The Youth Bureau advised that it anticipates reimbursement for the programs from the State of New York ("State") through the State Office of Children and Family Services ("OCFS") for certain youth services programs and related administrative activities through a Resource Allocation Plan ("Plan"). Upon announcement of the funding by the State, through the Plan, the County will seek authority to execute and submit to the State a Plan at that time.

These IMAs are exempt from the requirements of the Westchester County Procurement Policy pursuant to section 3(a) xviii thereof.

The programs use positive youth development models to focus on providing opportunities for youth to actively acquire the skills and abilities needed to grow up to be competent, caring and healthy adults.

Pursuant to the IMAs, the programs will use positive youth development models to focus on providing opportunities for youth to actively acquire the skills and abilities needed to grow up to be competent, caring and healthy adults. The programs will implement initiatives that target specific areas of positive youth development. The programs will administer internal controls to collect and analyze qualitative and quantitative outcomes to measure the efficacy of program goals and their ability to increase positive youth development. Outcomes will be tracked and monitored by evaluation of the programs' data; monthly, quarterly, and annual reports submitted to the County Youth Bureau, and through site visits by the County Youth Bureau Program monitor. The anticipated outcomes include positive skills attainment, social competencies and an increased measure of positive youth development across all measurable areas.

The Planning Department has advised that the proposed IMAs do not constitute an action subject to review under the State Environmental Quality Review Act. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Your Committee has carefully considered this matter and has concluded that it is in the best interest of the County to adopt an Act to authorize the County to enter into the IMAs. It should be noted that an

affirmative vote of a majority of the members of your Honorable Board is required in order to adopt the attached Act. Accordingly, your Committee recommends the annexed proposed Act for adoption.
