Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of \$503,000 to finance a component of the following capital project:

WCC83 – Infrastructure Upgrade - Various Buildings ("WCC83").

The Bond Act, in the amount of \$503,000, would finance the County's 50% share of design and construction for Phase IV of the Infrastructure Upgrade - Various Buildings project at Westchester Community College (the "College"). The College has advised that the total cost of Phase IV is \$1,006,000, of which 50% will be funded by New York State (\$503,000) and 50% by the County. This phase will address the infrastructure at Hartford Hall, the Student Center and the Bookstore. The work to be performed at Hartford Hall will include the building site and envelope; interior components, as well as mechanical, plumbing and electrical systems. The work to be performed at the Student Center and Bookstore will include complete upgrades to the mechanical and electrical systems. These upgrades are critical to maintaining the infrastructure and operational efficiency of these buildings.

Following bonding authorization, design will be scheduled and is anticipated to take twelve (12) months to complete and will be performed by outside consultants. It is estimated that construction will take eighteen (18) months to complete and will begin after award and execution of the construction contracts.

It should be noted that your Honorable Board has previously authorized bonding in connection with Phases I, II and III of this project which financed infrastructure upgrades at the College's Physical Education Building, Library Building, the Knollwood Center and the Children's Center.

The Planning Department has advised that based on its review, the above-referenced capital project has been classified as a "Type II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no further environmental review is required. As you know, your Honorable Board may use such expert advice to reach its own conclusion.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,
