Re: Item Nos. 2023-187 & 2023-188

---

Item Nos. 2023-187 and 2023-188, which relate to amending Section 277.421 of the Laws of Westchester County, are to add a provision to establish a subcommittee of the Westchester County African-American Advisory Board to study the high rates of asthma in communities of color in Westchester County and have been referred to both the Committee on Appointments and the Committee on Legislation. I am requesting the items also be referred to the Committee on Health for consideration.

Thank you.
