Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of Board of Legislators:

Transmitted herewith for your review and approval is an Act which, if adopted by your Honorable Board, would authorize the County of Westchester ("County"), acting by and through its Department of Public Works and Transportation ("DPWT") to enter into inter-municipal agreements (collectively "IMAs") with local municipalities for snow and ice control on County roads located within those municipalities for the winter seasons commencing October 1, 2025 through September 30, 2030. Authorization of these IMAs will ensure the continuation of the long standing program for snow and ice control on County roads. The current inter-municipal agreements will expire on September 30, 2025.

The rates of reimbursement for the 2025/2026 season would be as follows:

\$3,257.00 per mile for 2 lane roads;
\$4,296.00 per mile for 3 lane roads;
\$4,748.00 per mile for 4 lane roads.

In addition, it is proposed that the Salt Shed Incentive program be continued. Those local municipalities whose salt storage and application rates are consistent with the recommendations for the 208 Water Quality Program and are in compliance with the best management practices guidelines currently endorsed by the DPWT Commissioner, would be reimbursed for snow and ice control on County roads within their boundaries for the 2025/2026 season at the following rates:

\$5,030.00 per mile for 2 lane roads;
\$6,540.00 per mile for 3 lane roads;
\$7,327.00 per mile for 4 lane roads.

Michaelian Office Building
148 Martine Avenue
White Plains, New York 10601

Telephone: (914)995-2900

E-mail: (914) ceo@westchestergov.com

After the first year, the rates shall be increased annually by the allowable levy growth factor (tax cap) as defined in Chapter 97 of the New York State Laws of 2011, calculated by using the County's fiscal year (calendar).

I have been advised that in accordance with the terms of the inter-municipal agreements, the municipalities will not be responsible for the following services: filling pot holes, removal of trash, removal of dead animals, grass and weed cutting, maintenance and repair of guide rails, or graffiti removal upon County roads within the boundaries of the Municipality, unless damage to County property is caused by the Municipality, its employees, agents or contractors.

I have been further advised that the IMAs are exempt from the Westchester County Procurement Policy pursuant to Section 3(a)iii thereof, which exempts transactions or contracts with the United States of America, any State, and any political subdivision, agency or instrumentality thereof.

Based on the foregoing, I respectfully recommend your favorable action on the annexed proposed Act.

Sincerely,

**HONORABLE BOARD OF LEGISLATORS
WESTCHESTER COUNTY**

Your Committee is in receipt of a communication from the County Executive recommending the adoption of an Act which, if approved by your Honorable Board, would authorize the County of Westchester ("County"), acting by and through its Department of Public Works and Transportation ("DPWT"), to enter into inter-municipal agreements (collectively "IMAs") with local municipalities for snow and ice control on County roads located within those municipalities for the winter seasons commencing October 1, 2025 through September 30, 2030. Authorization of these IMAs will ensure the continuation of the long standing program for snow and ice control on County roads. The current inter-municipal agreements will expire on September 30, 2025.

The rates of reimbursement for the 2025/2026 season would be as follows:

\$3,257.00 per mile for 2 lane roads;
\$4,296.00 per mile for 3 lane roads;
\$4,748.00 per mile for 4 lane roads.

In addition, it is proposed that the Salt Shed Incentive program be continued. Those local municipalities whose salt storage and application rates are consistent with the recommendations for the 208 Water Quality Program and are in compliance with the best management practices guidelines currently endorsed by the DPWT Commissioner, would be reimbursed for snow and ice control on County roads within their boundaries for the 2025/2026 season at the following rates:

\$5,030.00 per mile for 2 lane roads;
\$6,540.00 per mile for 3 lane roads;
\$7,327.00 per mile for 4 lane roads.

After the first year, the rates shall be increased annually by the allowable levy growth factor (tax cap) as defined in Chapter 97 of the New York State Laws of 2011, calculated by using the County's fiscal year (calendar).

In accordance with the terms of the IMAs, the municipalities will not be responsible for the following services: filling pot holes, removal of trash, removal of dead animals, grass and weed cutting, maintenance and repair of guide rails, or graffiti removal upon County roads within the boundaries of the Municipality, unless damage to County property is caused by the Municipality, its employees, agents or contractors.

The Planning Department has advised that based on its review, the proposed IMAs may be classified as a "Type II" action under the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 ("SEQRA"). Type II actions are those actions determined not to have a significant effect on the environment and therefore do not require further environmental review. Your Committee concurs with this recommendation.

Your Committee has been advised that the IMAs are exempt from the Westchester County Procurement Policy and Procedures pursuant to Section 3(a)iii thereof, which exempts transactions or contracts with the United States of America, any State and any political subdivision, agency or instrumentality thereof.

Pursuant to the Laws of Westchester County, the proposed Act must be approved by an affirmative vote of not less than a majority the voting strength of the Board of Legislators.

Accordingly, after due consideration, your Committee recommends enactment of the annexed proposed Act.

THIS AGREEMENT made _____ by and between

THE COUNTY OF WESTCHESTER, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 148 Martine Avenue, White Plains, New York 10601, (hereinafter referred to as the "County");

and

[INSERT MUNICIPALITY NAME AND ADDRESS],
(hereinafter referred to as the "Municipality").

WITNESSETH:

WHEREAS, the County desires to obtain services for the removal of snow and ice from designated County roads within the Municipality to provide for reasonable passage and movement of vehicles over such roads; and

WHEREAS, the Municipality is willing to furnish such services and the County desires to purchase same subject to the terms of the Agreement.

NOW, THEREFORE, in consideration of the terms, conditions and covenants hereinafter set forth, the parties agree as follows:

FIRST: This Agreement shall commence on October 1, 2025 and shall expire on September 30, 2030 unless sooner terminated as herein provided.

SECOND: The Municipality agrees to furnish all necessary personnel, machinery, tools, supplies and equipment to provide snow removal and ice control services upon County roads within the boundaries of the Municipality as identified in the list attached hereto and made a part hereof as Schedule "D". Said services shall be provided upon the paved portions of County roads as well as County road bridges and bridge sidewalks and shall include the plowing or removal of snow and ice, all necessary sanding, and appropriate measures to keep catch basins and drains clear of ice and debris, until the end of the snow removal season.

The Municipality shall not be required to provide the following services: filling pot holes, removal of trash, removal of dead animals, grass and weed cutting, maintenance and repair of guide rails, or graffiti removal upon County roads as identified in Schedule "D", unless damage to County property is caused by the Municipality, its employees, agents or contractors.

All work shall be performed in the manner prescribed by the Westchester County Commissioner of Public Works and Transportation ("Commissioner") or his authorized representative and shall be completed to his satisfaction.

THIRD: For the services performed pursuant to Paragraph **SECOND** above, the County shall pay the Municipality as follows:

(i) At such time as the Municipality's salt storage and application rates shall be in compliance with the recommendations of the 208 Water Quality Program, as described in the "Best Management Practices Manual" published as part of that Program as amended or supplemented, then payment shall be provided in accordance with the rates set forth in Schedule "B" for those seasons the municipality is in compliance.

(ii) In the event the Municipality shall not be in compliance with the 208 Water Quality Program "Best Management Practices Manual" as amended or supplemented or, if in compliance, shall fail to so comply during the term of this Agreement, then the Municipality shall be entitled to payment only for the actual amounts expended to provide snow and ice removal services up to the maximum rates set forth in Schedule "A".

(iii) Schedule "D" will be modified to add and/or delete roads, or sections of roads, as they may be added to and/or deleted from the County road system. Such addition and/or deletion may only take place upon the completion of action by the Westchester County Board of Legislators.

Payments will be prorated to pay as follows:

	<u>Roads Added</u>	<u>Roads Deleted</u>
November	90%	10%
December	80%	20%
January	60%	40%
February	30%	70%
March	10%	90%

FOURTH: Any and all requests for payment to be made shall be submitted within thirty (30) days after notice by the Department of Public Works and Transportation, on a properly executed claim form together with an itemized schedule of amounts expended to furnish such services. Payment shall be made only after approval by the Commissioner.

This Agreement shall be deemed executory only to the extent of money appropriated and allocated by the County for the performance of the terms hereof and no liability under this Agreement shall be incurred by the County beyond moneys available for the purposes thereof.

FIFTH: The Municipality shall keep accurate records of its business operations hereunder in accordance with generally accepted accounting principles.

The Commissioner, or his duly authorized representative, shall have the right to inspect and audit such records and statements at all reasonable times to insure that the Municipality is complying with the terms of this Agreement. To the extent practicable such inspections shall take place at the offices of the Municipality. The Municipality agrees that all equipment charges shall be in accordance with rates established by the New York State Department of Transportation and all labor charges shall be in accordance with the prevailing rates within the Municipality for similar highway work.

SIXTH: The parties recognize and acknowledge that the obligations of the County under this Agreement are subject to annual appropriations by its Board of Legislators pursuant to the Laws of Westchester County. Therefore, this Agreement shall be deemed executory only to the extent of the moneys appropriated and available. The County shall have no liability under this Agreement beyond funds appropriated and available for payment pursuant to this Agreement. The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement

constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

SEVENTH: Either party, upon thirty (30) days written notice to the other, may terminate this Agreement in whole or in part when deemed to be in its best interest. Subject to the availability of funds, the Municipality shall be compensated for services rendered under this Agreement prior to the effective date of such termination.

In the event the Commissioner determines that there has been a material breach by the Municipality of any of the terms of the Agreement and such breach either, (i) remains uncured for forty-eight (48) hours after service on the Municipality of written notice thereof, or (ii) is not capable of being cured, the County, in addition to any other right or remedy it might have, may terminate this Agreement and the County shall have the right, power and authority to complete the services provided for in this Agreement, or contract for their completion, and any additional expense or cost of such completion shall be charged to and paid by the Municipality. Notice shall

be effective on the date of receipt. Without limiting the foregoing, upon written notice to the Municipality, repeated breaches by Municipality of any particular duty or obligation under this Agreement shall be deemed a material breach of the Agreement justifying termination for cause hereunder without requirement for further opportunity to cure. Notice shall be effective on the date of receipt.

EIGHTH: Except in an emergency, the Municipality shall not assign, sublet, subcontract or otherwise dispose of this Agreement, or any right, duty or interest herein, without previous written consent of the County. No assignment, subcontracting, subletting or other such disposition of this Agreement, either with or without such consent of the County, shall serve to relieve the Municipality of its obligations hereunder.

All subcontracts entered into by the Municipality shall provide that subcontractors are subject to and must comply with all terms and conditions set forth in this Agreement. All work performed by the subcontractor shall be deemed work performed by the Municipality.

NINTH: The Municipality shall comply, at its own expense, with the provisions of all applicable federal, state and local laws, rules, regulations, orders or ordinances and requirements of every kind and nature, which now exist or are hereinafter be enacted or promulgated ("Laws") including, but not limited to, all applicable provisions of the Labor Law, Workers' Compensation Law, State Unemployment Insurance Law, Federal Social Security Law and any and all rules and regulations promulgated by the United States Department of Labor and/or the Industrial Commissioner of the State of New York and all amendments and additions thereto.

It is the intent and understanding of the County and Municipality that each and every provision required by law, contract, or other proper authority to be included in this Agreement shall, for all intents and purposes, be considered and deemed included herein. The Municipality understands and acknowledges that for each and every such provision that has, through mistake or otherwise, either not been inserted in writing or been inserted in writing in an incorrect form, the Municipality hereby consents to amending this Agreement in writing, upon receipt of notice from the County, for the purpose of inserting or correcting the provision in question.

TENTH: The Municipality hereby acknowledges and agrees:

(a) that in the hiring of employees for the performance of work under this Agreement or any subcontract hereunder, no Municipality, subcontractor, nor any person acting on behalf of such Municipality or subcontractor, shall by reason of race, creed, color, religion, gender, age, ethnicity, disability, sex, alienage or citizenship status, national origin, marital status, sexual orientation, familial status, genetic pre-disposition or carrier status, discriminate against any citizen of the State of New York who is qualified and available to perform the work to which the employment relates;

(b) that no Municipality, subcontractor, nor any person on his behalf shall, in any manner, discriminate against or intimidate any employee hired for the performance of work under this Agreement on account of race, creed, color, religion, gender, age, ethnicity, disability, sex, alienage or citizenship status, national origin, marital status, sexual orientation, familial status, genetic pre-disposition or carrier status;

(c) that there may be deducted from the amount payable to the Municipality by the County under this Agreement a penalty of FIFTY (\$50.00) DOLLARS for each person for each calendar day during which such person was discriminated against or intimidated in violation of the provisions of this Agreement;

(d) that this Agreement may be cancelled or terminated by the County, and all moneys due or to become due hereunder may be forfeited, for a second or any subsequent violation of the terms and conditions of this section of the Agreement; and

(e) the aforesaid provisions of this section covering every agreement for or on behalf of the County for the manufacture, sale or distribution of materials, equipment or supplies shall be limited to operations performed within the territorial limits of the State of New York.

(f) The Municipality acknowledges and understands that the County maintains a zero tolerance policy prohibiting all forms of harassment or discrimination against its employees by co-workers, supervisors, vendors, contractors, or others.

ELEVENTH: The Municipality, in its own name and naming the County as an additional named insured, shall, at the commencement of the term hereof, obtain and maintain in continuous effect for the term of this Agreement, policies of insurance providing for coverage in the limits and subject to the conditions set forth in Schedule "C", attached hereto and made a part hereof.

The Municipality agrees to indemnify, defend and hold the County of Westchester and its officers, employees and agents harmless from and against any and all liability, loss, damage or expense the County may suffer as a result of any and all claims, demands, causes of action or judgments arising out of this Agreement due to the negligent acts or omissions of the Municipality.

The Municipality shall, within ten (10) days of the occurrence thereof, notify the Commissioner of any action, proceeding, claim or demand arising hereunder.

Notwithstanding the requirements set forth in the above and as set forth in Schedule "C", the Municipality may act as a self-insurer for the general liability insurance in lieu of procuring from an insurance company the insurance required by the terms of this Agreement and heretofore described. The Municipality hereby agrees that it will provide the exact same insurance coverage and protection for the benefit of the County and any other covered entity herein, in the same amount and under the same terms set forth in the paragraph above and as set forth in Schedule "C", as it would provide County if the Municipality were to purchase commercial insurance. The Municipality further agrees that its decision to self-insure shall in no way limit the defenses or indemnification available to the County.

TWELFTH: All notices of any nature referred to in this Agreement shall be in writing and either sent by registered or certified mail postage pre-paid, or sent by hand or overnight courier, to the respective addresses as set forth below or to such other addresses as the respective parties hereto may designate in writing. Notice shall be effective on the date of receipt.

FIFTEENTH: This Agreement shall bind the successors, assigns and representatives of the parties hereto.

SIXTEENTH: This Agreement and its attachments constitute the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all previous negotiations, commitments and writings. This Agreement shall be construed and enforced in accordance with the laws of the State of New York. In addition, the parties hereby agree that any cause of action arising out of this Agreement shall be brought in the County of Westchester.

If any term or provision of this Agreement is held by a court of competent jurisdiction to be invalid or void or unenforceable, the remainder of the terms and provisions of this Agreement shall in no way be affected, impaired, or invalidated, and to the extent permitted by applicable law, any such term, or provision shall be restricted in applicability or reformed to the minimum extent required for such to be enforceable. This provision shall be interpreted and enforced to give effect to the original written intent of the parties prior to the determination of such invalidity or unenforceability.

EIGHTEENTH: This Agreement shall not be enforceable until signed by all parties and approved by the Office of the County Attorney.

SCHEDULE " C"

STANDARD INSURANCE PROVISIONS **(Municipality)**

1. Prior to commencing work, and throughout the term of the Agreement, the Municipality shall obtain at its own cost and expense the required insurance as delineated below from insurance companies licensed in the State of New York, carrying a Best's financial rating of A or better. Municipality shall provide evidence of such insurance to the County of Westchester ("County"), either by providing a copy of policies and/or certificates as may be required and approved by the Director of Risk Management of the County ("Director"). The policies or certificates thereof shall provide that ten (10) days prior to cancellation or material change in the policy, notices of same shall be given to the Director either by overnight mail or personal delivery for all of the following stated insurance policies. All notices shall name the Municipality and identify the Agreement.

If at any time any of the policies required herein shall be or become unsatisfactory to the Director, as to form or substance, or if a company issuing any such policy shall be or become unsatisfactory to the Director, the Municipality shall upon notice to that effect from the County, promptly obtain a new policy, and submit the policy or the certificate as requested by the Director to the Office of Risk Management of the County for approval by the Director. Upon failure of the Municipality to furnish, deliver and maintain such insurance, the Agreement, at the election of the County, may be declared suspended, discontinued or terminated.

Failure of the Municipality to take out, maintain, or the taking out or maintenance of any required insurance, shall not relieve the Municipality from any liability under the Agreement, nor shall the insurance requirements be construed to conflict with or otherwise limit the contractual obligations of the Municipality concerning indemnification.

All property losses shall be made payable to the "County of Westchester" and adjusted with the appropriate County personnel.

In the event that claims, for which the County may be liable, in excess of the insured amounts provided herein are filed by reason of Municipality's negligent acts or omissions under the Agreement or by virtue of the provisions of the labor law or other statute or any other reason, the amount of excess of such claims or any portion thereof, may be withheld from payment due or to become due the Municipality until such time as the Municipality shall furnish such additional security covering such claims in form satisfactory to the Director.

In the event of any loss, if the Municipality maintains broader coverage and/or higher limits than the minimums identified herein, the County shall be entitled to the broader coverage and/or higher limits maintained by the Municipality. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the County.

Westchester County Vendor Direct Program Frequently Asked Questions

1. WHAT ARE THE BENEFITS OF THE ELECTRONIC FUNDS TRANSFER (EFT) ASSOCIATED WITH THE VENDOR DIRECT PROGRAM?

There are several advantages to having your payments automatically deposited into your designated bank account via EFT:

Payments are secure – Paper checks can be lost in the mail or stolen, but money deposited directly into your bank account is more secure.

You save time – Money deposited into your bank account is automatic. You save the time of preparing and delivering the deposit to the bank. Additionally, the funds are immediately available to you.

2. ARE MY PAYMENTS GOING TO BE PROCESSED ON THE SAME SCHEDULE AS THEY WERE BEFORE VENDOR DIRECT?

Yes.

3. HOW QUICKLY WILL A PAYMENT BE DEPOSITED INTO MY ACCOUNT?

Payments are deposited two business days after the voucher/invoice is processed. Saturdays, Sundays, and legal holidays are not considered business days.

4. HOW WILL I KNOW WHEN THE PAYMENT IS IN MY BANK ACCOUNT AND WHAT IT IS FOR?

Under the Vendor Direct program you will receive an e-mail notification two days prior to the day the payment will be credited to your designated account. The e-mail notification will come in the form of a remittance advice with the same information that currently appears on your check stub, and will contain the date that the funds will be credited to your account.

5. WHAT IF THERE IS A DISCREPANCY IN THE AMOUNT RECEIVED?

Please contact your Westchester County representative as you would have in the past if there were a discrepancy on a check received.

6. WHAT IF I DO NOT RECEIVE THE MONEY IN MY DESIGNATED BANK ACCOUNT ON THE DATE INDICATED IN THE E-MAIL?

In the unlikely event that this occurs, please contact the Westchester County Accounts Payable Department at 914-995-4708.

7. WHAT MUST I DO IF I CHANGE MY BANK OR MY ACCOUNT NUMBER?

Whenever you change any information or close your account a new Vendor Direct Payment Authorization Form must be submitted. Please contact the Westchester County Accounts Payable Department at 914-995-4708 and we will e-mail you a new form.

8. WHEN COMPLETING THE PAYMENT AUTHORIZATION FORM, WHY MUST I HAVE IT SIGNED BY A BANK OFFICIAL IF I DON'T INCLUDE A VOIDED CHECK?

This is to ensure the authenticity of the account being set up to receive your payments.
