1. Food service establishments shall provide options to allow a customer to affirmatively request applicable single-use foodware or condiment packets when ordering dine-in or take-out food and beverages across all ordering or point of sale platforms, including through in-person, telephone, and electronic orders.

2. For take-away orders, food service establishments and/or third-party food delivery services may choose to include specific single-use foodware, such as beverage lids and beverage trays, in order to prevent spills and ensure safety.
3. Food service establishments may provide single-use foodware or condiment packets that are prepackaged with or attached to any food or beverage products by the manufacturer prior to receipt by the food service establishment (for example, plastic straws attached to juice boxes, or a separate plastic container of dressing included within a larger salad container).

3. No civil penalty shall be imposed as provided for herein unless the alleged violator has received notice of the violation and has had an opportunity to be heard.

Sec. 542.71. Construction.

No provision of this Chapter shall be construed or interpreted to limit or frustrate a food service establishment's lawful compliance with the New York State Sanitary Code, including 10 N.Y.C.R.R. § 14-1.97, or the Westchester County Sanitary Code, Chapter 873 of the Laws of Westchester County.

Sec. 542.81. Reverse Preemption.

This Local Law shall be null and void on the day that statewide or federal legislation goes into effect incorporating either the same or substantially similar provisions as are contained in this Local Law, or in the event that a pertinent state or federal administrative agency issues and promulgates regulations preempting such action by the County of Westchester. The County Board of Legislators may determine via resolution whether or not identical or substantially similar legislation has been enacted for the purposes of triggering this provision.

Sec. 542.91. Severability.
