

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester (“County”) of a bond act (“Bond Act”) in the amount of \$625,000 to finance a component of capital project B014E – Exterior Infrastructure Repairs, White Plains Complex (2021 – 2025) (“B014E”). The Bond Act, which was prepared by the law firm Hawkins Delafield & Wood, LLP, will finance the cost of design associated with the replacement of the Richard J Daronco Courthouse Tower and Annex roof and related work.

The Department of Public Works and Transportation (“Department”) has advised that the roof is over 20 years old, the warranty has expired and the replacement of the roof is necessary to maintain the integrity of the building envelope. The new roof will provide increased insulation, thus reducing the amount of energy required to heat the building. The roof replacement will also provide potential for future installation of a photovoltaic system.

Following bonding authorization, design will be scheduled and is estimated to take six (6) months to complete and will be performed by in-house staff. Construction is estimated to take twelve (12) months to complete and will begin after award and execution of construction contracts, subject to your Honorable Board’s approval of construction funding.

It should be noted that your Honorable Board has previously authorized the County to issue bonds in connection with separable components of B014E as indicated in the annexed fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project may be classified as a Type “II” action pursuant to the State Environmental Quality Review Act (“SEQR”) and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act.

Your Committee recommends the adoption of the proposed Bond Act.
