

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$1,300,000 to finance capital project RD019 – Food Scrap Recovery Program (“RD019”). The Bond Act, which was prepared by the law firm Norton Rose Fulbright, will finance the cost of study, design, and related costs for a food and organic waste composting facility in and for the County’s Refuse Disposal District No. 1 (“District”).

The Department of Environmental Facilities (“Department”) has advised that a review of potential properties for siting facilities, along with design and related activities for any viable location, must be undertaken to further the collection and processing of food and organic wastes within the District.

The Department has further advised that in accordance with Section 268 of the New York State County Law RD019 was previously approved by the New York State Comptroller (“Comptroller”) on January 26, 2018.

Following bonding authorization, a feasibility study of the prospective location(s) will be conducted and is anticipated to take six months to complete, and subsequently a design will be drafted, which is anticipated to take an additional six to nine months. It is anticipated that the feasibility study and the design work will be completed by consultants.

It should be noted that your Honorable Board has previously authorized the County to issue bonds in connection with separable components of RD019 as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, RD019 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
