Dear Honorable Members of the Board:

I respectfully request that your Honorable Board adopt “A LOCAL LAW amending Section 177.41 of the Laws of Westchester County increasing the number of successive terms that can be served on the Women’s Advisory Board.”

The Women’s Advisory Board serves an important role in ensuring that issues impacting the lives of women in Westchester County are brought to the attention of our government and addressed in a manner that protects the equality for which women have fought. Now, more than ever, with women’s reproductive rights under attack from the United States Supreme Court, it is vital to have a robust, highly qualified, and experienced Women’s Advisory Board to help make sure that women’s rights are protected in Westchester.

As such, I request that your Honorable Board amend Section 177.41 of the Laws of Westchester County, in order to extend the number of successive terms that a member may serve on the Women’s Advisory Board from two to four. This change will permit the Women’s Advisory Board to retain experienced members who can help advise on the best path forward for protecting the rights of women in Westchester during these tumultuous times.

In light of the aforementioned, I respectfully request that this Honorable Board adopt the proposed legislation.

Sincerely,

George Latimer
