

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of an amended bond act (“Amended Bond Act”) which, if adopted, would authorize the County of Westchester (“County”) to issue additional bonds in the amount of \$1,180,000 to finance capital project BIT32 - Radio System Replacement for 2022.

Your Committee is advised that the Amended Bond Act, in the total amount of \$23,518,183, which includes \$22,338,183 in previously authorized bonds of the County and was prepared by the law firm of Harris Beach, would fund the continued acquisition and installation of equipment and systems necessary for the replacement of the County's emergency communications system. The Department of Information Technology has advised that these systems, which include the Trunked Systems, the F1 and F3 Systems and the radio component of the Computer-Aided Dispatch /Automatic Vehicle Location Systems, are used by first responders and other governmental personnel to ensure safety of life and property and enable delivery of vital services to the citizens of Westchester County.

Your Committee is advised that your Honorable Board has previously authorized the County to issue bonds to finance prior components of BIT32, as follows: Bond Act No. 203-2020 in the amount of \$22,338,183, which increased the total aggregate amount of funding under BIT32 by \$1,180,000 and consolidated the unsold debt under Bond Act Nos. 109-2018, 111-2018, 112-2018, 115-2018, 146-2019, 147-2019 and 148-20 into one Amended Bond Act for a total authorized amount, as amended, of \$22,338,183. Bond Act No. 203-2020 has not been sold. Accordingly, it is now requested that Bond Act No. 203-2020 be amended to increase the total amount authorized by \$1,180,000, for a total authorized amount, as amended, of \$23,518,183.

Your Committee is advised that the County Budget Department is submitting this Amended Bond Act to your Honorable Board simultaneously with the proposed 2022 Capital Budget. It is the County's goal to submit this Amended Bond Act now so that the referenced project will be ready to proceed without delay in early 2022.

The Planning Department has advised that certain components of BIT32 have previously been reviewed and classified as either Type II or Unlisted actions pursuant to SEQR. For the Unlisted actions, the Board of Legislators adopted a collective Negative Declaration on July 15, 2019 via Resolution 176-2019.

As the current request is for additional funding to continue the implementation of this project for which SEQR has been completed and with no change in scope, no further environmental review is required by the County.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Amended Bond Act. Your Committee recommends the adoption of the proposed Amended Bond Act.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR CAPITAL PROJECT:  
BIT32 RADIO SYSTEM REPLACEMENT**

---

The Planning Department has reviewed capital project BIT32 – Radio System Replacement (Fact Sheet Unique ID: 1820) for compliance with the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The project provides for design, procurement and implementation services associated with the replacement of large mission critical radio systems, which include the Trunked Systems, the F1 and F3 Systems and the radio component of the Computer-Aided Dispatch/Automatic Vehicle Location Systems, that are used by the departments of Emergency Services, Public Safety, and Public Works and Transportation.

Certain components of BIT32 have previously been reviewed and classified as either Type II or Unlisted actions pursuant to SEQR. For the Unlisted actions, the Board of Legislators adopted a collective Negative Declaration on July 15, 2019 via Resolution 176-2019.

Since the current request is for additional funding to continue the implementation of this project, for which SEQR has been completed and with no change in scope, no further environmental review is required by the County.
