

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of the following:

- 1) An Act to amend the current-year capital budget ("Capital Budget Amendment") by modifying the method of financing for project RMF02 – Memorial Field, Mt. Vernon ("RMF02") and project BLA1A – Parkland and Historical Preservation Program ("BLA1A");
- 2) A bond act (the "Bond Act") which, if adopted, would authorize the County to issue bonds in the amount of \$10,000,000 to finance the cost of additional work associated with project RMF02; and
- 3) A Local Law (the "Local Law") authorizing the County to amend an intermunicipal agreement ("IMA") with the City of Mount Vernon (the "City") to reflect the additional work associated with project RMF02 and to increase to \$40,899,000.00 the County's commitment to finance the improvements to Memorial Field ("Property").

**The Capital Budget Amendment**

Your Committee is advised that the proposed Act for the Capital Budget Amendment will amend the County's current-year capital budget by increasing the County share for RMF02 by \$10,000,000 and reallocating \$2,000,000 in County-shares from project BLA1A to project RMF02.

**The Bond Act**

The Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood, will finance the cost of additional work associated with the construction of recreational improvements at the Memorial Field recreation facility in the City ("Memorial Field"). The additional work is necessary due to unforeseen site conditions, including: shallow bedrock which required additional rock drilling; debris and contaminated soil discovered throughout the site, which required proper removal and disposal; and unstable rock slope which required larger than anticipated rock removal to meet a stable rock face for the grandstand foundation. In addition, the project required design changes resulting from the unforeseen site conditions, including changes to the building foundations and a redesign of the drainage system. Further, it became necessary to relocate the scoreboard and its infrastructure to a more visible location than was originally shown on the plans to allow for advertising and income generating potentials for the City. Lastly, the additional funding is attributable to inflation, supply chain delays and cost increases due to Covid-19.

It should be noted that your Honorable Board has previously authorized the County to issue bonds to finance components of RMF02 as indicated in the annexed fact sheet and as follows:

(i) Bond Act No. 43-2020 in the amount of \$365,000 to finance installation of tennis courts at Memorial Field;

(ii) Bond Act No. 44-2020 in the amount of \$525,000 to finance the cost of the installation of a skate park at Memorial Field;

(iii) Bond Act No. 45-2020 in the amount of \$5,398,000 to finance a portion of the cost of the installation of an eight lane running track and bleacher seating with a capacity of approximately 3,900 spectators at Memorial Field;

(iv) Bond Act No. 46-2020 in the amount of \$5,398,000 to finance a portion of the cost of the installation of a multi-purpose synthetic turf field at Memorial Field; and

(v) Bond Act No. 7-2021, which amended Bond Act Nos. 43-2020, 44-2020, 45-2020 and 46-2020, to increase the total aggregate amount authorized by \$2,666,000, and consolidated said bond acts into one amended bond act in the total authorized amount of \$14,352,000.

### **The Local Law**

The Local Law would authorize the County to amend the IMA with the City to reflect the additional work associated with project RMF02 and to increase the County's commitment to finance the improvements to the Property to \$40,899,000.00.

By way of background, on January 5, 2009, your Honorable Board adopted Local Law No. 2-2009 authorizing the County to enter into the IMA with the City in order to lease the Property from the City for a term of fifteen (15) years. Your Honorable Board also adopted Bond Act No. 4-2009 authorizing the issuance of \$1,300,000 in County bonds to finance the design of the improvements to the Property. Subsequently, your Honorable Board adopted Bond Act No. 50-2010 authorizing the issuance of \$9,700,000 in County bonds to finance design and construction of these improvements.

The parties executed the IMA which required the City to undertake the design and construction of improvements to the Property. The County was required to reimburse the cost of the design and construction of those improvements up to an amount not to exceed \$9,700,000. The IMA provided that

the City could not deviate from the County-approved plans without the County's consent. Pursuant to the IMA the improvements included, but were not limited to: demolition of existing structures, stands and courts; construction of an illuminated synthetic turf football/soccer field; a natural turf illuminated soccer field; grandstands for 4,000 people; all-weather track; illuminated basketball court; new buildings to include a ticket booth, concession stand, bathrooms, press box with restroom and elevator, service building and locker rooms; replacement of concrete sidewalk; installation of chain link fencing; and associated infrastructure, site-work and landscaping (the "Project"). The IMA specifically provided that following construction, the City would be responsible for the operation, maintenance, scheduling and security of the Project at its own expense. In addition, the IMA required that the Project would be available to all Westchester County residents.

The County subsequently reimbursed the City a total of \$3,400,000, consisting of \$1,300,000 for design and \$2,100,000 for 25% of construction. However, the City violated the IMA by not constructing the Project, allowing unauthorized tennis courts to be constructed on the Property, and issuing a license to operate a tennis concession. The City also permitted approximately 18,000 tons of unknown dirt and debris to be dumped on the Property, resulting in a May 2017 New York State Department of Environmental Conservation ("NYSDEC") Consent Order requiring the City to perform testing and remediation of the Property.

On December 3, 2018, your Honorable Board adopted Local Law 2018-15 authorizing the County to amend the IMA ("First Amendment") to give the County responsibility for procuring final design services and construction of the Project. The First Amendment also gave the County control of all funds provided for the Project by the State of New York or governmental entities other than the City. The First Amendment was duly executed. The County's obligations under the First Amendment did not arise until the City remediated the Property to the full satisfaction of the NYSDEC and the County. The Property was subsequently remediated.

On April 14, 2020, your Honorable Board adopted Local Law 2020-4 authorizing the County to further amend the IMA ("Second Amendment") to revise the description of the Project including, but not limited to, the design, permitting, construction management and construction of: a multi-purpose synthetic turf field; an eight lane-running track and bleacher seating with a capacity of approximately 3,900; tennis courts; a skate park; and several buildings including, but not limited to, locker rooms, concessions, ticket sales, restrooms, security, and equipment storage; replacement of concrete sidewalk;

installation of chain link fencing; and associated infrastructure, site-work and landscaping, and other associated equipment and appurtenances as more particularly described in plans and specifications approved by the County Commissioner of Public Works and Transportation or the Commissioner's duly authorized designee. The Second Amendment also specified that the term of the IMA and lease, which commenced on December 24, 2008, will continue until the expiration of any bonds issued in connection with the IMA. Finally, in exchange for the Property being open to all County residents, the County agreed to finance the design, permitting, construction management and construction of the Project in a total amount not to exceed \$29,602,000.00. The Second Amendment also provided that if the Project costs exceed that amount, the City will be solely responsible for any additional amount. The Second Amendment was duly executed.

The County and the City propose to further amend the IMA to reflect the additional work to be performed by the County due to the above indicated unforeseen site conditions and to increase the County's commitment to finance the improvements to Memorial Field to a total aggregate amount of \$40,899,000.00. All other terms and conditions of the IMA, as previously amended, will remain in full force and effect.

The Local Law will require a public hearing be held. As such attached is a Resolution authorizing a public hearing as required by Section 209.141(4) of the Laws of Westchester County.

The Planning Department has reviewed the above referenced capital project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR). The Planning Department has advised your Committee that this Project was originally reviewed pursuant to SEQR by the City. In accordance with SEQR, the City classified this Project as a Type I action and circulated a notice of intent to serve as lead agency. A Negative Declaration was issued for the Project by the Mount Vernon Recreation Department in 2010. As per section 617.6(b)(3), since the City undertook coordinated review and the County was included as an involved agency, no further environmental review by the County was required. The current request is for an increase in funding to address unforeseen site conditions and a relocation of one of the proposed amenities within the project area. Since there will be no substantial changes in the scope of the project, the City's original Negative Declaration remains valid and no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

The Planning Department also reviewed the above referenced IMA amendment with respect to SEQR, noting that the City classified the overall Project as a Type I action and issued a Negative Declaration for the Project on April 27, 2010. The City undertook coordinated review and the County was included as an involved agency. The Project design, scope, associated costs and IMA were revised in 2020. The Planning Department reviewed the revised plans and amendments to the IMA and determined that they consisted of relatively minor alterations in design and included adequate mitigation for any potential environmental impacts from such changes. The Planning Department advised that the potential environmental impacts were substantially within the scope of the 2010 plans and the Negative Declaration issued by the City in 2010. As the current amendment to the IMA is limited to (1) providing for additional work to be performed by the County due to unforeseen site conditions, and (2) increasing the County's financial contribution to \$40,899,000, the Planning Department has advised that the potential environmental impacts remain substantially within the scope of the 2010 plans and the Negative Declaration issued by the City in 2010. As such, no further environmental review is required for the proposed legislation. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

The Planning Department has further advised your Committee that the Planning Board has previously reviewed this Project and issued a report, and that since there is no change in the scope of the work and this is simply a change in the financing plan, no further action by the Planning Board is necessary at this time.

Your Committee has carefully considered the proposed Capital Budget Amendment, the related Bond Act, and the Local Law to amend the IMA and recommends approval of all three, noting that the Bond Act and Local Law may only be enacted following adoption of the Capital Budget Amendment. It should also be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in

order to amend the County's Capital Budget and to adopt the Bond Act. As the IMA amendment involves a lease longer than ten years, adoption of the Local Law also requires a two-thirds vote pursuant to Section 104.11[5](e) of the County Charter.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR CAPITAL PROJECT:  
RMF02 RECONSTRUCTION OF MEMORIAL FIELD MT VERNON**

---

The Planning Department has reviewed the above referenced capital project (Fact Sheet Unique ID: 1885) with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

As detailed in the Planning Department's previous memorandum for capital project RMF02, dated February 13, 2020, this project was originally reviewed pursuant to SEQR by the City of Mount Vernon. In accordance with SEQR, the City classified this project as a Type I action and circulated a notice of intent to serve as lead agency. A Negative Declaration was issued for the project by the Mount Vernon Recreation Department in 2010. As per section 617.6(b)(3), since the City undertook coordinated review and the County of Westchester was included as an involved agency, no further environmental review by the County was required.

The current request is for an increase in funding to address unforeseen site conditions and a relocation of one of the proposed amenities within the project area. Since there will be no substantial changes in the scope of the project, the City's original Negative Declaration remains valid and no further environmental review is required.

SUBJECT: **STATE ENVIRONMENTAL QUALITY REVIEW FOR MEMORIAL FIELD  
MOUNT VERNON IMA AMENDMENT**

---

Pursuant to your request, the Planning Department has reviewed the above referenced action with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves an amendment to an intermunicipal agreement (IMA) with the City of Mount Vernon for the redevelopment of Memorial Field Stadium, a municipal park located on Sanford Boulevard in Mount Vernon, which is owned by the City of Mount Vernon. The agreement, which was executed in 2010, provided for County funding assistance, under the County's Westchester Legacy Program (capital project BLA01), towards the cost of design and construction of the redevelopment project and the City would be responsible for all aspects of undertaking the project.

Pursuant to SEQR, the City of Mount Vernon Recreation Department classified the overall project as a Type I action and issued a Negative Declaration for the project on April 27, 2010. The City undertook coordinated review and the County of Westchester was included as an involved agency. The project design, scope, associated costs and IMA were revised in 2020. The Planning Department reviewed the revised plans and amendments to the IMA and determined that they consisted of relatively minor alterations in design and included adequate mitigation for any potential environmental impacts from such changes. The Planning Department advised that the potential environmental impacts were substantially within the scope of the 2010 plans and the Negative Declaration issued by the City of Mount Vernon in 2010.

As the current amendment to the IMA is limited to (1) providing for additional work to be performed by the County due to unforeseen site conditions, and (2) increasing the County's financial contribution to \$40,899,000, the Planning Department advises that the potential environmental impacts remain substantially within the scope of the 2010 plans and the Negative Declaration issued by the City of Mount Vernon in 2010. No further environmental review is required for the proposed legislation.

RE: **Capital Budget Amendment –  
RMF02 Reconstruction of Memorial Field, Mount Vernon and  
BLA1A Parkland and Historical Preservation Program**

The County Executive is requesting an amendment to the 2022 Capital Budget to modify the funding of the above projects. Capital project RMF02 provides funding for the reconstruction of the 12 acre Memorial Field recreation facility in the City of Mount Vernon. Capital project BLA1A provides funding for land acquisition and improvements related to active recreation, preservation of open space, historic preservation and protection of our cultural heritage.

A Capital Budget Amendment is requested to increase the County share for RMF02 by \$10,000,000 and reallocating \$2,000,000 in County-shares from project BLA1A to RMF02.

Additional funds are being requested to finance the cost of additional work at Memorial Field which is necessary due to unforeseen site conditions, including: shallow bedrock which has required additional rock drilling, debris and contaminated soil discovered throughout the site which required proper removal and disposal, and unstable rock slope which required larger than anticipated rock removal to meet a stable rock face for the grandstand foundation. In addition, the unforeseen site conditions required changes to the building foundations and a redesign of the drainage system. Further, it became necessary to relocate the scoreboard and its infrastructure to a more visible location. Additional funds are also attributable to inflation, supply chain delays and cost increases due to Covid-19.

There are no changes to the physical planning aspects of this project as reviewed by the Board; therefore, no further action by your Board is necessary.

ACT NO.49-2022

BOND ACT AUTHORIZING THE ISSUANCE OF \$10,000,000 BONDS OF THE COUNTY OF WESTCHESTER, OR SO MUCH THEREOF AS MAY BE NECESSARY, TO FINANCE THE COST OF THE CONSTRUCTION OF IMPROVEMENTS AT THE MEMORIAL FIELD RECREATION FACILITY IN THE CITY OF MOUNT VERNON; STATING THE ESTIMATED MAXIMUM COST THEREOF IS \$10,000,000; STATING THE PLAN OF FINANCING SAID COST INCLUDES THE ISSUANCE OF \$10,000,000 BONDS HEREIN AUTHORIZED; AND PROVIDING FOR A TAX TO PAY THE PRINCIPAL OF AND INTEREST ON SAID BONDS.

(Adopted 04/25 , 2022 )

BE IT ENACTED BY THE COUNTY BOARD OF LEGISLATORS OF THE COUNTY OF WESTCHESTER, NEW YORK (by the affirmative vote of not less than two-thirds of the voting strength of said Board), AS FOLLOWS:

Section 1. Pursuant to the provisions of the Local Finance Law, constituting Chapter 33-a of the Consolidated Laws of the State of New York (the "Law"), the Westchester County Administrative Code, being Chapter 852 of the Laws of 1948, as amended, and to the provisions of other laws applicable thereto, and an Intermunicipal Agreement between the County and the city of Mount Vernon; \$10,000,000 bonds of the County, or so much thereof as may be necessary, are hereby authorized to be issued to finance the construction of improvements at the Memorial Field recreation facility in the city of Mount Vernon, including additional work due to unforeseen site conditions such as rock and contaminated soil removal and disposal, additional rock drilling for the grandstand foundation, unstable rock slope removal and disposal, and relocation of score board, as set forth in the County's Current Year Capital Budget, as amended. To the extent

that the details set forth in this act are inconsistent with any details set forth in the Current Year Capital Budget of the County, such Budget shall be deemed and is hereby amended. The estimated maximum cost of said specific object or purpose, including preliminary costs and costs incidental thereto and the financing thereof is \$10,000,000. The plan of financing includes the issuance of \$10,000,000 bonds herein authorized and any bond anticipation notes issued in anticipation of the sale of such bonds, the levy of a tax to pay the principal of and interest on said bonds and notes.

Section 2. The period of probable usefulness of said specific object or purpose, within the limitations of Section 11.00 a. 19(c) of the Law, is fifteen (15) years.

Section 3. Current funds are not required to be provided as a down payment pursuant to Section 107.00 d. 9. of the Law prior to issuance of the bonds authorized herein, or any bond anticipation notes issued in anticipation of the sale of such bonds. The County intends to finance, on an interim basis, the costs or a portion of the costs of said improvements for which bonds are herein authorized, which costs are reasonably expected to be reimbursed with the proceeds of debt to be incurred by the County, pursuant to this Act, in the maximum amount of \$10,000,000. This Act is a declaration of official intent adopted pursuant to the requirements of Treasury Regulation Section 1.150-2.

Section 4. The estimate of \$10,000,000 as the estimated total cost of the aforesaid specific object or purpose is hereby approved.

Section 5. Subject to the provisions of this Act and of the Law, and pursuant to the provisions of §30.00 relative to the authorization of the issuance of bond anticipation notes or the renewals thereof, and of §§50.00, 56.00 to 60.00 and 168.00 of said Law, the powers and duties of the County Board of Legislators relative to authorizing the issuance of any notes in anticipation of the sale of the bonds herein authorized, or the renewals thereof, relative to providing for

substantially level or declining annual debt service, relative to prescribing the terms, form and contents and as to the sale and issuance of the respective amounts of bonds herein authorized, and of any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and relative to executing agreements for credit enhancement, are hereby delegated to the Commissioner of Finance of the County, as the chief fiscal officer of the County.

Section 6. Each of the bonds authorized by this Act and any bond anticipation notes issued in anticipation of the sale thereof shall contain the recital of validity prescribed by §52.00 of said Local Finance Law and said bonds and any notes issued in anticipation of said bonds shall be general obligations of the County of Westchester, payable as to both principal and interest by general tax upon all the taxable real property within the County. The faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal of and interest on said bonds and any notes issued in anticipation of the sale of said bonds or the renewals of said notes, and provision shall be made annually in the budgets of the County by appropriation for (a) the amortization and redemption of the notes and bonds to mature in such year and (b) the payment of interest to be due and payable in such year.

Section 7. The validity of the bonds authorized by this Act and of any notes issued in anticipation of the sale of said bonds, may be contested only if:

(a) such obligations are authorized for an object or purpose for which the County is not authorized to expend money, or

(b) the provisions of law which should be complied with at the date of the publication of this Act or a summary hereof, are not substantially complied with, and an action, suit or proceeding contesting such validity, is commenced within twenty days after the date of such publication, or

(c) such obligations are authorized in violation of the provisions of the Constitution.

Section 8. This Act shall take effect in accordance with Section 107.71 of the Westchester County Charter.

**Overall Project Description**

The Legacy Program is designed to aggressively pursue land acquisition for three major objectives. One major objective is to purchase parkland for active recreation such as baseball and soccer fields, trailways and bike paths. A key component of the ball field initiative is to partner with municipalities on the acquisition and/or development of ball fields to maximize available funding. The development of RiverWalk, the proposed promenade along the Hudson River, is a key component of the Legacy Program. A second major objective is to preserve green space, protect our County's natural habitats and protect rivers, streams and lakes. The third objective is to preserve land for historic preservation and protection of our cultural heritage. This project continues Capital Project BLA01 Parkland Acquisition/ Westchester Legacy Program. This is a general fund, specific projects are subject to a Capital Budget Amendment.

~~INTRO~~  
**LOCAL LAW NO. 2022 - 184**

**ALOCAL LAW** authorizing the County of Westchester to enter into a third amendment to an intermunicipal agreement with the City of Mount Vernon for the design and construction of improvements to Memorial Field, in order to provide for additional work to be performed by the County due to the unforeseen site conditions and to increase the County's commitment to finance the improvements to a total amount of \$40,899,000.00.

**BE IT ENACTED** by the County Board of Legislators of the County of Westchester as follows:

**Section 1.** The County of Westchester (the "County") is hereby authorized to enter into a third amendment to an intermunicipal agreement (the "IMA") with the City of Mt. Vernon (the "City") for the design and construction of improvements to Memorial Field, in order to provide for additional work to be performed by the County due to unforeseen site conditions and increase the County's commitment to finance the improvements to a total amount of \$40,899,000.00.

**§2.** The third amendment to the IMA shall be substantially similar to the form attached hereto as Schedule A. Except as specifically amended hereby, all terms and conditions set forth in the IMA, as previously amended, shall remain the same.

**§3.** The County Executive or his authorized designee is empowered to execute any and all documents necessary and appropriate to effectuate the purposes hereof.

**§4.** This Act shall take effect immediately.

**SCHEDULE "A"**

**THIRD AMENDMENT TO INTERMUNICIPAL AGREEMENT**

THIS **THIRD AMENDMENT** made this        day of        , 2022 by and

between:

**THE COUNTY OF WESTCHESTER**, a municipal corporation of the State of New York, having an office and place of business in the Michaelian Office Building, 148 Martine Avenue, White Plains, New York 10601 (hereafter the "County")

and

**THE CITY OF MOUNT VERNON**, a municipal corporation of the State of New York, having an office and place of business located at 1 Roosevelt Square, MountVernon, New York 10550 (hereafter the "City")

**W I T N E S S E T H:**

**WHEREAS**, on December 24, 2008, the County and the City executed an agreement (the "Agreement") whereby the County agreed to assist in funding certain improvements to City-owned property known as Memorial Field located on Sandford Boulevard in the City and consisting of approximately twelve (12) acres (the "Property"); and

**WHEREAS**, the improvements to the Property were to include but not be limited to the design, permitting, construction management and construction of an illuminated synthetic turf football/soccer field; a natural turf illuminated soccer field; grandstands for 4,000 people; all-weather track; illuminated basketball court; new buildings to include a ticket booth, concession stand, bathrooms, press box with restroom and elevator, service building and locker rooms; replacement of concrete sidewalk; installation of chain link fencing; and associated infrastructure, site-work and landscaping, and other associated equipment and appurtenances as more particularly described in plans and specifications approved by the County Commissioner of Parks, Recreation and Conservation or the Commissioner's duly authorized designee (the "Project"); and

**WHEREAS**, pursuant to the Agreement, the City was responsible for completing the improvements in accordance with County-approved plans but has failed to do so; and

**WHEREAS**, the City constructed tennis courts which encroach on the area where the Project is to be constructed and

**WHEREAS**, the County paid the City \$3,400,000 comprised of \$1,300,000 for design and \$2,100,000 for 25% of construction, and the City currently holds \$700,000 in County funds; and

**WHEREAS**, the City permitted construction debris to be dumped on the Property, resulting in a New York State Department of Environmental Conservation (“NYSDEC”) Consent Order requiring the City to remediate; and

**WHEREAS**, the parties entered into a First Amendment dated December 5, 2018, whereby the County agreed to assume responsibility for constructing the Project after the City has remediated the Property to the full satisfaction of NYSDEC and the County; and

**WHEREAS**, the parties entered into a Second Amendment dated November 18, 2021, in order to revise the description of the improvements, specify that the term of the agreement will continue until the expiration of any County bonds issued in connection with the improvements, and increase to \$29,602,000.00 the County’s commitment to finance the improvements; and

**WHEREAS**, the parties desire to further amend the IMA in order to provide for additional work to be performed by the County due to unforeseen site conditions and increase to \$40,899,000.00 the County’s commitment to finance the improvements; and

**NOW, THEREFORE**, in consideration of the terms and conditions herein contained, the parties agree as follows:

1. The Agreement is amended to provide for additional work to be performed by the County due to unforeseen site conditions including: shallow bedrock which required additional rock drilling; debris and contaminated soil discovered throughout the site, which required proper removal and disposal; and unstable rock slope which required larger than anticipated rock removal to meet a stable rock face for the grandstand foundation. In addition, the project required design changes resulting from the unforeseen site conditions, including changes to the building foundations and a redesign of the drainage system. Further, it became necessary to relocate the scoreboard and its infrastructure to a more visible location than was originally shown on the plans to allow for advertising and income generating potential for the City.

2. The first paragraph of Section 2.2 of the Agreement is deleted and replaced by the following:

In exchange for the Property being open to all County residents, the County agrees to finance the design, permitting, construction management and construction of the Project in a total amount not to exceed FORTY MILLION EIGHT HUNDRED NINETY NINE THOUSAND DOLLARS (\$40,899,000.00). Should the Project costs exceed that amount, the Municipality shall be solely responsible for any additional amount.

3. Section 3.0 of the Agreement is deleted and replaced with the following:

Section 3.0. Subject to the terms and conditions of Section 2.0, the Municipality hereby leases to the County the exclusive right to use and occupy the Property for the purposes of issuing bonds to finance the design and construction of the Project. It is also recognized and understood that the County’s sole responsibility shall be to provide an amount not to exceed FORTY MILLION

EIGHT HUNDRED NINETY NINE THOUSAND DOLLARS (\$40,899,000.00). toward the design and construction of the Project, and the Municipality shall assume all other responsibilities for all other costs and expenses relating to the Project and the Property.

4. Except as otherwise provided herein all other terms and conditions of the Agreement, as amended, shall remain in full force and effect.

5. This Third Amendment shall not be enforceable until signed by both parties and approved by the Office of the County Attorney.

**IN WITNESS WHEREOF**, the parties hereto have executed this Third Amendment on the day and year first above written.
