HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmission from the County Executive recommending approval of a bond act (the "Bond Act") which, if adopted, will authorize the County of Westchester ("County") to issue \$750,000 in bonds to finance a component of capital project SPK95 - Pumping Station Rehabilitation Program – Peekskill SSD ("SPK95").

Your Committee is advised that the Bond Act, prepared by the law firm of Norton Rose and Fulbright, would provide construction funding to repair the foundation of the existing catwalk at the Water Street Pumping Station that connects the pumping station and the onsite storage tank. Work will include, but shall not be limited to: shoring of the existing catwalk pier foundation; stabilization of the existing embankment slope; installation of a new retaining wall around the pumping station's influent chamber; and restoration of the cathodic protection of the existing steel tank.

Your Committee is advised that the design of project SPK95 has been completed by outside consultants. It is estimated that construction of the project will take eight (8) months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized the County to issue bonds for an unrelated component of project SPK95 as set forth in the attached fact sheet.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

Your Committee is advised that an affirmative vote of two-thirds of the members of this Honorable Board is required in order to adopt the Bond Act. Your Committee has carefully considered the proposed Bond Act and recommends approval of same.

STATE ENVIRONMENTAL QUALITY REVIEW FOR CAPITAL PROJECT:

SPK95 Pumping Station Rehabilitation Program - Peekskill SSD

PROJECT/ACTION: Per Capital Project Fact Sheet as approved by the Planning Department on

04-04-2022 (Unique ID: 1888)

With respect to the State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617, the Planning Department recommends that no further environmental review is required for the proposed action, because the project or component of the project for which funding is requested may be classified as a **TYPE II action** pursuant to section(s):

- 617.5(c)(2): replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part;
- 617.5(c)(9): construction or expansion of a primary or accessory/appurtenant, nonresidential structure or facility involving less than 4,000 square feet of gross floor area and not involving a change in zoning or a use variance and consistent with local land use controls, but not radio communication or microwave transmission facilities.

COMMENTS: The scope of work involves the installation of rock-filled gabions and rip-rap covering an area approximately 10 feet wide by 80 feet long on the embankment adjacent to the Water Street Pumping Station, with added rip-rap around the pier footing for the catwalk, and a low gabion retaining wall, approximately 40 feet in length, at the base of the slope to resolve erosion and sedimentation issues.

ACT NO. ___80 __ - 2022

BOND ACT DATED _____ June 27, 2022.

A BOND ACT AUTHORIZING THE ISSUANCE OF \$750,000 BONDS OF THE COUNTY OF WESTCHESTER, NEW YORK, TO FINANCE CONSTRUCTION FUNDING FOR THE REPAIR OF THE FOUNDATION OF THE EXISTING CATWALK AT THE WATER STREET PUMPING STATION THAT CONNECTS THE PUMPING STATION AND THE ONSITE STORAGE TANK.

BE IT ENACTED, by the Board of Legislators of the County of Westchester, New York, by the affirmative vote of not less than two thirds of the entire voting strength thereof, as follows:

Section 1. For the class of objects or purposes of financing construction funding for the repair of the foundation of the existing catwalk at the Water Street Pumping Station that connects the pumping station and the onsite storage tank, in and for the County's Peekskill Sanitary Sewer District, including, but not limited to, shoring of the existing catwalk pier foundation, stabilization of the existing embankment slope, installation of a new retaining wall around the pumping station's influent chamber, and restoration of the cathodic protection of the existing steel tank, there are hereby authorized to be issued \$750,000 bonds of said County pursuant to the provisions of the Local Finance Law. Section 2. It is hereby determined that the maximum estimated cost of the aforesaid class of objects or purposes is \$750,000, and that the plan for the financing thereof is by the issuance of the \$750,000 bonds of said County authorized to be issued pursuant to this Bond Act.

Section 3. It is hereby determined that the period of probable usefulness of the aforesaid class of objects or purposes is forty years, pursuant to subdivision four of paragraph a of Section 11.00 of the Local Finance Law.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Commissioner of Finance, the chief fiscal officer. Such notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance, consistent with the provisions of the Local Finance Law.

Section 5. The faith and credit of the County of Westchester, New York are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. To the extent not paid from the assessment of properties assessable for this purpose in the Peekskill Sanitary Sewer District, or other sources, there shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 6. Such bonds shall be in fully registered form and shall be signed in the name of the County of Westchester, New York, by the manual or facsimile signature of the Commissioner of Finance and a facsimile of the corporate seal shall be imprinted or impressed thereon and may be attested by the manual or facsimile signature of the County Clerk.

Section 7. The receipt of the Commissioner of Finance shall be a full acquittance to the purchaser of such bonds, who shall not be obliged to see to the application of the purchase money.

Section 8. The Commissioner of Finance is hereby further delegated the power to authorize the sale and issuance of the bonds authorized pursuant to this Bond Act (a) at a discount in the manner authorized by paragraphs e and f of Section 57.00 of the Local Finance Law, (b) at private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, including the private sale of bonds at a premium, (c) as capital appreciation bonds or term bonds at public sale or private sale pursuant to the applicable provisions of the Local Finance Law and any regulations of the New York State Comptroller appertaining thereto, and (d) at a variable rate of interest in the manner authorized by Section 54.90 of the Local Finance Law, including notes issued in anticipation thereof. The Commissioner of Finance is hereby authorized to enter into such agreements as said Commissioner of Finance shall determine reasonable and necessary to facilitate the issuance, sale, resale and, or repurchase of such bonds or notes pursuant to the provisions of Section 54.90 of the Local Finance Law. Such bonds and, or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Commissioner of Finance.

Section 9. The power to issue and sell notes to the New York State Environmental Facilities Corporation pursuant to Section 169.00 of the Local Finance Law is hereby delegated to

the Commissioner of Finance. Such notes shall be of such terms, form and contents as may be prescribed by said Commissioner of Finance consistent with the provisions of the Local Finance Law.

Section 10. The Commissioner of Finance is hereby further authorized, at his or her sole discretion, to execute a project financing and loan agreement, and any other agreements with the New York State Department of Environmental Conservation and/or the New York State Environmental Facilities Corporation, including amendments thereto, and including any instruments (or amendments thereto) in the effectuation thereof, in order to effect the financing or refinancing of the class of objects or purposes described in Section 1 hereof, or a portion thereof, by a bond, and, or note issue of said County in the event of the sale of same to the New York State Environmental Facilities Corporation.

Section 11. The intent of this Bond Act is to give the Commissioner of Finance sufficient authority to execute those applications, agreements, instruments or to do any similar acts necessary to effect the issuance of the aforesaid bonds and, or notes without resorting to further action of this Board of Legislators.

Section 12. All other matters, except as provided herein relating to such bonds, including determining whether to issue such bonds having substantially level or declining annual debt service and all matters related thereto, prescribing whether manual or facsimile signatures shall appear on said bonds, prescribing the method for the recording of ownership of said bonds, appointing the fiscal agent or agents for said bonds, providing for the printing and delivery of said bonds (and if said bonds are to be executed in the name of the County by the facsimile signature of the Commissioner of Finance, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, denominations, maturities and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Commissioner of Finance. It is hereby determined that it is to the financial advantage of the County not to impose and collect from registered owners of such bonds any

charges for mailing, shipping and insuring bonds transferred or exchanged by the fiscal agent, and, accordingly, pursuant to paragraph c of Section 70.00 of the Local Finance Law, no such charges shall be so collected by the fiscal agent. Such bonds shall contain substantially the recital of validity clause provided for in section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals in addition to those required by section 52.00 of the Local Finance Law, as the Commissioner of Finance shall determine.

- 3) Such obligations are authorized in violation of the provisions of the Constitution.
- Section 14. This Bond Act shall constitute a statement of official intent for purposes of Treasury Regulations Section 1.150 2. Other than as specified in this Bond Act, no moneys are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the object or purpose described herein.
- Section 15. This Bond Act, which shall take effect immediately in accordance with the provisions of Section 33.10 of the Local Finance Law and as provided in Section 107.71 of the Westchester County Charter, shall be published in summary form in the official newspaper of said County for purposes of this Bond Act, together with a notice of the Clerk of the Board of Legislators in substantially the form provided in Section 81.00 of the Local Finance Law.
