

ACT 32 - 2026

HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act that would, if approved, authorize the County of Westchester (the "County") to enter into an amendment ("First Amendment") to an intermunicipal agreement (the "IMA") with the New York City Department of Environmental Protection (the "NYCDEP"), pursuant to which the NYCDEP delegates to the County, acting by and through its Department of Health ("DOH"), the administration and enforcement of Section 18-38 of Subchapter G of New York City's "Rules and Regulations for the Protection from Contamination, Degradation and Pollution of the New York City Water Supply and Its Sources". DOH will continue to review and issue written determinations for all new, altered, modified, or remediated subsurface sewage treatment systems ("SSTSs") located in the portion of the watershed of the New York City water supply situated within Westchester County. The First Amendment will extend the termination date of the IMA from December 30, 2025 to December 30, 2026. All of the remaining terms and conditions of the IMA, as renewed, will remain the same and in full force and effect upon the parties.

Your Honorable Board, on November 14, 2016, by Act No. 341-2016, authorized the County to enter into the IMA which was subsequently executed. The IMA provides for one five year renewal by both parties. A copy of the IMA is annexed hereto for your Honorable Board's reference. Thereafter, your Honorable Board, by Act No. 29-2021 on March 8, 2021, authorized the County to renew the IMA for one five year period thereby extending the termination date from December 30, 2021 to December 30, 2025.

Your Committee is advised that the County and NYCDEP desire to extend the termination date of the IMA, as renewed, from December 30, 2025 to December 30, 2026 in order to allow for the parties to negotiate the terms and conditions of a new successor intermunicipal agreement.

The Department of Planning ("Planning") has advised that that the proposed First Amendment does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. As such, no environmental review is required. Your Committee has reviewed to the memorandum from

Planning dated January 9, 2026, which is on file with the Clerk of your Honorable Board and concurs with this recommendation.

Your Committee has been advised that the adoption of the proposed Act requires an affirmative vote of a majority of the members of your Honorable Board. After due consideration, your Committee recommends the adoption of the proposed Act.
