

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$5,000,000 to finance capital project RCC17 – County Center Facility Improvements (“RCC17”). The Bond Act, which was prepared by the law firm Hawkins, Delafield and Wood, will finance the cost of design, construction and construction management of interior building improvements at the County Center Building, consisting of improvements to the dressing/locker rooms, restroom facilities, interior sports and arena lighting fixtures and related work.

The Department of Parks, Recreation and Conservation (“Department”) has advised that the antiquated dressing/locker rooms need modernization and required lighting upgrades to attract and retain collegiate and professional sports teams including for the Westchester Knicks, as well as to attract professional entertainers, and the public restroom facilities require renovations.

Following bonding authorization, design will be scheduled and is anticipated to take twelve months to complete. It is anticipated that the design work will be completed by in-house staff and consultants. It is estimated that construction and installation of lighting will take four months to complete and will begin after award and execution of the contracts.

The Department of Planning has advised your Committee that based on its review, RCC17 may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
