

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the Chairman of the Board of Legislators in cooperation with the County Executive recommending the adoption of an Act which, if approved by your Honorable Board, would authorize the County of Westchester (the “County”) to enter into an inter-municipal agreement (“IMA”) with the City of New Rochelle (the “City”), acting by and through its Police Department (the “PD”), pursuant to which the City will provide its National Night Out (the “Program”) within the period from January 1, 2021 through December 31, 2021. The County will pay the City a total amount not to exceed Two Thousand One Hundred Thirty-Two (\$2,132.00) Dollars, payable in full upon execution of the agreement, in accordance with an approved budget.

Pursuant to the IMA, the PD will provide the Program on August 3, 2021. The Program is a community-building campaign that promotes police-community partnerships and neighborhood camaraderie to make neighborhoods safer, more caring places. National Night Out enhances the relationship between neighbors and law enforcement, while creating a sense of community. Furthermore, the Program provides an opportunity to bring police and neighbors together under positive circumstances.

One component of the Program is the PD’s “Open House” event. Over 1,500 members of the New Rochelle Community are expected to attend the event and participate in tours of the Police Headquarters, tours of the Long Island Sound with their Harbor Unit, a live K-9 presentation, a drone demonstration, and a Police Helicopter fly-over. There will also be children’s activities, including a bouncy house, inflatable slide, dunk tank, clowns, coloring books, face painting and knockerball.

Your Committee has determined that there is a clear and overwhelming need for the Program. Accordingly, your Committee recommends authorizing the County to enter into the IMA.

The Department of Planning has advised that the proposed IMA does not constitute an action as defined in section 617.2(b) of 6NYCRR Part 617. No environmental review is required. Your Committee concurs with this conclusion.

Your Committee has been advised that passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board. Your Committee has carefully considered this proposed legislation authorizing the above-mentioned inter-municipal agreement and recommends its approval.

§4. This Act shall take effect immediately.

THIS AGREEMENT made the _____ day of _____, 20_____ by and between

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601, (hereafter the “County”),

and

THE CITY OF NEW ROCHELLE, a New York municipal corporation, acting by and through its **POLICE DEPARTMENT** having an office and principal place of business at 515 North Avenue New Rochelle, NY 10801, (hereafter the “Municipality”).

FIRST: The Municipality shall provide a National Night Out program as described in Schedule “A” attached hereto and made a part hereof (the “Program”). The Program will operate on August 3, 2021.

SECOND: The term of this Agreement shall be from January 1, 2021 through December 31, 2021, unless terminated earlier pursuant to the provisions of this Agreement.

THIRD: For the services to be performed pursuant to Paragraph “FIRST,” the County will pay the Municipality a total amount not to exceed Two Thousand One Hundred Thirty-Two (\$2,132.00) Dollars for the Program. Payment shall be made upon execution of this Agreement. No extra payment shall be made by the County to the Municipality for out-of-pocket expenses or disbursements made in connection with the services rendered under this Agreement, as all costs and expenses for said services are deemed to be included in the fee set forth above.

FOURTH: The Municipality shall, at no additional charge, furnish all labor, services, materials, tools, equipment and other appliances necessary to complete the services contracted for under this Agreement. It is recognized and understood that in no event shall total payment to the Municipality exceed the not-to-exceed amount set forth above.

FIFTH: The Municipality shall report to the County on its progress toward completing the Work, as the Chairman of the Board, the County Executive or their duly authorized designee may request, and shall immediately inform the Chairman and/or County Executive in writing of any cause for delay in the performance of its obligations under this Agreement. No later than thirty (30) days after the end of the term of the Agreement, the Municipality will submit to the Chair of the Board a written performance measurement report which shall provide details about the Program, including the number of participants in each activity.

In addition to any general audit rights to which the County may be entitled hereunder, the County also reserves the right to audit the Municipality's performance under this Agreement. Such audit may include requests for documentation, reports or other information which the Chairman may, in his/her discretion, deem necessary and appropriate. The County may also make site visits to the location/s where the services to be provided under this Agreement are performed in order to review Municipality's records, observe the performance of services and/or to conduct interviews of staff and patrons, where appropriate and not otherwise prohibited by law.

SIXTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the monies appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate

this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

SEVENTH: (a) The County, upon ten (10) days' notice to the Municipality, may terminate this Agreement in whole or in part when the County deems it to be in its best interest. In such event, the Municipality shall be compensated and the County shall be liable only for payment for services already rendered under this Agreement prior to the effective date of termination, and Municipality shall reimburse to the County the amount of the lump-sum payment, pro-rated to the time remaining in the term of this Agreement. Upon receipt of notice that the County is terminating this Agreement in its best interests, the Municipality shall stop Work immediately and incur no further costs in furtherance of this Agreement without the express approval of the Chairman, and the Municipality shall direct any approved subcontractors to do the same.

In the event of a dispute as to the value of the Work rendered by the Municipality prior to the date of termination, it is understood and agreed that the Chairman shall determine the value of such Work rendered by the Municipality. The Municipality shall accept such reasonable and good faith determination as final.

(b) In the event the County determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach remains uncured for forty-eight (48) hours after service on the Municipality of written notice thereof, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the Work provided for in this Agreement, or contract for its completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Without limiting the foregoing, upon written notice to the Municipality, repeated breaches by the Municipality of duties or obligations under this Agreement shall be deemed a material breach of this Agreement justifying termination for cause hereunder without requirement for further opportunity to cure.

EIGHTH: INSURANCE AND INDEMNIFICATION: All personnel and vehicles engaged in the Work shall at all times remain and be deemed the employees and property of the Municipality. The Municipality shall provide proof of insurance as set forth in the insurance requirements of Schedule "B" of this Agreement. Notwithstanding the foregoing, if the Municipality is self-insured for all or a portion of the insurance required by Schedule "B, it may provide proof of

such self-insurance in a form acceptable to the County's Director of Risk Management. However, to the extent the Municipality is self-insured and carries excess liability, the County shall be named as an additional insured to that policy.

In addition to, and not in limitation of the insurance requirements set forth in this Agreement, the Municipality agrees to procure and maintain insurance naming the County as additional insured, as provided and described in Schedule "B", entitled "Standard Insurance Provisions", which is attached hereto and made a part hereof. In addition to, and not in limitation of the insurance provisions contained in Schedule "B," the Municipality agrees:

(a) that except for the amount, if any, of damage contributed to, caused by, or resulting from the sole negligence of the County, the Municipality shall indemnify and hold harmless the County, its officers, employees, agents, and elected officials from and against any and all liability, damage, claims, demands, costs, judgments, fees, attorney's fees or loss arising directly or indirectly out of the performance or failure to perform hereunder by the Municipality or third parties under the direction or control of the Municipality; and

(b) to provide defense for and defend, at its sole expense, any and all claims, demands or causes of action directly or indirectly arising out of this Agreement and to bear all other costs and expenses related thereto; and

(c) In the event the Municipality does not provide the above defense and indemnification to the County, and such refusal or denial to provide the above defense and indemnification is found to be in breach of this provision, then the Municipality shall reimburse the County's reasonable attorney's fees incurred in connection with the defense of any action, and in connection with enforcing this provision of the Agreement.

NINTH: The Municipality expressly agrees that neither it nor any contractor, subcontractor, employee, or any other person acting on its behalf shall discriminate against or intimidate any employee or other individual on the basis of race, creed, religion, color, gender, age, national origin, ethnicity, alienage or citizenship status, disability, marital status, sexual orientation, familial status, genetic predisposition or carrier status during the term of or in connection with this Agreement, as those terms may be defined in Chapter 700 of the Laws of Westchester County. The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

TENTH: The Municipality shall comply, at its own expense, with the provisions of all applicable local, state and federal laws, rules and regulations, including, but not limited to, those applicable to the Municipality as an employer of labor. The Municipality shall further comply, at its own expense, with all applicable rules, regulations and licensing requirements pertaining to its professional status and that of its employees, partners, associates, subcontractors and others employed to render the Work hereunder.

ELEVENTH: Pursuant to Section 308.01 of the Laws of Westchester County, it is the goal of the County to use its best efforts to encourage, promote and increase the participation of business enterprises owned and controlled by persons of color or women in contracts and projects funded by all departments of the County. Attached hereto and forming a part hereof as Schedule "C" is a Questionnaire entitled Business Enterprises Owned and Controlled by Persons of Color or Women. The Municipality agrees to complete the questionnaire attached hereto as Schedule "C," as part of this Agreement.

TWELFTH: All records or recorded data of any kind compiled by the Municipality in completing the Work described in this Agreement, including but not limited to written reports, studies, drawings, blueprints, computer printouts, graphs, charts, plans, specifications and all other similar recorded data, shall become and remain the property of the County. The Municipality may retain copies of such records for its own use and shall not disclose any such information without the express written consent of the Commissioner. The County shall have the right to reproduce and publish such records, if it so desires, at no additional cost to the County.

Notwithstanding the foregoing, all deliverables created under this Agreement by the Municipality are to be considered "works made for hire." If any of the deliverables do not qualify as "works made for hire," the Municipality hereby assigns to the County all right, title and interest (including ownership of copyright) in such deliverables and such assignment allows the County to obtain in its name copyrights, registrations and similar protections which may be available. The Municipality agrees to assist the County, if required, in perfecting these rights. The Municipality shall provide the County with at least one copy of each deliverable.

The Municipality agrees to defend, indemnify and hold harmless the County for all damages, liabilities, losses and expenses arising out of any claim that a deliverable infringes upon an intellectual property right of a third party. If such a claim is made, or appears likely to be made, the Municipality agrees to enable the County's continued use of the deliverable, or to modify or replace

it. If the County determines that none of these alternatives is reasonably available, the deliverable may be returned.

THIRTEENTH: The Municipality shall not delegate any duties or assign any of its rights under this Agreement without the prior express written consent of the County. The Municipality shall not subcontract any part of the Work without the written consent of the County, subject to any necessary legal approvals. Any purported delegation of duties, assignment of rights or subcontracting of Work under this Agreement without the prior express written consent of the County is void. All subcontracts that have received such prior written consent shall provide that subcontractors are subject to all terms and conditions set forth in this Agreement. It is recognized and understood by the Municipality that for the purposes of this Agreement, all Work performed by a County-approved subcontractor shall be deemed Work performed by the Municipality and the Municipality shall insure that such subcontracted work is subject to the material terms and conditions of this Agreement. All subcontracts for the Work shall expressly reference the subcontractor's duty to comply with the material terms and conditions of this Agreement and shall attach a copy of the County's contract with the Municipality. The Municipality shall obtain a written acknowledgement from the owner and/or chief executive of subcontractor or his/her duly authorized representative that the subcontractor has received a copy of the County's contract, read it and is familiar with the material terms and conditions thereof. The Municipality shall include provisions in its subcontracts designed to ensure that the Municipality and/or its auditor has the right to examine all relevant books, records, documents or electronic data of the subcontractor necessary to review the subcontractor's compliance with the material terms and conditions of this Agreement. For each and every year for which this Agreement continues, the Municipality shall submit to the Commissioner a letter signed by the owner and/or chief executive officer of the Municipality or his/her duly authorized representative certifying that each and every approved subcontractor is in compliance with the material terms and conditions of the Agreement.

FOURTEENTH: The Municipality and the County agree that the Municipality and its officers, employees, agents, contractors and/or subcontractors are independent contractors and not employees of the County or any department, agency or unit thereof. In accordance with their status as independent contractors, the Municipality covenants and agrees that neither the Municipality nor any of its officers, employees, agents, contractors and/or subcontractors will hold themselves out as, or claim to be, officers or employees of the County or any department, agency or unit thereof.

FIFTEENTH: Failure of the County to insist, in any one or more instances, upon strict performance of any term or condition herein contained shall not be deemed a waiver or relinquishment of such term or condition, but the same shall remain in full force and effect. Acceptance by the County of any Work or the payment of any fee or reimbursement due hereunder with knowledge of a breach of any term or condition hereof, shall not be deemed a waiver of any such breach and no waiver by the County of any provision hereof shall be implied.

SIXTEENTH: All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or delivered by hand or overnight courier, or sent by facsimile (with acknowledgment received and a copy of the notice sent by registered or certified mail postage pre-paid), as set forth below or to such other addresses as the respective parties hereto may designate in writing. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

TWENTY-SECOND: All payments made by the County to the Municipality will be made by electronic funds transfer pursuant to the County's Vendor Direct program. The Municipality acknowledges that it is already enrolled in the County's Vendor Direct Program and agrees that if there are changes to the information contained in the authorization forms it will notify the Westchester County Finance Department directly.
