ARTICLE III

COVENANTS AND AGREEMENTS

Section 3.1. Tax Exempt Status of Project.

(a) Assessment of the Facility Real Property. Pursuant to Section 874 of the General Municipal Law and Section 412-a of the RPTL, upon acquisition of title to and/or a leasehold interest in the Facility Real Property by the Agency, and continuing for the period during which the Agency maintains title to and/or a leasehold interest in the Facility Real Property (it being understood that the Agency is obligated to transfer title and/or terminate or assign its leasehold interest to the Company pursuant to Section 6.1, below), the Facility Real Property shall be assessed as exempt upon the assessment rolls of the Municipalities prepared subsequent to the acquisition by the Agency of title to and/or a leasehold interest in the Facility Real Property, except for Special Levies (hereinafter defined). The Facility Real Property shall be entitled to such exempt status on the assessment rolls of the Municipalities from the first tentative roll date (January 1) following (i) the Agency's acquisition or lease thereof and (ii) the completion and

submission of all necessary filings in accordance with Section 412-a (2) of the RPTL (which filings shall be the obligation of the Company). It is the intent of this PILOT Agreement that the Company shall, at all times during its or the Agency's ownership or leasing of the Facility Real Property, be obligated to pay either PILOT Payments or Real Estate Taxes, and that the foregoing obligations shall not be duplicative of each other or otherwise be additive, except to the extent set forth in Sections 3.1(b) and 3.2(f) below. For example, and without limitation, (i) the Company shall be obligated to pay Real Estate Taxes lawfully levied and/or assessed against the Facility Real Property, including Real Estate Taxes and assessments levied for the current tax year and all subsequent tax years until such time as the Agency's exemption with respect to the Facility Real Property lawfully takes effect on the tax rolls of the Municipalities and until all tax payments calculated with respect to prior tax rolls, not reflecting such exemption, shall have been made, and shall be obligated to pay PILOT Payments at all times thereafter until the Agency's exemption with respect to the project is no longer in effect on the tax rolls, and (ii) after the Agency conveys title to, and/or terminates or assigns its leasehold interest in, the Facility Real Property to a non-exempt entity (including, without limitation, the Company), no further PILOT Payments shall be due. In addition, the last PILOT Payment made or payable prior to the conveyance date may be reduced to reflect the apportionment of Real Estate Taxes as of the date of conveyance or lease termination.

(b) Change in Tax Status. To the extent the Facility Real Property or any portion thereof is declared to be subject to taxation or assessment by a final judgment of a court of competent jurisdiction, an amendment to the Act, or other legislative or administrative change, the obligation of the Company to make PILOT Payments hereunder shall, to such extent only, be replaced by the obligation of the Company to pay Real Estate Taxes at the assessment and tax rates then in effect. To the extent that the foregoing declaration of non-exemption is given retroactive effect, any PILOT Payments previously made by the Company during such retroactive period shall be credited against Real Estate Taxes due for such period. Nothing herein contained shall prohibit the Company from contesting the validity or constitutionality of any such amendment, legislative or administrative change or judicial decision.

(c) Special Assessments. The parties hereto understand that the tax exemption extended to the Agency by Section 874 of the General Municipal Law and Section 412-a of the Real Property Tax Law may not entitle the Agency to exemption from Special Levies. The Company shall be obligated to pay any Special Levies with respect to which the Agency is not exempt, in addition to the PILOT Payments provided hereunder.

(d) Counsel Fees. The Company will pay in full the reasonable fees and expenses of the Municipalities, or any of their subdivisions, or of Agency counsel, promptly upon receipt of the statement therefor, which are incurred after the date hereof and which fees and expenses arise in connection with the enforcement of this PILOT Agreement. If any claim is brought by a third party against the Agency and/or a Municipality with respect to any matter related to this PILOT Agreement, then unless such claim is due to the gross negligence or willful misconduct of the Agency or the Municipality, the Company shall defend and hold harmless the Agency and/or any Municipality against such claim with counsel reasonably acceptable to the Agency and/or any Municipality, as applicable.

(e) Establishment of Taxable Equivalent Assessment. The parties agree that, for each year commencing January 1, 2026, and continuing throughout the term of this PILOT Agreement, in order to enable the Agency to comply with its regulatory and reporting obligations under the law, the assessed value of the Facility Real Property shall be determined annually by the Assessor as if the Facility Real Property were privately owned and subject to no exemption from Real Estate Taxes (the "Taxable Equivalent Assessment"). The City and the Company shall provide to the Agency annually in writing, not later than 30 days after the date upon which the City mails real property tax bills to the owners of taxable property, notice of the Taxable Equivalent Assessment.

(f) Establishment of Fixed PILOT Assessment. The parties agree that for the purposes of determining PILOT Payments due under this Agreement shall be deemed to be assessed as follows:

(i) Notwithstanding the Taxable Equivalent Assessment as determined by the Assessor in accordance with Section 3.1(e) above, for each tax year beginning on or after January 1, 2026 (in respect of PILOT Payments for the benefit of the County) and on or after July 1, 2026 (in respect of PILOT Payments for the benefit of the City and the School District), and continuing through December 31, 2037 (in respect of PILOT Payments for the benefit of the County) and June 30, 2038 (in respect of PILOT Payments for the benefit of the City and the School District), the Fixed PILOT Assessment shall be the assessed value set forth opposite said year in attached Schedule B (iii) From and after (A) January 1, 2038 (in respect of tax payments for the County) the Company will be making a payment for the 2038 County tax year, and (B) July 1, 2038 (in respect of tax payments for the benefit of the City and School District), the Company will be making payment the 2038-2039 City tax year in the manner and the amounts as if the Agency were not in title on the tax lien date with respect to said tax years.

(ii) The Assessor may amend and correct the PILOT Payments set forth on Schedule B when and if:

(1) there is a revaluation or update of all real property in the City required by State law, in which event the Facility Real Property shall be assessed at an amount no greater than the assessment of a property with a fair market value which would have resulted in the PILOT Assessment set forth in the attached Schedule prior to such revaluation;

(2) the property has been altered by fire, demolition, destruction or similar catastrophe;

(3) there is a material upgrade of the existing quality and class of improvements upon the real property constituting the Facility Real Property in any one calendar year excluding routine costs, maintenance, updates, rehabilitation, retrofits or modernization of equipment, personalty and furnishings after Project Completion, other than increases in the square footage of the improvements on the Tax Lots which shall be addressed as provided in clause (4) below. In the event of a material improvement of the kind described in the preceding sentence, the Fixed

PILOT Assessment shall be increased by an amount equal to the product of the City equalization rate as established by the State and then in effect and the amount expended for such material improvement.

(4) the amount of net usable space in the Facility shall have been increased after the Project Completion as a result of additional construction thereon, in which event the Fixed PILOT Assessment may be increased to reflect such increase in net usable area (the "Addition") in an amount determined by calculating the gross per square foot assessment for the Facility prior to the Addition and multiplying that amount by the number of net leasable square feet in the Addition.

Any increase or decrease in the Fixed PILOT Assessment made pursuant to the foregoing subparagraphs (1)-(3) of this Section 3.1(f) shall be added to or subtracted from the Fixed PILOT Assessment. Other than as provided in this Section 3.1(f), the Fixed PILOT Assessment shall not otherwise be changed during the term of this Agreement.

(g) Except as otherwise expressly agreed by the County, the City and the School District, the portion of the PILOT Payments allocable to each of the County, the City and the School District shall be the same portions allocable to each Municipality of the Real Estate Taxes that would be levied against the Project if it were owned by the Company.

Section 3.2. Payment in Lieu of Taxes.

(a) Agreement to Make Payments. The Company agrees to make PILOT Payments for the Project during the term of this PILOT Agreement in amounts equivalent to the amount of Real Estate Taxes that would have been charged against the Project if said Project was not tax exempt and PILOT Payments were not determined as set forth in Section 3.1(f) of this PILOT Agreement. The Company further agrees that said PILOT Payments shall be paid in the same proportion to the individual Municipalities as Real Estate Taxes would be paid if the Facility Real Property were not tax exempt. Payments due hereunder shall be paid by the Company to the City, by check made payable to "City of White Plains." Upon receipt of such check by the City, the City shall promptly disburse to the other Municipalities their respective portions of the PILOT Payments as determined by this Section 3.2. The Company shall forward notice to the Agency of the payments made hereunder. The Company acknowledges and agrees that the obligation to make PILOT Payments under this PILOT Agreement is self-executing and absolute and not dependent upon any action or procedure of any other party, including the preparation or transmittal of invoices or bills. The Company shall have an affirmative obligation to secure such invoices or bills that may be necessary to make PILOT Payments under this PILOT Agreement. The time of such payments shall be subject to the provisions of Section 3.2(c). The obligation to make PILOT Payments due under and during the term of this PILOT Agreement shall remain until such payments are made, regardless of any statute of limitations. Any PILOT Payments due under this PILOT Agreement remaining unpaid at the termination of this PILOT Agreement shall remain a continuing obligation of the Company and the obligation to pay such payments shall survive this PILOT Agreement.

(b) Security for Payments in Lieu of Taxes. At the time of the execution and delivery of this PILOT Agreement and the granting of a leasehold interest in the Project to the Agency,

the Company and the Agency shall grant a first mortgage (the "PILOT Mortgage") to the City in order to secure the obligations of the Company under this PILOT Agreement. The Company hereby covenants and agrees that it will forever warrant and defend the same to the City, and will forever warrant and defend the validity and priority of the lien of the PILOT Mortgage against the claims of all persons and parties whomsoever other than any governmental or quasi-governmental body, agency or other instrumentality which would be entitled to priority over any lien or claim for Real Estate Taxes assertable by the Agency or the City in the absence of a PILOT Agreement.

(c) Time of Payments. The Company agrees to pay to the City, on or before each April 1 (for payments to be made with respect to the County), and on or before each July 1 and January 1 (for payments to be made with respect to the City and the School District), for the term of this Agreement, the applicable amounts due hereunder on such dates. Without limiting the Company's obligation set forth in Section 3.2(a), the City will send bills for the PILOT Payments to the Company at least thirty (30) days prior to such due dates. Bills regarding the PILOT Payments shall be submitted directly to the Company in such form as the taxing authority(ies) shall reasonably determine. The City shall forward copies of the bills submitted to the Company to the Agency and to the attention of the Commissioner of Finance, at the Finance Department, County of Westchester, 148 Martine Avenue, Room 720, White Plains, New York 10601.

(d) Method of Payment. All payments by the Company hereunder shall be paid by check or any other payment method as the City and the Company shall agree to, payable to the order of the City in then lawful money of the United States of America. A copy of such check or other evidence of payment shall be given to the Agency as notice of the Company's compliance with the payment provisions of this PILOT Agreement.

(e) Interest and Penalties. If the Company shall fail to make any PILOT Payment required by this PILOT Agreement when due, its obligation to make the payment so in default shall continue as an obligation of the Company until such payment that is in default shall have been made in full, and the Company shall pay the same together with the applicable late payment penalty, as prescribed by subparagraph "(5)" of Section 874 of the Act, on the amount due, at the time the PILOT Payment is paid. For each month, or part thereof, that the PILOT Payment is delinquent beyond the first month, interest shall accrue to and be paid by the Company on the total amount due plus the late payment penalty, at the applicable rate prescribed by said provision of the Act, until such payment is made.

(f) Conveyance by the Agency and Termination of the Exemption. Notwithstanding anything to the contrary set forth in Section 3.1(a) above, in the event that the property shall be conveyed by the Agency to the Company (or to an entity designated by the Company) during the term of this PILOT Agreement, either at the request of the Company or as a consequence of a default by the Company under this PILOT Agreement or under one or more of the other Project Documents, then except as otherwise expressly agreed in writing by the Agency (which agreement may, at the sole discretion of the Agency, be conditioned upon the consent of the Municipalities), the obligations of the Company under this PILOT Agreement (including, without limitation, Section 3.2(a) hereof) shall continue for the entire term of this PILOT Agreement; provided, however, that the PILOT Payments due in any year shall be reduced (but

not below zero) by the amount of Real Estate Taxes payable in respect of the Facility Real Property for such year.

Section 3.3. Obligations of Agency.

The Agency shall forward to the Company a copy of any bill for PILOT Payments or Real Estate Taxes received from the Municipalities, (other than bills for which the Company is already an addressee).

(a) Requirement that any Conveyance or Project Agreements Require Payment in Lieu of Taxes. So long as the Project shall be entitled to the exemption from Real Estate Taxes contemplated by Section 3.1(a) hereof, the Agency agrees, to the extent permitted by law, that it shall not convey or assign the Project to any person or entity which is not exempt from the payment of Real Estate Taxes, except as otherwise expressly permitted hereunder, or make any other agreement regarding real property taxes and/or the Project which would cause or require the payment of Real Estate Taxes or PILOT Payments to be paid to the City in excess of the amounts set forth in Article III hereof.

(b) Requirement that Mortgages Be Subordinate to Payments. The Agency and the Company agree that the lien of each and every Mortgage on the Project (and all advances made from time to time) given by either of them shall be specifically subordinate to the lien of the PILOT Mortgage unless otherwise agreed by the Agency.

Section 3.4. [Reserved].

Section 3.5. Assignability by the Company.

Notwithstanding anything herein to the contrary, the parties agree that if there is or has been a permitted transfer of all or part of any of the Company's right, title and interest in and to the Project and an assignment of all or part of the Company's rights in the Project Agreement to a transferee in accordance with the Project Agreement, and if the transferee has given a Substitution Notice (as herein defined) and if no Event of Default set forth in Section 5.1 hereof has occurred and is continuing (unless such transferee has commenced curing such Event of Default as provided herein), then at such transferee's option, the transferee shall be deemed automatically, and without the need for any further document or instrument, to succeed to the rights of, and be bound by the obligations imposed upon, the Company hereunder with respect to the portion or portions of the Project so transferred, with the same force and effect as if the transferee, and not the Company, had been an original party to this PILOT Agreement. Nevertheless, the Agency agrees to execute and deliver such amendments hereto as may be reasonably requested by the transferee and/or the Company to evidence such succession. For purposes of this Section 3.5, the term "Substitution Notice" shall mean a written notice given by a transferee, in accordance with Section 6.6 hereof, stating that the transferee is a transferee under the Project Agreement, and has agreed to accept the other obligations thereafter imposed on the Company hereunder, subject, in each case, to the limitations on recourse set forth in Article IV hereof.

Without limiting the generality of the foregoing, nothing in this PILOT Agreement shall restrict in any way any transfer of all or part of the Company's right, title and interest in and to

the Project to Affiliates (as defined in the Project Agreement) of the current parties to this PILOT Agreement.

Section 3.6. Review of Assessments.

As long as this PILOT Agreement is in effect, the Agency and the Company agree that (i) the Agency shall be deemed to be the owner or lessee of the Project subject to the Project Agreement; (ii) the Agency hereby irrevocably appoints the Company as its agent and attorney-in-fact for the purpose of instituting judicial review of any assessment of the real estate with respect to the Project ,including, without limitation, the Taxable Equivalent Assessment, pursuant to this PILOT Agreement and the provisions of Article 7 of the RPTL or any other applicable law as the same may be amended from time to time during the term of this PILOT Agreement, such appointment being coupled with an interest; and (iii) the Company shall have sole authority and power to file grievances and protests, protesting any assessment of the Project.

In order to undertake the foregoing, the Agency shall provide any written authorization and/or execute any documents required by statute or the applicable taxing authority or reasonably requested by the Company, so long as not prohibited by applicable law.

The Company shall have the right to contest only (i) any Taxable Equivalent Assessment, or (ii) to the extent permitted by Section 3.1(f)(ii) above, any change in the Fixed PILOT Assessments, or the failure to change same, in a proceeding under Article 7 of the RPTL or any other applicable law as the same may be amended from time to time during the term of this PILOT Agreement. During the pendency of any such assessment contest, the Company shall, and as a condition of instituting such contest, pay and be current regarding all PILOT Payments or Real Estate Taxes assessed or billed against the Facility Real Property.

Upon receipt from the Municipalities of a change in the assessment of any parcel subject to this PILOT Agreement (including, without limitation, the Taxable Equivalent Assessment) pursuant to the applicable portions of the RPTL and this PILOT Agreement, the Agency shall provide a copy thereof to the Company, in the same manner and at the same time as if the Company was a taxpayer (or within fifteen calendar days thereof). Notwithstanding the foregoing, if the assessment of any real property subject to this PILOT Agreement is reduced as a result of any such grievance, protest or judicial review so that the Company would be entitled to receive a refund or refunds of taxes paid if the Project were not exempt, such reduction shall not result in any change or modification of the PILOT Payments due pursuant to Section 3.2(a) of this PILOT Agreement, and same shall not be recalculated based upon the assessment resulting from such grievance, protest or judicial review, except as expressly set forth in this PILOT Agreement.

ARTICLE IV

LIMITED OBLIGATION OF THE PARTIES

Section 4.1. No Recourse; Limited Obligation of the Agency.

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Agency contained in this PILOT Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Agency and not of any member,

officer, agent, servant or employee of the Agency in his or her individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this PILOT Agreement, or otherwise based or in respect of this PILOT Agreement, or for any claim based thereon or otherwise in respect thereof, shall be had against any past, present or future member, officer, agent, servant or employee, as such, of the Agency, the City, the School District, the County or any successor public benefit corporation or political subdivision. It is expressly understood that this PILOT Agreement is a corporate obligation, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such member, officer, agent, servant or employee of the Agency or of any successor public benefit corporation or political subdivision or any person so executing this PILOT Agreement under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such member, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this PILOT Agreement.

(b) Limited Obligation. The obligations and agreements of the Agency contained herein shall not constitute or give rise to an obligation of the State or the County, and neither the State nor the County shall be liable thereon. Furthermore, such obligations and agreements shall not constitute or give rise to a general obligation of the Agency, but rather shall constitute limited obligations of the Agency payable solely from the revenues of the Agency derived and to be derived from this PILOT Agreement, the Project Agreement, the Project generally, or sale or other disposition of the Project.

(c) Further Limitation. Notwithstanding any provision of this PILOT Agreement to the contrary, (i) the Agency shall not be obligated to take any action for the benefit of the Company pursuant to any provision hereof unless the Agency shall have been requested to do so in writing by the Company and (ii) if compliance with such request is reasonably expected to result in the incurrence by the Agency (or any of its members, officers, agents, servants or employees) of any liability, fees, expenses or other costs, the Agency shall have received from the Company security or indemnity satisfactory to the Agency for protection against all such liability, and for reimbursement of all such fees, expenses and other costs. Nothing in this paragraph shall be construed as requiring the Agency (or the City, School District or County) to receive any such written request or indemnity as a precondition to the exercise by the Agency (or the City, School District or County) of its rights hereunder.

Section 4.2. No Recourse; Limited Obligation of the Company.

(a) No Recourse. All covenants, stipulations, promises, agreements and obligations of the Company contained in this PILOT Agreement shall be deemed to be the covenants, stipulations, promises, agreements and obligations of the Company and not of any partner, member, officer, agent, servant or employee of the Company in his or its individual capacity, and no recourse under or upon any obligation, covenant or agreement contained in this PILOT Agreement, or otherwise based or in respect of thereof, shall be had against any past, present or future partner, member, officer, agent, servant or employee, as such, of the Company or any successor thereto or any person executing this PILOT Agreement on behalf of the Company or

any partner in the Company, either directly or through the Company or any successor thereto or any person so executing this PILOT Agreement. It is expressly understood that this PILOT Agreement is an obligation of the Company, and that no such personal liability whatever shall attach to, or is or shall be incurred by, any such partner, member, officer, agent, servant or employee of the Company or any partner in the Company or of any successor thereto or any person so executing this PILOT Agreement under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom. Any and all such personal liability of, and any and all such rights and claims against, every such partner, member, officer, agent, servant or employee under or by reason of the obligations, covenants or agreements contained in this PILOT Agreement or implied therefrom are, to the extent permitted by law, expressly waived and released as a condition of, and as a consideration for, the execution of this PILOT Agreement.

(b) Limited Obligation. The obligations and agreements of the Company contained herein shall not constitute or give rise to an obligation of any partner, member, director, officer or employee in the Company, and no such partner, member, director, officer or employee, shall be liable therein.

ARTICLE V

EVENTS OF DEFAULT

Section 5.1. Events of Default.

The terms "Event of Default" or "Default" shall mean, whenever they are used in this PILOT Agreement, any failure of the Company to pay any amount due and payable by it pursuant to this PILOT Agreement within ten (10) days after its receipt of notice from the City, or the Agency, that such amount is due and has not been paid (provided due notice of such amounts owing shall have been given as provided in Section 3.2(c), above), it being understood that an "Event of Default" shall not have occurred hereunder until such time as the applicable notice and cure periods to the Permitted Mortgagee under Section 5.2 shall have expired.

Section 5.2. Permitted Mortgagee Right to Cure.

Notwithstanding anything to the contrary in this PILOT Agreement, in the case of an Event of Default, if the Agency or City serves a notice of default upon the Company, the Agency or City shall serve a copy of such notice upon the Permitted Mortgagee. In the case of an Event of Default by the Company under this PILOT Agreement, Permitted Mortgagee shall have thirty (30) days for a monetary default and sixty (60) days in the case of any non-monetary default, after notice to Permitted Mortgagee of such default, to cure or cause to be cured the default complained of (and the Agency shall accept such performance by or at the instigation of such Permitted Mortgagee as if the same had been done by the Company), provided that if said non-monetary default can be cured with due diligence, but not within such sixty (60) day period, said time period shall be extended as long as Permitted Mortgagee continues to exercise due diligence to cure said non-monetary default, but in no event shall such extension exceed ninety (90) days.

Section 5.3. Remedies on the Company's Default.

Whenever any Event of Default under Section 5.1 shall have occurred and be continuing with respect to this PILOT Agreement, remedies of the Agency shall be limited to the rights hereunder and under the PILOT Mortgage, and the right to convey the Project to the Company as set forth in Section 5.4.

Section 5.4. Remedies of the Agency; Recording of Termination Instrument and Other Documents.

Whenever:

- (i) any Event of Default under Section 5.1 shall have occurred and be continuing with respect to this PILOT Agreement,
- (ii) the lien of the PILOT Mortgage shall not be a first lien, other than with respect to any governmental or quasi-governmental body, agency or other instrumentality which would be entitled to priority over any lien for Real Estate Taxes assertable by the Agency or the Municipalities in the absence of a PILOT Agreement, or
- (iii) the Agency conveys the Project to the Company pursuant to this PILOT Agreement or the Project Agreement,

the Agency may, immediately with respect to (ii) above, and with respect to clauses (i) and (iii) above, upon ten (10) days-notice to the Company, record an assignment of lease, or termination of lease (each a "Termination Instrument") and any other necessary documents in the appropriate County Clerk's office conveying the Agency's leasehold interest in the Facility Real Property and the Project to the Company or its successor or assign and declare any and all amounts due and owing to the Agency hereunder immediately payable.

The recording of such Termination Instrument shall constitute delivery to the Company of title to, or surrender and termination of the Agency's leasehold interest in, the Project. In order to facilitate such transfer of title or surrender of the Agency's leasehold interest, the Company hereby irrevocably appoints severally, the Chairperson or Executive Director of the Agency (or his or her designee) as its agent, such appointment being coupled with an interest, who is authorized to execute and deliver all documents necessary to allow the transfer of fee or leasehold title to the Project from the Agency to the Company, including, without limitation, transfer tax returns.

Section 5.5. Payment of Attorneys' Fees and Expenses.

If the Company should default in performing any of its obligations, covenants and agreements under this PILOT Agreement, and the Agency or any Municipality should employ attorneys or incur other expenses for the collection of any amounts payable hereunder or for the enforcement of performance or observance of any obligation or agreement on the part of the Company herein, the Company agrees that it will, on demand therefor, pay to the Agency, or the City, School District or County as the case may be, the reasonable fees and disbursements of such attorneys and such other reasonable expenses so incurred in connection with the exercise of the remedies provided for herein.

Section 5.6. Remedies; Waiver and Notice.

(a) Remedy Exclusive. Notwithstanding anything herein to the contrary, the remedies available to the Agency as a result of an Event of Default hereunder are limited to those set forth in Sections 5.3 and 5.4 hereof, and the Agency hereby waives every other remedy now or hereafter existing at law or in equity or by statute in connection with any Event of Default.

(b) Delay. No delay or omission in exercising any right or power accruing upon the occurrence of any Event of Default hereunder shall impair any such right or power or shall be construed to be a waiver thereof, but any such right or power may be exercised from time to time and as often as may be deemed expedient.

(c) Notice Not Required. In order to entitle the Agency or the City, School District or County to exercise any remedy reserved to it in this PILOT Agreement, it shall not be necessary to give any notice, other than such notice as may be expressly required in this PILOT Agreement.

(d) No Waiver. In the event any provision contained in this PILOT Agreement should be breached by any party and thereafter duly waived by the other party so empowered to act, such waiver shall be limited to the particular breach so waived and shall not be deemed to be a waiver of any other breach hereunder. No waiver, amendment, release or modification of this PILOT Agreement shall be established by conduct, custom or course of dealing.

ARTICLE VI

MISCELLANEOUS

Section 6.1. Term of Agreement.

This PILOT Agreement shall become effective and the obligation of the Company and the Agency shall arise absolutely and unconditionally on the date hereof. This PILOT Agreement shall continue until the first date on which all monetary and non-monetary obligations hereunder have been fully satisfied and the PILOT Payments fully paid after the date on which title (including leasehold title theretofore held by the Agency) to the Project is transferred to the Company or any other non-exempt person or entity.

(b) No amendment, modification, termination or waiver or any provision of this PILOT Agreement or the PILOT Mortgage or any consent to any departure therefrom may be made which materially and adversely affects the City, School District or County without the prior written consent of the adversely affected Municipality. The Company shall promptly provide the City, School District or County with copies of all such proposed amendments, modifications, terminations and waivers and a copy of same as adopted or agreed upon.
