

ACT 50 - 2026
(BOND) ACT 51 - 2026

Reference RP056

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmission from the County Executive recommending approval by the County of Westchester ("County") of an act amending the County's current-year capital budget ("Capital Budget Amendment"), as well as adoption of a related amended bond act ("Amended Bond Act") which, if adopted, will authorize the County to issue up to \$9,000,000 in additional bonds of the County to finance capital project RP056 – Playland Infrastructure, Rides and Site Work ("RP056").

Your Committee is advised that the Capital Budget Amendment will amend will amend the County's capital budget to increase the County share for RP056 by \$6,000,000. The proposed capital budget amendment is required to finance critical improvements to buildings, rides, utilities, and associated structures, site work and infrastructure which are essential to the continued operation of the park. These improvements will address life-safety concerns, regulatory compliance, and long-deferred maintenance while preserving the historic integrity of this nationally recognized facility.

The Amended Bond Act prepared by the law firm Hawkins, Delafield and Wood in the total amount of \$21,000,000, which includes \$12,000,000 in previously authorized bonds of the County, would finance the costs of design, construction and construction management of various infrastructure and site work improvements at Playland Park, including improvements to various rides, facilities, utilities and other associated infrastructure and site work.

The Department of Parks, Recreation and Conservation ("Department") has advised that Playland is a National Historic Landmark comprising historic buildings, rides, and attractions that have been enjoyed by generations of park patrons. Over time, the buildings, rides, and associated infrastructure have significantly aged and now require substantial repairs and upgrades to meet modern safety standards, improve operational reliability, and extend their useful life. This project will comprehensively address these needs, including critical improvements to buildings and structures essential to the continued operation of the amusement park.

Following bonding authorization, design will be scheduled and it is estimated that design will take eight months to complete. It is anticipated that the design work will be completed by a consultant. It is estimated that construction will take twelve months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has authorized the County to issue bonds for RP056 as indicated in the annexed fact sheet and as follows: Bond Act No. 159-2025 in the amount of \$12,000,000, which authorized financing for the above-referenced scope of work in connection with RP056. These bonds have not been sold. Accordingly, it is now requested that Bond Act No. 159-2025 be amended to increase the amount authorized by \$9,000,000, for a total authorized amount, as amended, of \$21,000,000.

The Planning Department has advised your Committee that based on its review, RP028 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

The Planning Department has advised that the Planning Board has previously reviewed RP056 and issued a report, and that since there is no change in the location, size or character of the project and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, as well as the related Amended Bond Act, and recommends approval of both of the proposed Acts, noting that the Amended Bond Act can only be enacted following adoption of the Capital Budget Amendment. It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to amend the County's Capital Budget and to adopt the Amended Bond Act.
