Following bonding authorization, it is anticipated that CC106 will take 24 months to complete. It is anticipated that the work will be completed by in-house staff.

The Planning Department has advised your Committee that based on its review, CC106 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.
