

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$864,000 to finance a component of capital project WCC88 – Maintenance Building Infrastructure Upgrade (“WCC88”). The Bond Act, which was prepared by the law firm Harris Beach, PLLC, will finance the County’s 50% share of Phase III of the Maintenance Building Infrastructure Upgrade Project at the Westchester Community College (“College”) campus. Phase III will address the renovation of Maintenance Building III, which was constructed in 1933, is 24,459 sq. ft. in area, and houses the physical plant, facilities and receiving departments. The College has advised that this phase is necessary because the facility has exceeded its useful life and has deteriorated with age and use.

The College has advised that the total amount appropriated for this phase of WCC88 is \$1,728,000. This bond request, in the amount of \$864,000, represents the County’s 50% share of this component of the project. The remaining 50% will be funded by New York State.

Following receipt by the College of New York State funds and bonding authorization, design will be scheduled and is anticipated to take twenty-four (24) months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take twenty-four (24) months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised your Committee that based on its review, WCC88 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act.

Your Committee recommends the adoption of the proposed Bond Act.
