Westchester County Board of Legislators  
800 Michaelian Office Building  
148 Martine Avenue  
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Attached hereto for your consideration is "A LOCAL LAW amending the Laws of Westchester County with respect to a Tax Exemption for Volunteer Firefighters and Volunteer Ambulance Services Members."

Volunteer firefighters and ambulance workers provide a significant benefit to residents and taxpayers through their countless hours of service protecting our communities. Accordingly, New York State Real Property Tax Law ("Real property Tax Law") Section 466-d authorized Westchester County and its cities, towns and villages to adopt local laws exempting a portion of the real property owned by a volunteer firefighter or volunteer ambulance service member from taxation. In 2008, Westchester County enacted Chapter 475 of the Laws of Westchester County authorizing a ten (10) percent tax exemption for volunteer firefighters and volunteer ambulance service members with five (5) or more years of service. Other sections of the Real Property Tax Law authorized other counties to enact local laws authorizing such a tax exemption as well.

As of 2022, according to New York State, less than half of counties in New York were authorized to provide this local property tax exemption benefit. Therefore, by Chapter 670 of the Laws of 2022, the state legislature amended the Real Property Tax Law by the addition of a new Section 466-a that authorized any county as well as any city, village, town, school district, or fire district, to adopt a local law exempting a portion of the real property owned by a volunteer firefighter or volunteer ambulance service member from taxation, and repealing Section 466-d (as well as the similar sections that applied to other counties). Section 466-a now provides a uniform, statewide, option for all local governments to offer up to a 10% exemption of assessed value to eligible volunteers. The bill exempted up to 10% of the assessed value for members who served a minimum of two years (instead of five) and required localities that currently provide the exemption to adopt a local law by December 9, 2025, to conform to Chapter 670 of the Laws of 2022. By expanding the opportunity to provide this critical tax exemption, it will help improve recruitment and retention of our volunteer fire and ambulance services.

If adopted, the attached Local Law would repeal the current Chapter 475 of the Laws of Westchester County and enact a new Chapter 475. Subject to the limitations provided for in the enabling legislation, the new Chapter 475 of the Laws of Westchester County would authorize a ten (10) percent exemption from County real property taxes for volunteer firefighters and volunteer ambulance service members. Only volunteer firefighters and volunteer ambulance service members with two or more years of service would be eligible for the exemption. Additionally, the exemption would apply only if the applicant resides in the city, town or village served by the volunteer fire company or volunteer ambulance service and would be limited to properties that are the applicant's primary residence and the portions of such a primary residence that are used exclusively for residential purposes.

The attached Local Law would also provide such tax exemption to un-remarried spouses of deceased volunteer firefighters and volunteer ambulance service members and such members killed in the line of duty under certain circumstances. The law also provides that any member with more than 20 years of service shall be granted a lifetime tax exemption.

Your Committee is advised that the proposed Local Law does not meet the definition of an action under New York State Environmental Quality Review Act ("SEQRA") and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning, dated January 12, 2023, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

I recommend the approval of the attached Local Law.

Sincerely,

George Latimer  
County Executive

TO: BOARD OF LEGISLATORS  
COUNTY OF WESTCHESTER

Your Committee is in receipt of a communication from the County Executive recommending adoption of “A LOCAL LAW amending the Laws of Westchester County with respect to a Tax Exemption for Volunteer Firefighters and Volunteer Ambulance Services Members.”

Your Committee recognizes that volunteer firefighters and ambulance workers provide a significant benefit to residents and taxpayers through their countless hours of service protecting our communities. Accordingly, New York State Real Property Tax Law (“Real property Tax Law”) Section 466-d authorized Westchester County and its cities, towns and villages to adopt local laws exempting a portion of the real property owned by a volunteer firefighter or volunteer ambulance service member from taxation. In 2008, Westchester County enacted Chapter 475 of the Laws of Westchester County authorizing a ten (10) percent tax exemption for volunteer firefighters and volunteer ambulance service members with five (5) or more years of service. Other sections of the Real Property Tax Law authorized other counties to enact local laws authorizing such a tax exemption as well.

Your Committee is informed that, as of 2022, according to New York State, less than half of counties in New York were authorized to provide this local property tax exemption benefit. Therefore, by Chapter 670 of the Laws of 2022, the state legislature amended the Real Property Tax Law by the addition of a new Section 466-a that authorized any county as well as any city, village, town, school district, or fire district, to adopt a local law exempting a portion of the real property owned by a volunteer firefighter or volunteer ambulance service member from taxation, and repealing Section 466-d (as well as the similar sections that applied to other counties). Section 466-a now provides a

uniform, statewide, option for all local governments to offer up to a 10% exemption of assessed value to eligible volunteers. The bill exempted up to 10% of the assessed value for members who served a minimum of two years (instead of five) and required localities that currently provide the exemption to adopt a local law by December 9, 2025, to conform to Chapter 670 of the Laws of 2022. By expanding the opportunity to provide this critical tax exemption, it will help improve recruitment and retention of our volunteer fire and ambulance services.

Your Committee has been advised that, if adopted, the attached Local Law would repeal the current Chapter 475 of the Laws of Westchester County and enact a new Chapter 475. Subject to the limitations provided for in the enabling legislation, the new Chapter 475 of the Laws of Westchester County would authorize a ten (10) percent exemption from County real property taxes for volunteer firefighters and volunteer ambulance service members. Only volunteer firefighters and volunteer ambulance service members with two or more years of service would be eligible for the exemption. Additionally, the exemption would apply only if the applicant resides in the city, town or village served by the volunteer fire company or volunteer ambulance service and would be limited to properties that are the applicant's primary residence and the portions of such a primary residence that are used exclusively for residential purposes.

Your Committee has further been informed that the attached Local Law would also provide such tax exemption to un-remarried spouses of deceased volunteer firefighters and volunteer ambulance service members and such members killed in the line of duty under certain circumstances. The law also provides that any member with more than 20 years of service shall be granted a lifetime tax exemption.

Your Committee is advised that the proposed Local Law does not meet the definition of an action under New York State Environmental Quality Review Act (“SEQRA”) and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning, dated January 12, 2023, which is on file with the Clerk of the Board of Legislators. Your Committee concurs in this conclusion.

Based on the foregoing, your Committee recommends the passage of this Local Law.

LOCAL LAW NO. -2023

A LOCAL LAW amending the Laws of Westchester with respect to a Tax Exemption for Volunteer Firefighters and Volunteer Ambulance Service Members.

BE IT ENACTED by the County Board of the County of Westchester as follows:

Section 1. Chapter 475 of the Laws of Westchester County is hereby repealed.

Section 2. A new Chapter 475 is hereby added to the Laws of Westchester County to read as follows:

**Chapter 475 – Tax Exemption for Volunteer Firefighters  
and Volunteer Ambulance Service Members**

**Sec. 475.01. Purpose**

The purpose of this Chapter is to provide volunteer firefighters and volunteer ambulance service members, who are qualified real property owners, with the tax exemption authorized by Section 466-a of the Real Property Tax Law, and to continue this exemption in the case of certain unremarried spouses of deceased volunteers pursuant to that law. The exemptions authorized by this Chapter are subject to all the qualifications and limitations set forth in Section 466-a of the Real Property Tax Law.

**Sec. 475. 11. Exemption**

Real property owned by an enrolled member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service or such enrolled member and spouse residing in the County of Westchester shall be exempt from taxation to the extent of up to ten percent of the assessed value of such property for county purposes, and county special district purposes other than sewer purposes, exclusive of special assessments.

Sec. 475.21. Qualifications and Limitations upon Exemption.

Such exemption shall not be granted to an enrolled member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service residing in the County of Westchester unless:

- (a) the applicant resides in the city, town, or village which is served by such incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service;
- (b) the property is the primary residence of the applicant;
- (c) the property is used exclusively for residential purposes; provided however, that in the event any portion of such property is not used exclusively for the applicant's residence but is used for other purposes, such portion shall be subject to taxation and the remaining portion only shall be entitled to the exemption provided by this Chapter;
- (d) the applicant has been certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or voluntary ambulance service as an enrolled member of such incorporated volunteer fire company, fire department, or voluntary ambulance service for at least two years. It shall be the duty of each incorporated volunteer fire company, fire department, and incorporated voluntary ambulance service to file an affidavit of a responsible officer annually, prior to the applicable taxable status date, with the assessor or other appropriate agency, department, or office of each assessing unit served by such incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service listing its enrolled members with two or more years of service.

Sec. 475.31. Lifetime Exemption

Any enrolled member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service who accrues more than twenty years of active service and is so certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service, shall be granted the ten percent exemption as authorized by this section for the remainder of his or her life as long as his or her primary residence is located within the County of Westchester.

Sec. 475.41. Continuation of exemption for un-remarried spouse of a deceased volunteer firefighter or volunteer ambulance worker killed in the line of duty.

The exemption authorized by this Chapter shall be continued for the un-remarried spouse of a deceased member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service, killed in the line of duty; provided, that:

- (a) such un-remarried spouse is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service as an un-remarried spouse of an enrolled member of such incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service who was killed in the line of duty; and
- (b) such deceased volunteer had been an enrolled member for at least five years; and
- (c) such deceased volunteer had been receiving the exemption prior to his or her death.

Sec. 475.51. Continuation of exemption for un-remarried spouse of a deceased volunteer firefighter or volunteer ambulance worker who had been an enrolled member for at least twenty years.

The exemption authorized by this Chapter shall be continued for the un-remarried spouse of a deceased member of an incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service, who had been an enrolled member for at least twenty years provided that:

- (a) Such un-remarried spouse of deceased volunteer firefighter or volunteer ambulance worker is certified by the authority having jurisdiction for the incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service as an un-remarried spouse of a deceased enrolled member of such incorporated volunteer fire company, fire department, or incorporated voluntary ambulance service; and
- (b) such deceased volunteer had been an enrolled member for at least twenty years; and
- (c) such deceased volunteer and un-remarried spouse had been receiving the exemption for such property prior to the death of such volunteer.
