

(BOND) ACTS 9,10 - 2023

Reference SBB07 – Phase I

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of an amended bond act (“Amended Bond Act”) in the total amount of \$32,500,000 which includes \$25,500,000 in previously authorized bonds of the County of Westchester (“County”) to finance Capital Project SBB07 – Blind Brook Waste Water Treatment Plant – Process Equipment Improvements (“SBB07”). The Amended Bond Act, which was prepared by the law firm Norton Rose Fulbright, is required to finance the cost of design, construction management and construction for Phase I of the rehabilitation, upgrading and/or replacement of various items of equipment and systems at the Blind Brook Wastewater Treatment Plant for the benefit of the Blind Brook Sanitary Sewer District, including but not limited to rehabilitation and upgrades to the screenings, grit, primary scum pit, plant effluent, primary sludge, and emergency power systems, and including incidental expenses.

The Department of Environmental Facilities (“Department”) has advised that this request will provide additional construction funding for Phase I of SBB07. The additional construction cost can be attributed to significant escalation and a reprioritization of the sequence of work to include more scope in the first phase of the project. This is necessary due to the criticality and condition of the equipment being replaced.

Design is currently underway and is expected to be completed by the first quarter of 2023. It is estimated that construction is estimated to take twenty-four months to complete and will begin after award and execution of the construction contracts. The design work is being undertaken by consultants.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance SBB07 as indicated in the annexed fact sheet and follows: Bond Act No. 131-2021 in the amount of \$25,500,000 which was authorized to finance design, construction management and construction in connection with Phase I of SBB07. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 131-2021 be amended to increase the total amount authorized by \$7,000,000 for a total authorized amount, as amended, of \$32,500,000.

The Planning Department has advised your Committee that based on its review, SBB07 has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act. Your Committee recommends the adoption of the proposed Amended Bond Act.

The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance

Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

Section 13. The validity of such bonds and bond anticipation notes may be contested only if:

and an action, suit or proceeding contesting such validity is commenced within twenty days after the date of such publication, or

(3) Such obligations are authorized in violation of the provisions of the Constitution.

Other than as specified in this Bond Act, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said

County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.

Section (B). The amendments of the bond act set forth in Section (A) of this act shall in no way affect the validity of the liabilities incurred, obligations issued, or actions taken pursuant to said bond act, and all such liabilities incurred, obligations issued, or actions taken shall be deemed to have been incurred, issued or taken pursuant to said Bond Act, as so amended.

Section (C). This Bond Act shall take effect immediately upon approval by the County Executive.
