Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$1,400,000.00 to finance the following capital project:

RML01 – MOUNTAIN LAKES PARK INFRASTRUCTURE PROJECT ("RML01").

The Bond Act, in the amount of \$1,400,000.00 would finance the design, construction management and construction associated with the replacement of the roof and other building renovations and associated work to the dining hall at Camp Hemlock.

The Department of Parks, Recreation and Conservation ("Department") has advised that the dining hall building roof at Camp Hemlock is in poor condition and in need of replacement. The existing roof shingles have exceeded their life expectancy and a portions of the roof decking and eaves are showing severe deterioration. This project will fund the complete roof replacement and underlayment including roof decking repairs, eaves, gutters and downspouts and all other associated building renovations and site work. The Department has advised that this infrastructure repair is critical to the safe operation of the park facility.

Following bonding authorization, design will be scheduled and is anticipated to take six (6) months to complete. It is anticipated that the design work will be completed by consultants. It is estimated that construction will take twelve (12) months to complete and will begin after award and execution of the construction contracts.

The Planning Department has advised that based on its review, the above referenced capital project has been classified as a "Type II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

A handwritten signature in black ink, appearing to read "George LaFimer". The signature is written in a cursive style with a large initial "G".
