

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a bond act (the “Bond Act”) in the amount of \$3,000,000, which, if adopted by your Honorable Board, would authorize the County of Westchester (“County”) to finance Capital Project SOS19 – Ossining Sanitary Sewer District Kemey’s Cove Force Main Replacement (“SOS19”).

The Bond Act, which was prepared by the law firm of Norton Rose Fulbright US, LLP, will fund design and construction management associated with the rehabilitation of the Kemey’s Cove Pumping Station and the construction of a new parallel force main for the Kemey’s Cove Pump Station in the Ossining Sanitary Sewer District located in the Village of Ossining.

The Department of Environmental Facilities (the “Department”) has advised that work under this project will include, but not be limited to, the rehabilitation of the Kemey’s Cove Pumping Station and the construction of a new parallel force main for the Kemey’s Cove Pump Station in the Ossining Sanitary Sewer District located in the Village of Ossining. The work required at the pumping stations typically includes the installation of new bar screens, pumps and pump control panel replacements, piping and valves, gas and fire detection systems, all mechanical, instrumentation and electrical systems, and structural and architectural repairs and replacement such as walls, windows and roofs. The new force main installation work under this project will include earthwork such as excavation, trenching, and backfill and the installation of new force main piping adjacent to the existing force main. Flood Hazard Mitigation will also be addressed at the pumping station as recommended in a prior Vulnerability Assessment Study. Also, as part of this project rehabilitation, relocation and/or replacement work, the Kemey’s Cove Pumping Station’s emergency generator will be addressed.

Your Committee is advised that following bonding authorization, design will be scheduled and is anticipated to take twelve (12) months to complete and will be completed by outside consultants. It is estimated that construction will take twenty-four (24) months to complete and will begin after award and execution of the construction contracts, subject to your Honorable Board’s approval of construction funding.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQR"). Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To the extent not paid from the assessment of properties assessable for this purpose in the County's Ossining Sanitary Sewer District, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in Section 52.00 of

the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by Section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 - 2. Other than as specified in this Bond Act, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.

Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.
