

**HONORABLE BOARD OF LEGISLATORS  
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$503,000, to finance a component of capital project WCC83 – Infrastructure Upgrade – Various Buildings ("WCC83").

The Bond Act, prepared by the law firm of Hawkins Delafield and Wood, LLP, would finance the County's 50% share of design and construction for Phase IV of the Infrastructure Upgrade - Various Buildings project at Westchester Community College (the "College"). The College has advised that the total cost of Phase IV is \$1,006,000, of which 50% will be funded by New York State (\$503,000) and 50% by the County. This phase will address the infrastructure at Hartford Hall, the Student Center and the Bookstore. The work to be performed at Hartford Hall will include the building site and envelope; interior components, as well as mechanical, plumbing and electrical systems. The work to be performed at the Student Center and Bookstore will include complete upgrades to the mechanical and electrical systems. These upgrades are critical to maintaining the infrastructure and operational efficiency of these buildings.

Following bonding authorization, design will be scheduled and is anticipated to take twelve (12) months to complete and will be performed by outside consultants. It is estimated that construction will take eighteen (18) months to complete and will begin after award and execution of the construction contracts.

Your Committee notes that your Honorable Board has previously authorized bonding in connection with Phase I, Phase II and Phase III of this project which financed infrastructure upgrades at the College's Physical Education Building, Library Building, the Knollwood Center and the Children's Center.

The Planning Department has advised your Committee that based on its review, the above-referenced capital project has been classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR

Part 617. Therefore, no further environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this conclusion.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.
