

(BOND) ACT 73 - 2024
ACT 74 - 2024

Reference: BLA1A
(Unique ID# 2434)

**THE HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

DRAFT
IMA ON FILE

Your Committee is in receipt of a transmittal from the County Executive recommending approval of a bond act (the “Bond Act”), which if adopted, would authorize the County of Westchester (the “County”) to issue up to \$1,000,000 in bonds to finance a component of capital project BLA1A - Parkland and Historical Preservation Program (“BLA1A”). Also attached is an Act authorizing an inter-municipal agreement (“IMA”) with the Village of Larchmont (the “Village”).

Your Committee is advised that the Bond Act, prepared by the law firm of Hawkins Delafield & Wood LLP, would finance a portion of the cost of the construction of improvements to the Village of Larchmont’s Flint Park, including construction of a new artificial turf, fencing and bleachers, access paths and sport nets. This project is being funded through the Westchester Legacy Program.

The IMA, will set forth the responsibilities of the County and the Village in connection with the project. In accordance with the IMA, the County will contribute an amount not to exceed \$1,000,000 toward the aforementioned improvements at Flint Park, in exchange for Flint Park being open to all County residents.

Following bonding authorization, design will be scheduled and is anticipated to take one to two months to complete. It is estimated that construction will take five to eight months to complete and will begin after award and execution of the construction contracts. It is anticipated that the design work will be completed by a consultant to be engaged by the Village.

As your Honorable Board is aware, the Westchester Legacy Program is a County initiative to acquire, protect and enhance open space lands in Westchester County. To date, the Legacy Program is credited with preserving over 2,000 acres of open space in Westchester County. The acquired properties include linear parks, urban parks, active recreation facilities as well as large tracts of open space forever preserved in their natural state.

The Legacy Program was established to aggressively pursue land acquisition with three major priorities: 1) to preserve green space, protect our county's natural habitats and protect rivers, streams and lakes and to provide passive recreation areas; 2) to purchase park land for active recreation such as baseball and soccer fields, trailways and bike paths; and 3) to acquire land for historic preservation and protection of our cultural heritage.

Your Committee notes that this Honorable Board has previously authorized the County to issue bonds which have financed prior components of BLA1A as set forth in the attached fact sheet.

The Planning Department has advised your Committee that based on its review, the above referenced capital project may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQRA documentation and concurs with this recommendation.

Your Committee is further advised that since BLA1A is a "general fund" project, specific components are subject to a Capital Budget Amendment. Section 1 of the Bond Act authorizes an amendment to the County's Capital Budget to the extent the project scope is inconsistent with any details set forth in the current Capital Budget. Accordingly, the Bond Act, in addition to authorizing the issuance of bonds for this project, will also amend the current year Capital Budget to reflect the specific location of this project component.

In addition, section 167.131 of the County Charter mandates that a capital budget amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied to the Board of Legislators by a report of the Westchester County Planning Board (the "Planning Board") with respect to the physical planning aspects of the project. Accordingly, the Planning Board Report for BLA1A is annexed.

Please note that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act, while an affirmative vote of a majority of the voting strength of your Honorable Board is required to adopt the Act authorizing the IMA.

Based on the importance of this project to the County, your Committee recommends favorable action on the annexed Bond Act and Act authorizing the IMA.
