HONORABLE BOARD OF LEGISLATORS THE COUNTY OF WESTCHESTER, NEW YORK

Your Committee is in receipt of a transmittal from the County Executive recommending approval by the County of Westchester ("County") of a bond act ("Bond Act") in the amount of \$1,250,000 to finance capital project T0056 – Bus Stop Improvements II ("T0056"). The Bond Act, which was prepared by the law firm Hawkins, Delafield & Wood, will finance the cost of construction of bus stop improvements throughout the County, including installation of replacement bus shelters and other bus stop related improvements.

The Department of Public Works & Transportation ("Department") has advised that the Bee-Line bus system is served by over 3,000 bus stops. This on-going project will address needed repairs and improvements to a number of these stops.

The Planning Department has advised your Committee that based on its review, T0056 may be classified as a Type "II" action pursuant to the State Environmental Quality Review Act ("SEQR") and its implementing regulations, 6 NYCRR Part 617. Therefore, no environmental review is required. Your Committee has reviewed the annexed SEQR documentation and concurs with this recommendation.

It should be noted that an affirmative vote of two-thirds of the members of your Honorable Board is required in order to adopt the Bond Act. Your Committee recommends the adoption of the proposed Bond Act.

Section 8. This Act shall take effect in accordance with Section 107.71 of the Westchester County Charter.
