RE: Item # 2025-411

At the September 29, 2025 County Board Meeting, item 2025-411, AN ACT requiring development of a plan to have officers of the Westchester County Department of Public Safety Services carry Epinephrine Auto-Injectors (Epi-Pens), was referred to the Committee on Public Safety. I believe due to the nature of the legislation, this item should also be considered by the Committee on Legislation; therefore I am requesting Item 2025-411 be placed into the Committee on Legislation for consideration.

Thank you
