serious mental illness, and services for individuals who face immediate risks and service needs and risks upon release from correctional settings.
  7. Provide training on best practices for addressing the needs of criminal justice-involved persons with OUD and any co-occurring SUD/MH conditions to law enforcement, correctional, or judicial personnel or to providers of treatment, recovery, harm reduction, case management, or other services offered in connection with any of the strategies described in this section.

**E. ADDRESS THE NEEDS OF PREGNANT OR PARENTING WOMEN AND THEIR FAMILIES, INCLUDING BABIES WITH NEONATAL ABSTINENCE SYNDROME**

Address the needs of pregnant or parenting women with OUD and any co-occurring SUD/MH conditions, and the needs of their families, including babies with neonatal abstinence syndrome (“NAS”), through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, those that:

1. Support evidence-based or evidence-informed treatment, including MAT, recovery services and supports, and prevention services for pregnant women-or women who could become pregnant-who have OUD and any co-occurring SUD/MH conditions, and other measures to educate and provide support to families affected by Neonatal Abstinence Syndrome.
2. Expand comprehensive evidence-based treatment and recovery services, including MAT, for uninsured women with OUD and any co-occurring SUD/MH conditions for up to 12 months postpartum.
3. Provide training for obstetricians or other healthcare personnel who work with pregnant women and their families regarding treatment of OUD and any co-occurring SUD/MH conditions.
4. Expand comprehensive evidence-based treatment and recovery support for NAS babies; expand services for better continuum of care with infant-need dyad; and expand long-term treatment and services for medical monitoring of NAS babies and their families.
5. Provide training to health care providers who work with pregnant or parenting women on best practices for compliance with federal requirements that children born with NAS get referred to appropriate services and receive a plan of safe care.
6. Provide child and family supports for parenting women with OUD and any co- occurring SUD/MH conditions.
7. Provide enhanced family support and child care services for parents with OUD and any co-occurring SUD/MH conditions.
8. Provide enhanced support for children and family members suffering trauma as a result of addiction in the family; and offer trauma-informed behavioral health treatment for adverse childhood events.
9. Offer home-based wrap-around services to persons with OUD and any co-occurring SUD/MH conditions, including, but not limited to, parent skills training.

10. Provide support for Children's Services-Fund additional positions and services, including supportive housing and other residential services, relating to children being removed from the home and/or placed in foster care due to custodial opioid use.

PART TWO: PREVENTION
----------------------

**F. PREVENT OVER-PRESCRIBING AND ENSURE APPROPRIATE PRESCRIBING AND DISPENSING OF OPIOIDS**

Support efforts to prevent over-prescribing and ensure appropriate prescribing and dispensing of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding medical provider education and outreach regarding best prescribing practices for opioids consistent with the Guidelines for Prescribing Opioids for Chronic Pain from the U.S. Centers for Disease Control and Prevention, including providers at hospitals (academic detailing).
2. Training for health care providers regarding safe and responsible opioid prescribing, dosing, and tapering patients off opioids.
3. Continuing Medical Education (CME) on appropriate prescribing of opioids.
4. Providing Support for non-opioid pain treatment alternatives, including training providers to offer or refer to multi-modal, evidence-informed treatment of pain.
5. Supporting enhancements or improvements to Prescription Drug Monitoring Programs ("PDMPs"), including, but not limited to, improvements that:
  1. Increase the number of prescribers using PDMPs;
  2. Improve point-of-care decision-making by increasing the quantity, quality, or format of data available to prescribers using PDMPs, by improving the interface that prescribers use to access PDMP data, or both; or
  3. Enable states to use PDMP data in support of surveillance or intervention strategies, including MAT referrals and follow-up for individuals identified within PDMP data as likely to experience

OULD in a manner that complies with all relevant privacy and security laws and rules.

6. Ensuring PDMPs incorporate available overdose/naloxone deployment data, including the United States Department of Transportation's Emergency Medical Technician overdose database in a manner that complies with all relevant privacy and security laws and rules.
7. Increasing electronic prescribing to prevent diversion or forgery.
8. Educating dispensers on appropriate opioid dispensing.

#### G. PREVENT MISUSE OF OPIOIDS

Support efforts to discourage or prevent misuse of opioids through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Funding media campaigns to prevent opioid misuse.
2. Corrective advertising or affirmative public education campaigns based on evidence.
3. Public education relating to drug disposal.
4. Drug take-back disposal or destruction programs.
5. Funding community anti-drug coalitions that engage in drug prevention efforts.
6. Supporting community coalitions in implementing evidence-informed prevention, such as reduced social access and physical access, stigma reduction-including staffing, educational campaigns, support for people in treatment or recovery, or training of coalitions in evidence-informed implementation, including the Strategic Prevention Framework developed by the U.S. Substance Abuse and Mental Health Services Administration ("SAMHSA").
7. Engaging non-profits and faith-based communities as systems to support prevention.
8. Funding evidence-based prevention programs in schools or evidence-informed school and community education programs and campaigns for students, families, school employees, school athletic programs, parent-teacher and student associations, and others.

9. School-based or youth-focused programs or strategies that have demonstrated effectiveness in preventing drug misuse and seem likely to be effective in preventing the uptake and use of opioids.
10. Create or support community-based education or intervention services for families, youth, and adolescents at risk for OUD and any co-occurring SUD/MH conditions.
11. Support evidence-informed programs or curricula to address mental health needs of young people who may be at risk of misusing opioids or other drugs, including emotional modulation and resilience skills.
12. Support greater access to mental health services and supports for young people, including services and supports provided by school nurses, behavioral health workers or other school staff, to address mental health needs in young people that (when not properly addressed) increase the risk of opioid or another drug misuse.

#### H. PREVENT OVERDOSE DEATHS AND OTHER HARMS (HARM REDUCTION)

Support efforts to prevent or reduce overdose deaths or other opioid-related harms through evidence-based or evidence-informed programs or strategies that may include, but are not limited to, the following:

1. Increased availability and distribution of naloxone and other drugs that treat overdoses for first responders, overdose patients, individuals with OUD and their friends and family members, schools, community navigators and outreach workers, persons being released from jail or prison, or other members of the general public.
2. Public health entities providing free naloxone to anyone in the community.
3. Training and education regarding naloxone and other drugs that treat overdoses for first responders, overdose patients, patients taking opioids, families, schools, community support groups, and other members of the general public.
4. Enabling school nurses and other school staff to respond to opioid overdoses, and provide them with naloxone, training, and support.
5. Expanding, improving, or developing data tracking software and applications for overdoses/naloxone revivals.
6. Public education relating to emergency responses to overdoses.

7. Public education relating to immunity and Good Samaritan laws.
8. Educating first responders regarding the existence and operation of immunity and Good Samaritan laws.
9. Syringe service programs and other evidence-informed programs to reduce harms associated with intravenous drug use, including supplies, staffing, space, peer support services, referrals to treatment, fentanyl checking, connections to care, and the full range of harm reduction and treatment services provided by these programs.
10. Expanding access to testing and treatment for infectious diseases such as HIV and Hepatitis C resulting from intravenous opioid use.
11. Supporting mobile units that offer or provide referrals to harm reduction services, treatment, recovery supports, health care, or other appropriate services to persons that use opioids or persons with OUD and any co-occurring SUD/MH conditions.
12. Providing training in harm reduction strategies to health care providers, students, peer recovery coaches, recovery outreach specialists, or other professionals that provide care to persons who use opioids or persons with OUD and any co-occurring SUD/MH conditions.
13. Supporting screening for fentanyl in routine clinical toxicology testing.

### PART THREE: OTHER STRATEGIES

#### I. FIRST RESPONDERS

In addition to items in section C, D and H relating to first responders, support the following:

1. Education of law enforcement or other first responders regarding appropriate practices and precautions when dealing with fentanyl or other drugs.
2. Provision of wellness and support services for first responders and others who experience secondary trauma associated with opioid-related emergency events.

#### J. LEADERSHIP, PLANNING AND COORDINATION

Support efforts to provide leadership, planning, coordination, facilitations, training and technical assistance to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, the following:

1. Statewide, regional, local or community regional planning to identify root causes of addiction and overdose, goals for reducing harms related to the opioid epidemic, and areas and populations with the greatest needs for treatment intervention services, and to support training and technical assistance and other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
2. A dashboard to (a) share reports, recommendations, or plans to spend opioid settlement funds; (b) to show how opioid settlement funds have been spent; (c) to report program or strategy outcomes; or (d) to track, share or visualize key opioid- or health-related indicators and supports as identified through collaborative statewide, regional, local or community processes.
3. Invest in infrastructure or staffing at government or not-for-profit agencies to support collaborative, cross-system coordination with the purpose of preventing overprescribing, opioid misuse, or opioid overdoses, treating those with OUD and any co-occurring SUD/MH conditions, supporting them in treatment or recovery, connecting them to care, or implementing other strategies to abate the opioid epidemic described in this opioid abatement strategy list.
4. Provide resources to staff government oversight and management of opioid abatement programs.

#### K. TRAINING

In addition to the training referred to throughout this document, support training to abate the opioid epidemic through activities, programs, or strategies that may include, but are not limited to, those that:

1. Provide funding for staff training or networking programs and services to improve the capability of government, community, and not-for-profit entities to abate the opioid crisis.
2. Support infrastructure and staffing for collaborative cross-system coordination to prevent opioid misuse, prevent overdoses, and treat those with OUD and any co-occurring SUD/MH conditions, or implement other strategies to abate the opioid epidemic described in this opioid abatement strategy list (e.g., health care, primary care, pharmacies, PDMPs, etc.).

#### L. RESEARCH

Support opioid abatement research that may include, but is not limited to, the following:

1. Monitoring, surveillance, data collection and evaluation of programs and strategies described in this opioid abatement strategy list.
2. Research non-opioid treatment of chronic pain.
3. Research on improved service delivery for modalities such as SBIRT that demonstrate promising but mixed results in populations vulnerable to opioid use disorders.
4. Research on novel harm reduction and prevention efforts such as the provision of fentanyl test strips.
5. Research on innovative supply-side enforcement efforts such as improved detection of mail-based delivery of synthetic opioids.
6. Expanded research on swift/certain/fair models to reduce and deter opioid misuse within criminal justice populations that build upon promising approaches used to address other substances (e.g., Hawaii HOPE and Dakota 24/7).
7. Epidemiological surveillance of OUD-related behaviors in critical populations, including individuals entering the criminal justice system, including, but not limited to approaches modeled on the Arrestee Drug Abuse Monitoring (“ADAM”) system.
8. Qualitative and quantitative research regarding public health risks and harm reduction opportunities within illicit drug markets, including surveys of market participants who sell or distribute illicit opioids.
9. Geospatial analysis of access barriers to MAT and their association with treatment engagement and treatment outcomes.
