HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending the enactment of the following:

Land Purchase and Conveyance. An Act (the "Land Acquisition Act") to authorize the purchase and subsequent conveyance of approximately +/- 1.74 acres of real property located at 2 & 8 Grove Street, 102 & 126 South Terrace Avenue and 111 & 115 South MacQuesten Parkway (the "Property") in the City of Mount Vernon (the "City") to The NRP Group LLC, its successors or assigns (the "Developer"), as part of the County's program to support the creation of affordable housing units that affirmatively further fair housing (the "Affordable AFFH Units"). The Land Acquisition Act also authorizes the County to grant and accept any property rights necessary in furtherance thereof.

Acquisition Financing. A New Homes Land Acquisition Bond Act (the "NHLA Bond Act"), prepared by the firm of Hawkins Delafield & Wood LLP, to authorize the issuance of bonds of the County in a total amount not to exceed \$6,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. The Department of Planning ("Planning") has advised that subject to the receipt of approval of your Honorable Board, the proposed NHLA Bond Act will authorize an amount not to exceed \$6,000,000 to purchase the Property from the current owner to create two hundred ninety-nine (299) Affordable AFFH Units for rent (the "Development"). The Developer will also construct two hundred fifty-three (253) parking spaces for use by the Affordable AFFH residents.

Upon acquisition, the County will file a Declaration of Restrictive Covenants against the Property, to require that the proposed Affordable AFFH Units be marketed and leased in accordance with an approved affordable fair housing marketing plan to households earning at or below 40% and up to 80% of the Westchester County area median income and will remain affordable for a period of not less than fifty (50) years noting that the income limits are subject to change based on the median income levels at the time of initial occupancy and subsequent occupancies, as established by the U.S. Department of Housing and Urban Development. Of the

total of 315 units to be constructed by the Developer, the remaining 16 units will be marketed to households that earn at or below 90% of AMI. The Affordable AFFH Units, funded by the County NHLA Bond Act are required to be marketed to households that earn at or below 80% of AMI.

In accordance with the Land Acquisition Act, the County will subsequently convey the Property to the Developer for ONE (\$1.00) DOLLAR to construct the two hundred ninety-nine (299) Affordable AFFH Units for rent. The Development will consist of two towers of thirteenstories and nine stories each over a three-story base, and will contain the affordable AFFH Units as well as the two hundred fifty-three (253) parking spaces to be utilized by the AFFH residents of a total of two hundred eighty-three (283) parking spaces.

Your Committee has been advised that additional funds for the Development are anticipated to be provided from Tax Exempt Bonds issued by New York State Housing Finance Agency, Federal and State Low Income Housing Tax Credits allocated by New York State Homes and Community Renewal ("HCR"), HCR Subsidy, Brownfield Tax Credits, and Empire State Development Momentum Fund and/or Westchester County Housing Flex Fund subsidy for an estimated total development cost of approximately \$207.83 Million.

As your Honorable Board is aware, no action may be taken with regard to the proposed legislation until the requirements of the State Environmental Quality Review ("SEQR") Act have been met. Planning has advised that the City classified the proposed Development as a Type I action pursuant to 6 NYCRR 617.6(b)(3) of the SEQR implementing regulations, acted as lead agency and issued a Negative Declaration for the Development on September 8, 2021. Your Committee has been advised that because the City undertook a coordinated review pursuant to SEQR and the County was included in the process, no further environmental review is required by the County. Your Committee has reviewed the attached analysis prepared by Planning and concurs with this conclusion.

Your Committee has been further advised that on August 1, 2023, the Westchester County

Planning Board (the "Planning Board") adopted Resolution No. 23-10 that recommends funding for the purchase and conveyance of the Property. In addition, Section 167.131 of the County Charter mandates that a Capital Budget Amendment that introduces a new capital project or changes the location, size or character of an existing capital project be accompanied by a report of the Planning Board with respect to the physical planning aspects of the project. Accordingly, the necessary Planning Board report for BPL30 has been annexed. In addition, the report of the Commissioner of Planning is annexed pursuant to Section 191.41 of the Westchester County Charter.

Based on the importance of creating more affordable housing units that affirmatively further fair housing in the County, your favorable action on the annexed Acts is respectfully requested, noting that the Land Acquisition Act and the NHLA Bond Act require the affirmative vote of two-thirds of the members of your Honorable Board.

STATE ENVIRONMENTAL QUALITY REVIEW FOR

BPL30 NEW HOMES LAND ACQUISITION II

115 SOUTH MACQUESTEN PARKWAY, MOUNT VERNON

Pursuant to your request, Environmental Planning staff has reviewed the above referenced project with respect to the State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617 (SEQR).

The action involves the provision of County funding under capital project BPL30 - New Homes Land Acquisition II (Fact Sheet ID #2427) - to facilitate the development of affordable housing at 2 & 8 Grove Street, 102 & 126 South Terrace Avenue and 111 & 115 South MacQuesten Parkway (collectively referred to as 115 South MacQuesten Parkway) in the City of Mount Vernon. County funds will be applied towards the purchase of approximately 1.74 acres of property, which will be transferred to a developer, who will create approximately 315 units of rental housing, of which 299 units will be affordable and affirmatively further fair housing. The project will include the construction of two towers of thirteen and nine stories over a three-story podium, with residential amenities, as well as community programming, recreational and commercial spaces on the ground floor. The development will also provide approximately 273 internal parking spaces.

In accordance with SEQR, the City of Mount Vernon Planning Board classified this project as a Type I action. On March 4, 2021, the City Planning Board issued a notice of intent to serve as lead agency and circulated Part 1 of a Full Environmental Assessment Form. On September 8, 2021, the City Planning Board issued a Negative Declaration for the project. Since the City undertook coordinated review and the County of Westchester was included in the coordinated review process, then, in accordance with section 617.6(b)(3), no further environmental review is required by the County.

Please do not hesitate to contact me if you have any questions regarding this matter.

Acquisition of Real Property - 2 & 8 Grove Street, 102 & 126 South

Terrace Avenue and 111 & 115 South MacQuesten Parkway -City of

Mount Vernon

Pursuant to Section 191.41 of the County Charter, submitted herewith is the required report of the Commissioner of Planning on the proposed acquisition and subsequent conveyance of +/-1.74 acres of real property located at 2 & 8 Grove Street, 102 & 126 South Terrace Avenue and 111 & 115 South MacQuesten Parkway in the City of Mount Vernon, identified on the City tax maps as Section 164.75: Block 1060; Lots: 1, 2, 3, 6, 8 & 29 (the "Property") for the purpose of creating 299 affordable housing units (the "Affordable AFFH Units"), that will affirmatively further fair housing ("AFFH"). The development will also provide approximately 273 parking spaces with 253 parking spaces set aside for the AFFH units.

The County of Westchester ("the County") intends to finance the purchase of the Property from the current owner in an amount not to exceed \$6,000,000 as a part of Capital Project BPL30 New Homes Land Acquisition II. Upon acquisition of the Property, the County will file a Declaration of Restrictive Covenants to require that the Affordable AFFH Units are marketed and leased in accordance with an approved affirmative fair housing marketing plan and will remain available to eligible households for a period of not less than 50 years. The County will then convey ownership of the Property to The NRP Group LLC (the "Developer"), its successors or assigns, for One (\$1.00) Dollar.

The Developer proposes to construct two towers of thirteen-stories and nine stories over a three story base on the Property that will include a mix of affordable studio, one, two and three bedroom rental apartments that will be leased to households who earn at or below 40% and up to 80% of the area median income (collectively the "Development").

I recommend funding for acquisition and conveyance of the Property for the following reasons:

- 1. The acquisition of this Property will advance the County's efforts to provide fair and affordable housing;
- 2. The acquisition and subsequent conveyance of the Property to develop fair and

affordable housing is consistent with development policies adopted by the County Planning Board as set forth in Westchester 2025 - Context for County and Municipal Planning in Westchester County and Policies to Guide County Planning, adopted May 6, 2008, and amended January 5, 2010, and the recommended strategies set forth in Patterns for Westchester: The Land and the People, adopted December 5, 1995;

- 3. The Development is proposed to include green technology, such as energy efficient appliances, lighting and heating systems and water-conserving fixtures to reduce operating and maintenance costs, minimize energy consumption and conserve natural resources. A green roof will be installed to minimize runoff from rainfalls. The Development is designed to meet the green building standards of LEED;
- 4. The Development is consistent with the land use policies and regulations of the City of Mount Vernon; and
- 5. On August 1, 2023, the County Planning Board adopted a resolution to recommend County financing towards the purchase the Property to support the Development.

Project Description

This is a continuation of project BPL10 New Homes Land Acquisition Fund (NHLA). NHLA provides funds to acquire property for the construction of fair and affordable housing. The purpose of the Fund is to increase the inventory of available properties for fair and affordable housing development. In addition to the acquisition cost of properties, other costs associated with, and often required for, site acquisition may be considered eligible costs to be funded through the NHLA program. Such associated costs may include, but are not limited to, closing costs, appraisals, property surveys, environmental assessments, hazardous materials reports and demolition of existing structures. Demolition may be particularly critical in the County's urban areas where existing structures need to be removed to allow construction of fair and affordable units. Funds can be used in all municipalities. This is a general fund, specific projects are subject to a Capital Budget Amendment.
