HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following:

Land Purchase and Conveyance. An Act (the "Land Acquisition Act") to authorize the purchase and subsequent conveyance of approximately +/- 0.577 acres (25,137 square feet) of real property located at 438 Main Street in the City of New Rochelle (the "Property") to 438 Main Development LLC, its successors, assigns or any entity created to carry out the purposes of the proposed transaction (the "Developer"), as part of the County's program to support the creation of affordable housing units that affirmatively further fair housing (the "Affordable AFFH Units"). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof. This Property was formerly improved by the Union Baptist Church which was destroyed by fire in 2011. It should be noted that the Development includes over 10,000 square feet of church and retail space. This space is not part of the acquisition by the County. It is anticipated that a condominium ownership structure will be set up by the Developer for the residential, church and retail space prior to the County's acquisition of the real property. The County will only acquire the portion of the Property containing the Affordable AFFH Units and their associated parking and amenities, excluding the nonresidential space.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the "NHLA Bond Act"), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$4,505,000 as a part of Capital Project BPL37 New Homes Land Acquisition III. The Department of Planning ("Planning") has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$4,505,000 to be used toward the purchase price for the Property from the current owner to create one-hundred fourteen (114) Affordable AFFH Units for rent and approximately forty-five (45) parking spaces for use by the residents (the "Development"). The purchase price for the Property is \$5,300,000. The Developer will be responsible for the remainder of the purchase price.

Upon acquisition, the County will file a Declaration of Restrictive Covenants against the Property, to require that the proposed Affordable AFFH Units be marketed and leased in accordance with an approved affirmative affordable fair housing marketing plan to eligible senior households aged sixty-two and over, with income at or below 50% and up to 60% of the Westchester County area median income. The units will remain affordable for a period of not less than fifty (50) years noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer for One (\$1.00) Dollar to construct the Affordable AFFH Units.

Your Committee has been advised that additional funds for the Development are anticipated to be provided by Federal and State Low Income Housing Tax Credits, New York State Homes and Community Renewal ("HCR"), Westchester County Housing Flex Fund, funding from the sale of a condominium unit that will be purchased by the Union Baptist Church, a first mortgage from a conventional bank, and a deferred developer fee for an estimated total Development cost of approximately \$69.82 Million.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review Act ("SEQRA") and its implementing regulations have been met. Your Committee has been advised by Planning that the proposed Development was reviewed by the City of New Rochelle Planning Board, which classified it as an Unlisted action under SEQRA, conducted an environmental review and adopted a Negative Declaration for the project on November 22, 2022. The City Planning Board, however, did not undertake coordinated review or otherwise include the County as an involved agency in connection with SEQRA. This Developer subsequently came before the County seeking financial assistance through the County's Housing Flex Fund Program (Capital Project BPL42). In order to authorize the use of County funds for the Development, the County Board of Acquisition and Contract needed to undertake the requisite environmental review. A

Full Environmental Assessment Form was prepared and a Negative Declaration was issued by the County Board of Acquisition and Contract, via Resolution OnBase No. 110117, on December 12, 2024. Since the County Board of Acquisition and Contract conducted SEQRA on behalf of the County, no further environmental review is required. Your Committee has reviewed the documentation provided by Planning and concurs with this recommendation.

Your Committee has been further advised that Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Westchester County Planning Board ("Planning Board") with respect to the physical planning aspects of the project. On September 3, 2025, the Planning Board adopted Resolution No. 25-25 that recommends funding for the purchase and conveyance of the Property which is annexed hereto. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the County Charter.

Based on the foregoing, your Committee believes that the Land Acquisition Act and the NHLA Bond Act are in the best interest of the County and therefore recommends their adoption noting that the Land Acquisition Act and NHLA Bond Act require the affirmative vote of two-thirds of the members of your Honorable Board.

STATE ENVIRONMENTAL QUALITY REVIEW FOR CAPITAL PROJECT

BPL37 NEW HOMES LAND ACQUISITION III

438 MAIN STREET, NEW ROCHELLE

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

This action involves the provision of County funding under capital project BPL30 – New Homes Land Acquisition II (Fact Sheet Unique ID: 3043) to facilitate the development of affordable housing at 438 Main Street in the City of New Rochelle. County funds will be applied toward the purchase of approximately 0.577 acres of real property, which will be transferred to a developer, who will create approximately 115 dwelling units, 114 of which will be affordable rental housing that will affirmatively further fair housing. The development will include 45 parking spaces for residents.

This project is part of a larger project involving the construction of a six-story building on the site of the historic Union Baptist Church which had been destroyed by fire. The larger project includes approximately 10,000 square feet of building space for the church, along with 35 additional parking spaces, as well as a separate unit for retail use. The overall project was reviewed by the City of New Rochelle Planning Board, which classified it as an Unlisted action under SEQR, conducted an environmental review and adopted a Negative Declaration for the project on November 22, 2022. The City Planning Board, however, did not undertake coordinated review or otherwise include the County as an involved agency in connection with SEQR.

The project subsequently came before the County seeking financial assistance through the County's Housing Flex Fund Program (capital project BPL42). In order to authorize the use of County funds for the project, the County Board of Acquisition and Contract needed to undertake the requisite environmental review. A Full Environmental Assessment Form was prepared and a Negative Declaration was issued by the Board of Acquisition and Contract, via Resolution # 110117, on December 12, 2024.

Since the Board of Acquisition and Contract conducted SEQR on behalf of the County, no further environmental review is required for the proposed bond authorization.

Please do not hesitate to contact me if you have any questions regarding this matter.

SUBJECT: Acquisition of Real Property – 438 Main Street – City of New Rochelle

Pursuant to Section 191.41 of the County Charter, submitted herewith is the required report of the Commissioner of Planning on the proposed acquisition and subsequent conveyance of +/-0.577 acres (25,137 square feet) of real property located at 438 Main Street in the City of New Rochelle, identified on the City tax maps as Section 1 Block 211 Lots: 43 and 43A (the "Property") for the purpose of creating 114 affordable housing units (the "Affordable AFFH Units"), that will affirmatively further fair housing ("AFFH"). The development will also provide approximately 45 parking spaces for residents.

The County of Westchester ("the County") intends to finance the purchase of the Property from the current owner in an amount not to exceed \$4,505,000 as a part of Capital Project BPL37 New Homes Land Acquisition III. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units are marketed and leased in accordance with an approved fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the Property to 438 Main Development LLC (the "Developer"), its successors or assigns, for One (\$1.00) Dollar.

The Developer proposes to construct one building of six-stories on the Property that will include a mix of affordable studio and one -bedroom rental apartments that will be leased to households who earn at or below 50% and up to 60% of the area median income (collectively the "Development").

I recommend funding for acquisition and conveyance of the Property for the following reasons:

- 1. The acquisition of this Property will advance the County's efforts to provide fair and affordable housing;
- 2. The acquisition and subsequent conveyance of the Property to develop fair and affordable housing is consistent with development policies adopted by the County Planning Board as set forth in Westchester 2025 Context for County and Municipal Planning in Westchester County and Policies to Guide County Planning, adopted May 6, 2008,

- and amended January 5, 2010, and the recommended strategies set forth in *Patterns for Westchester: The Land and the People*, adopted December 5, 1995;
- 3. The Development is proposed to include green technology, such as energy efficient appliances, lighting and heating systems and water-conserving fixtures to reduce operating and maintenance costs, minimize energy consumption and conserve natural resources. The Development is designed to meet the sustainability guidelines of New York State Homes and Community Renewal and is seeking the following green building certification: 2020 Enterprise Green Communities;
- 4. The Development is consistent with the land use policies and regulations of the City of New Rochelle; and
- 5. On September 3, 2025, the County Planning Board adopted a resolution to recommend County financing towards the purchase of the Property to support the Development.
