RE: **Message Requesting Immediate Consideration: Act – NYSOFA Grant

This will confirm my request that the Board of Legislators allow submission of the referenced communication to be submitted to the Board of Legislators June 3, 2024 Agenda.

Transmitted herewith for your review and approval is an act (the “Act”) which, if adopted by your Honorable Board, would authorize the County of Westchester (the “County”), acting by and through its Department of Senior Programs and Services (the “Department”), to enter into inter-municipal agreements (“IMAs”) with the municipalities listed in Exhibit “A” attached to the Act (the “Municipalities”), for services to be funded with grants received from the New York State Office for the Aging (“NYSOFA”).

Therefore, since this communication is of the utmost importance, it is respectfully submitted that the County Board of Legislators accepts this submission for June 3, 2024 “blue sheet” calendar.

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is an act (the "Act") which, if adopted by your Honorable Board, would authorize the County of Westchester (the "County"), acting by and through its Department of Senior Programs and Services (the "Department"), to enter into inter-municipal agreements ("IMAs") with the municipalities listed in Exhibit "A" attached to the Act (the "Municipalities"), for services to be funded with grants received from the New York State Office for the Aging ("NYSOFA") under Titles III-B, III-C and the Nutrition Services Incentive Program ("NSIP") of the Older Americans Act of 1965, as amended ("OAA"). Each of the IMAs will be for terms corresponding to the terms of the grant agreements between NYSOFA and the County ("Grant Agreements"), commencing retroactively on January 1, 2024 and continuing through December 31, 2024, except for the IMAs for the provision of NSIP services, which terms will commence retroactively on October 1, 2023 and continue through September 30, 2024. The IMAs funded with grants received from NYSOFA under the Grant Agreements will be in the total aggregate not-to-exceed amounts set forth below:

IMAs

Title III-B	Title III-C & NSIP
\$230,021	\$1,373,856

The services to be provided under the IMAs with the funds received under OAA for Titles III-B and III-C and NSIP are as follows: (i) nutrition services, such as congregate and home delivered meals; (ii) regional kitchen equipment, supplies, repairs and vehicle expenses; and (iii) transportation services, to help seniors remain in their homes and community (collectively, the "Services").

It should be noted that, by resolution approved on February 22, 2024, the Westchester County Board of Acquisition and Contract duly authorized the Department to enter into the Grant Agreements with NYSOFA.

The Department has complied with the Westchester County Procurement Policy and Procedures (the "Policy"), noting that the IMAs are exempt from procurement pursuant to section 3(a) iii of the Policy, which exempts contracts with "... any State and any political subdivision, agency or instrumentality thereof," and pursuant to section 3(a) xix of the Policy, which exempts "any procurement for the purpose of entering into a contract with persons to provide direct services to senior citizens."

Notwithstanding that the procurement for the Services is exempt from the Policy, the Services are funded with federal grant monies and are, therefore, subject to the Federal Procurement Requirements in accordance with Section 11 of the Policy. The Federal procurement regulations (2 CFR§ 200.320) require that contracts in amounts greater than \$10,000 and up to \$250,000, be procured by obtaining price or rate quotations from an adequate number of qualified sources, unless such contracts are deemed to be "non-competitive" procurements. Because the Services are being provided directly by the respective Municipalities using their own resources (i.e., senior centers, buses, food service providers, equipment, etc.), it has been determined that the Services constitute non-competitive procurements in accordance with 2 CFR§ 200.320 (c)(2), in that due to the nature and extent of the services being provided, the Services are only available from those single sources.

The proposed IMAs are intended to benefit the County by assisting in the provision of grant-funded services to Westchester County residents. Accordingly, I believe the proposed IMAs are in the best interest of the County and, therefore, recommend your favorable action on the annexed proposed Act.

Sincerely,

George Latimer
Westchester County Executive

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the approval of an act (the “Act”) which, if adopted by your Honorable Board, would authorize the County of Westchester (the “County”), acting by and through its Department of Senior Programs and Services (the “Department”), to enter into inter-municipal agreements (“IMAs”) with the municipalities listed in Exhibit “A” attached to the Act (the “Municipalities”), for services to be funded with grants received from the New York State Office for the Aging (“NYSOFA”) under Titles III-B, III-C and the Nutrition Services Incentive Program (“NSIP”) of the Older Americans Act of 1965, as amended (“OAA”). Each of the IMAs will be for terms corresponding to the terms of the grant agreements between NYSOFA and the County (“Grant Agreements”), commencing retroactively on January 1, 2024 and continuing through December 31, 2024, except for the IMAs for the provision of NSIP services, which terms will commence retroactively on October 1, 2023 and continue through September 30, 2024. The IMAs funded with grants received from NYSOFA under the Grant Agreements will be in the total aggregate not-to-exceed amounts set forth below:

IMAs

Title III-B	Title III-C & NSIP
\$230,021	\$1,373,856

Your Committee is advised that the services to be provided under the IMAs with the funds received under the OAA for Titles III-B and III-C and NSIP are as follows: (i) nutrition services, such as congregate and home delivered meals; (ii) regional kitchen equipment, supplies, repairs and vehicle expenses; and (iii) transportation services, to help seniors remain in their homes and community (collectively, the “Services”).

Your Committee is further advised that by resolution approved on February 22, 2024, the Westchester County Board of Acquisition and Contract duly authorized the Department to enter into the Grant Agreements with NYSOFA.

Your Committee is also advised that the Department has complied with the Westchester County Procurement Policy and Procedures (the “Policy”), noting that the IMAs are exempt from procurement pursuant to section 3(a) iii of the Policy, which exempts contracts with “... any State and any political subdivision, agency or instrumentality thereof,” and pursuant to section 3(a) xix of the Policy, which exempts “any procurement for the purpose of entering into a contract with persons to provide direct services to senior citizens.”

Notwithstanding that the procurement for the Services is exempt from the Policy, the Services are funded with federal grant monies and are, therefore, subject to the Federal Procurement Requirements in accordance with Section 11 of the Policy. The Federal procurement regulations (2 CFR§ 200.320), require that contracts in amounts greater than \$10,000 and up to \$250,000, be procured by obtaining price or rate quotations from an adequate number of qualified sources, unless such contracts are deemed to be “non-competitive” procurements. Because the Services are being provided directly by the respective Municipalities using their own resources (i.e., senior centers, buses, food service providers, equipment, etc.), it has been determined that the Services constitute non-competitive procurements in accordance with 2 CFR§ 200.320 (c)(2), in that due to the nature and extent of the services being provided, the Services are only available from those single sources.

The Department of Planning has advised your Committee that based on its review, the authorization of the proposed IMAs does not meet the definition of an action under the New York State Environmental Quality Review Act (“SEQRA”) and its implementing regulations, 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Your Committee concurs with this recommendation.

Your Committee has been advised that the passage of the attached Act requires an affirmative vote of a majority of the members of your Honorable Board.

Your Committee believes that adoption of the proposed Act is necessary to effectively carry out these worthwhile services to Westchester County residents. Accordingly, after due

consideration, your Committee recommends adoption of the annexed Act.

SUBJECT: **ACTIVITIES NOT SUBJECT TO STATE ENVIRONMENTAL QUALITY
REVIEW**

As required by the New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617 ("SEQR"), the Board of Legislators ("BOL") is the body that must assess the environmental significance of all actions that the BOL has discretion to approve, fund or directly undertake. The Planning Department has historically conducted the necessary environmental review for the BOL to undertake its responsibility under SEQR. Additionally, contracts going before the Board of Acquisition and Contracts ("BAC") must be reviewed for conformance with SEQR.

Pursuant to Section 617.2(b) of SEQR, "Actions" are defined as:

- (1) projects or physical activities, such as construction or other activities that may affect the environment by changing the use, appearance or condition of any natural resource or structure, that:
 - (i) are directly undertaken by an agency; or
 - (ii) involve funding by an agency; or
 - (iii) require one or more new or modified approvals from an agency or agencies;
- (2) agency planning and policy making activities that may affect the environment and commit the agency to a definite course of future decisions;
- (3) adoption of agency rules, regulations and procedures, including local laws, codes, ordinances, executive orders and resolutions that may affect the environment; and
- (4) any combinations of the above.

As has been done in prior years, the Planning Department, in an attempt to streamline the process for SEQR review and related document preparation for the BOL and BAC, has created a list of categories of activities **that do not meet the definition of an "action"** as defined in SEQR. This list (attached) references activities that are routine and which do not change the use, appearance or condition of any natural resource or structure, nor do they involve policies or regulations that may affect the environment. The creation of this list in no way eliminates the BOL's or BAC's responsibilities under SEQR. Rather, it establishes a workflow for items that are routine and do not, under the law, require environmental review.

Accordingly, the Planning Department advises that no environmental review is required and no SEQR documentation is necessary for submission with BOL legislation or with resolutions or contracts requiring BAC approval regarding activities on the attached list.

County departments and agencies may reference this memorandum in the legislation in order to document compliance with SEQR for actions listed herein. This memorandum should be considered in effect until rescinded or replaced, with replacements typically occurring annually in mid-January. As such, this memorandum should be kept on file with the Clerk of the Board of Legislators. Legislation should include a statement similar to the following: "The proposed project does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators."

This memorandum will be distributed to all Commissioners as part of County operations.

Please contact me if you have any questions.

**ACTIVITIES THAT DO NOT MEET THE DEFINITION OF AN “ACTION”
PURSUANT TO SEQR AND ARE, CONSEQUENTLY, NOT SUBJECT TO SEQR**

1. **BUDGETS AND AMENDMENTS**

- Municipal budgets and amendments to them – The budgeting process merely sets aside funds without a commitment to their expenditure. Operating expenditures are typically for government-related activities that would also not meet the definition of an action. Even the establishment of the Capital Budget is not subject to SEQR because many of the capital projects are usually not definitive enough with respect to potential impacts to be reviewable at the time the budget is adopted. However, any subsequent authorization, such as bonding, to undertake a particular capital project is an action that requires SEQR compliance before it may be approved.
- The transfer of funds within the County operating and capital budgets for the purpose of balancing accounts – It is understood that these actions are purely budgetary, where accounts with excess funds are moved to accounts with existing or anticipated deficits. It is further understood that the activities covered by these accounts have either already occurred or been reviewed in accordance with SEQR, are Type II actions or actions that are not subject to SEQR, or are actions that will require future approval prior to being undertaken, at which time further SEQR review may be appropriate.
- Rescissions or reduction of bond acts to cancel unspent funds.

2. **SERVICES**

- Consultant services – Contracts or agreements that provide for administrative services, training, reports for Boards and Commissions, but not including studies or design of physical improvements, which has been listed under SEQR as Type II.
- Social Services – Actions or agreements that provide services to persons in need, such as employment assistance, family/domestic intervention and respite care.
- Youth services – Actions or agreements that provide for youth services, such as a Resource Allocation Plan, Invest-in-Kids Program, after-school programs, camp programs and head-start programs.
- Senior programs & services – Actions or agreements that provide for services to seniors, such as provision of information/education, home care, nutrition & transportation assistance, caregiver support, and acceptance of federal and state grants providing for such services (e.g., OAA Title III grants and NYSOFA grants, including CSE, CSI, CRC, EISEP, NYSTP, WIN & NSIP).
- Public Safety services – programs that promote public safety, such as STOP-DWI and Police Night Out; intermunicipal agreements (IMAs) for shared training, equipment and response to emergencies, including E-911; acceptance and administration of grants for law enforcement programs (e.g., JAG).
- Fire services – Fire district IMAs for shared training, equipment and response to emergencies.
- Legal services – Contracts for outside counsel, litigation or associated monetary settlements and collections.

- Medical Services – Contracts with medical providers for medical examinations, testing, vaccinations or medical treatment of County employees or the public.
- Mental Health Services – Contracts with agencies to provide treatment, services or education related to mental health.

3. PERSONNEL MATTERS

- Actions related to employment or employees.
- Contracts for temporary staff assistance.
- Legislation pertaining to establishment and membership of boards and commissions.

4. FINANCES

- Tax Anticipation Notes.
- Bond acts to finance tax certiorari payments.
- Banking contracts/agreements for money management services.
- Mortgage tax receipts disbursements (County Clerk).
- Refinancing of affordable housing mortgages.
- Payment in Lieu of Taxes (PILOT) agreements.

5. LAWS

- New laws or amendments of existing laws that regulate the sale or use of products for the protection of public health.
- New laws or amendments of existing laws that regulate businesses for the protection of consumers.
- Pertaining to consumer protection, not including professional licensing, which have been classified as Type II.
- Pertaining to animal welfare, excluding regulations involving habitat management.
- Pertaining to public safety.
- Pertaining to taxation, such as establishment of new taxes or tax exemptions.
- Pertaining to establishment or modification of fees.
- Pertaining to notices, publications and record keeping.
- Pertaining to hiring or contracting procedures.
- Pertaining to the functioning of County government, such as term limits, board appointments, etc. that do not impact the environment.

6. MISCELLANEOUS

- Amendments to existing agreements for changes in name or consultants.
- Education/training programs, contracts for clinical instruction.
- Prisoner Transport IMAs.
- Tourism Promotion Agency designation.
- Software licenses.

- IMAs for temporary housing in existing facilities (homeless, inmate, troubled youths, domestic violence victims).

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER**

Your Committee is in receipt of a communication from the County Executive recommending the approval of an Act which would authorize the County of Westchester (the “County”), acting by and through its Youth Bureau (the “Youth Bureau”), to: 1) enter into a grant agreement with the New York State Office of Children and Family Services to accept grant funds to continue a Sexual Risk Avoidance Education Program (the “Program”) to address the need for teen pregnancy prevention, promoting healthy choices and lifestyle and youth engagement in the seven highest need cities in Westchester, which includes Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers, and related administrative activities in the total aggregate amount of \$260,000, for a term commencing on May 1, 2024 and continuing through December 31, 2024 (the “Grant Agreement”) and 2) enter into inter-municipal agreements (“IMAs”) with the Cities and/or Villages of Mount Vernon, New Rochelle, Ossining, Peekskill, Port Chester, White Plains and Yonkers (the “Municipalities”), for services to be funded with the grant funds, in the total aggregate not-to-exceed amount of \$228,347, comprised of an amount not to exceed \$32,621 per Municipality, for a term commencing on May 1, 2024 and continuing through December 31, 2024.

Pursuant to the IMAs, the Municipalities will each deliver services to at least 15 youth on sexual risk avoidance education, healthy relationships and lifestyle choices, and youth engagement work readiness skills development. The Programs will operate during after school hours in person.

The Planning Department has advised that the proposed IMAs do not meet the definition of an action under the New York State Environmental Quality Review Act and its implementing regulations, 6 NYCRR Part 617. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of your Honorable Board. Therefore, no further environmental review is required. Your Committee concurs with this conclusion.

Your Committee has carefully considered this matter and has concluded that it is in the best interest of the County to adopt an Act to authorize the County to enter into these IMAs. It should be noted that an affirmative vote of a majority of the members of your Honorable Board is required in order to adopt the attached Act. Accordingly, your Committee recommends the annexed proposed Act for adoption.

The County shall, in addition, have the right to audit such books and records subsequent to payment, if such audit is commenced within one (1) year following termination of this Agreement, and to perform random audits during the term of this Agreement. In the event an audit performed by the County reflects overpayment by the County or that monies were not fully expended or that monies were improperly expended, then the Municipality shall reimburse to the County the cost of such audit (if the audit was done by the County or on the County's behalf) and the amount of such overpayment, underpayment or improper payment, within thirty (30) days of notice from the County.

The parties understand and intend that the obligation of the County hereunder shall constitute a current expense of the County and shall not in any way be construed to be a debt of the County in contravention of any applicable constitutional or statutory limitations or requirements concerning the creation of indebtedness by the County, nor shall anything contained in this Agreement constitute a pledge of the general tax revenues, funds or moneys of the County. The County shall pay amounts due under this Agreement exclusively from legally available funds appropriated for this purpose. The County shall retain the right, upon the occurrence of the adoption of any County Budget by its Board of Legislators during the term of this Agreement or any amendments thereto, and for a reasonable period of time after such adoption(s), to conduct an analysis of the impacts of any such County Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates set forth herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

This Agreement is also subject to further financial analysis of the impact of any New York State Budget (the "State Budget") proposed and adopted during the term of this Agreement. The County shall retain the right, upon the occurrence of any release by the Governor of a proposed State Budget and/or the adoption of a State Budget or any amendments thereto, and for a reasonable period of time after such release(s) or adoption(s), to conduct an analysis of the impacts of any such State Budget on County finances. After such analysis, the County shall retain the right to either terminate this Agreement or to renegotiate the amounts and rates approved herein. If the County subsequently offers to pay a reduced amount to the Municipality, then the Municipality shall have the right to terminate this Agreement upon reasonable prior written notice.

SEVENTH: Attached hereto and forming parts hereof are the schedules listed below. Simultaneous with its execution of this Agreement, the Municipality shall provide the County with a completed copy of each schedule. The Municipality agrees that the terms of each of these schedules has

CRIMINAL BACKGROUND DISCLOSURE

INSTRUCTIONS

Pursuant to Executive Order 1-2008, the County is required to maintain a record of criminal background disclosure from all persons providing work or services in connection with any County contract, including leases of County-owned real property and licenses:

- a.) If any of the persons providing work or services to the County in relation to a County contract are not subject to constant monitoring by County staff while performing tasks and/or while such persons are present on County property pursuant to the County contract; and
- b.) If any of the persons providing work or services to the County in relation to a County contract may, in the course of providing those services, have access to sensitive data (for example SSNs and other personal/secure data); facilities (secure facilities and/or communication equipment); and/or vulnerable populations (for example, children, seniors, and the infirm).

In those situations, the persons who must provide a criminal background disclosure ("Persons Subject to Disclosure") include the following:

- a.) Consultants, Contractors, Licensees, Lessees of County-owned real property, their principals, agents, employees, volunteers or any other person acting on behalf of said Contractor, Consultant, Licensee, or Lessee who is at least sixteen (16) years old, including but not limited to Subconsultants, Subcontractors, Sublessees, or Sublicensees who are providing services to the County, and
- b.) Any family member or other person, who is at least sixteen (16) years old, residing in the household of a County employee who lives in housing provided by the County located on County property.

Under Executive Order 1-2008, it is the duty of every County Consultant, Contractor, Licensee, or Lessee to inquire of each and every Person Subject to Disclosure and disclose whether they have been convicted of a crime or whether they are subject to pending criminal charges, and to submit this form with that information.¹ Accordingly, the attached Criminal Background Disclosure Form and Certification must be completed and agreed-to as part of this Agreement.

Please note that under no circumstances shall the existence of a language barrier serve as a basis for the waiver of or an exception from the disclosure requirements of Executive Order 1-2008. If translation services are required by the Consultant, Contractor, Licensee, or Lessee to fulfill this obligation, it shall be at the sole cost and expense of the Consultant, Contractor, Licensee, or Lessee.

Please also note that the conviction of a crime(s) and/or being subject to a pending criminal charge(s) will not automatically result in a denial of a person's right to work on a County contract, right to be on

¹ For these disclosures, a "crime" or "pending criminal charge" includes all felonies and misdemeanors as defined under the New York State Penal Law or the equivalent under Federal law or the laws of any other State.

County property, or license, but may, if the County determines that the prior conviction(s) or pending criminal charge(s) create an unacceptable risk. However, if a person fails to list or falsifies any part of his/her conviction history or any pending criminal charge(s) for any reason, he/she may be prohibited from working or being on County property without any risk assessment. If it is later determined that a Person Subject to Disclosure failed to disclose a criminal conviction or pending criminal charge for any reason, his/her right to work on a County contract, be on County property, or license may be terminated at any time.

Please further note that, pursuant to Executive Order 1-2008, and subject to the applicable provisions of New York Correction Law §§ 752 and 753, the County has the right to bar a Person Subject to Disclosure from providing work or services to the County or from being on County property if any such person has:

- a.) A conviction of a crime(s);
- b.) A pending criminal proceeding for a crime(s); or
- c.) Refused to answer questions concerning his/her criminal background

Please finally note that any failure by a County Consultant, Contractor, Licensee, or Lessee to comply with the disclosure requirements of Executive Order 1-2008 may be considered by the County to be a material breach and shall be grounds for immediate termination by the County of the related County contract.

Exemptions

Executive Order 1-2008 exempts from the aforementioned disclosure requirements Persons Subject to Disclosure:

- a.) for whom the County has already conducted a background check and issued a security clearance that is in full force and effect; and
- b.) for whom another state or federal agency having appropriate jurisdiction has conducted a security and/or background clearance or has implemented other protocols or criteria for this purpose that apply to the subject matter of a County contract that is in full force and effect.

If you are claiming an exemption for one or more Persons Subject to Disclosure, you must notify the Procuring Officer². The Procuring Officer will then determine whether the Person(s) Subject to Disclosure are actually exempt, and provide written notification of his/her determination. If the Procuring Officer determines that a Person Subject to Disclosure is not exempt, the Procuring Officer will notify you of that determination, and you will have to include disclosures for that person on your Criminal Background Disclosure Form and Certification.

This must be done before such a subconsultant, subcontractor, sublessees, or sublicensees can be approved to perform work on a contract.

New Persons Subject to Disclosure

Under Executive Order 1-2008, you have a **CONTINUING OBLIGATION** to maintain the accuracy of the Criminal Background Disclosure Form and Certification (and any accompanying documentation) for the duration of this contract, including any amendments or extensions thereto. Accordingly, it is your duty to complete and submit an updated Criminal Background Disclosure Form and Certification whenever there is a new Person Subject to Disclosure for this contract. **NO NEW PERSON SUBJECT TO DISCLOSURE SHALL PERFORM WORK OR SERVICES OR ENTER ONTO COUNTY PREMISES UNTIL THE UPDATED CRIMINAL BACKGROUND DISCLOSURE FORM AND CERTIFICATION IS FILED WITH THE PROCURING OFFICER.** You shall also provide the County with any other updates that may be necessary to comply with the disclosures required by Executive Order 1-2008.

Westchester County Board of Legislators
800 Michaelian Office Building
White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Transmitted herewith for your review and approval is a bond act ("Bond Act") which, if adopted, would authorize the County of Westchester ("County") to issue bonds in the amount of Five Hundred Eighty-Six Thousand (\$586,000.00) dollars, to finance the following capital project:

BDA02 – Information Technology (2020-2024) ("BDA02").

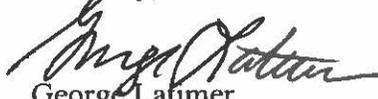

The Bond Act, in the amount of Five Hundred Eighty-Six Thousand (\$586,000.00) dollars, would fund the purchase, upgrade and maintenance of equipment, software and systems to support the technology needs of the District Attorney's Office ("District Attorney's Office") at various locations.

As the chief law enforcement officer of Westchester County, the Westchester County District Attorney is responsible for the investigation and prosecution of all crimes and offenses committed in the County. This project will enable the District Attorney's Office to carry out this mandate by continuing to allow for the purchase, upgrade and maintenance of equipment, software and systems to support the various District Attorney's Office locations throughout the County. This project includes, but is not limited to, the upgrade of hardware and software for forensics, surveillance, security systems, server and storage equipment, networking equipment, desktops systems, off the shelf and proprietary software applications, peripherals and hand-held devices.

It should be noted that your Honorable Board has previously authorized financing in connection with four (4) prior components of project BDA02, as indicated in the annexed fact sheet.

Based on the importance of this project to the County, favorable action on the proposed Bond Act is respectfully requested.

Sincerely,

George Latimer

Honorable Members of the Board of Legislators:

Transmitted herewith for your consideration and approval is an Act which, if adopted, would authorize the County of Westchester (the "County"), acting by and through its Department of Public Safety ("DPS"), to enter into an agreement (the "Agreement") with the Westchester County Health Care Corporation ("WCHCC"), whereby WCHCC would grant the County a license to allow DPS to conduct police recruit training on WCHCC's premises located at 100 Woods Road in Valhalla (the "Premises").

Training will consist of practical exercises, drills, and competency testing on various subjects, including, but not limited to, building searches, officer safety, active shooter response, and general patrol response to police calls involving the interior of buildings. This training is required by the New York State Division of Criminal Justice Services and the Municipal Police Training Council for recruit officers enrolled in the Westchester County Police Academy's sessions of the New York State Basic Course for Police Officers. The Premises are being utilized due to lack of other appropriate space which matches the requirements for this training.

The Agreement with the WCHCC would be for a term commencing upon execution thereof by both parties and approval of same by the Office of the Westchester County Attorney, and will continue for a term of five (5) years thereafter. The training will take place on such dates, at such times, and at such specific locations on the Premises as are mutually agreeable to the parties. Although there will be no cost to the County for DPS's use and occupancy of the Premises, the County will be required to indemnify, defend and hold WCHCC harmless from any and all liability in connection with said use, as more fully described in the Agreement, a copy of which is attached.

As you know, Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for this agreement.

Based upon the foregoing, I most respectfully recommend approval of the attached Act.

Sincerely,

A handwritten signature in black ink, appearing to read "George Latimer". The signature is written in a cursive style with a large initial "G".

**HONORABLE BOARD OF LEGISLATORS
THE COUNTY OF WESTCHESTER, NEW YORK**

Your Committee is in receipt of a communication from the County Executive requesting that your Honorable Board approve the attached Act which, if adopted, would authorize the County of Westchester (the “County”), acting by and through its Department of Public Safety (“DPS”), to enter into an agreement (the “Agreement”) with the Westchester County Health Care Corporation (“WCHCC”), whereby WCHCC would grant the County a license to allow DPS to conduct police recruit training on WCHCC’s premises located at 100 Woods Road in Valhalla (the “Premises”).

Your Committee is advised that training will consist of practical exercises, drills, and competency testing on various subjects, including, but not limited to, building searches, officer safety, active shooter response, and general patrol response to police calls involving the interior of buildings. This training is required by the New York State Division of Criminal Justice Services and the Municipal Police Training Council for recruit officers enrolled in the Westchester County Police Academy’s sessions of the New York State Basic Course for Police Officers. The Agreement with the WCHCC would be for a term commencing upon execution thereof by both parties and approval of same by the Office of the Westchester County Attorney, and will continue for a term of five (5) years thereafter. The training will take place on such dates, at such times, and at such specific locations on the Premises as are mutually agreeable to the parties. Although there will be no cost to the County for DPS’s use and occupancy of the Premises, the County will be required to indemnify, defend and hold WCHCC harmless from any and all liability in connection with said use, as more fully described in the Agreement, a copy of which is attached.

The Planning Department has advised that the proposed Agreement does not meet the definition of an action under New York State Environmental Quality Review Act and its implementing regulations 6 NYCRR Part 617. As such, no environmental review is required. Please refer to the memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators.

Your Committee has been advised that Section 3307(4) of the New York Public Authorities Law requires the approval of your Honorable Board and the Board of Acquisition and Contract for this Agreement. Pursuant to that section, said approval of the Board of Legislators must be by an affirmative vote of not less than a majority of the voting strength of the Board.

Your Committee has carefully considered and recommends approval of the proposed Act.

This will confirm my request that the Board of Legislators allow submission of the referenced communication to be submitted to the Board of Legislators June 3, 2024 Agenda.

Transmitted herewith for your review and approval is legislation which would authorize the County of Westchester to enter into an intermunicipal agreement (“IMA”) with the Town of Greenburgh.

Dear Honorable Members of the Board of Legislators:

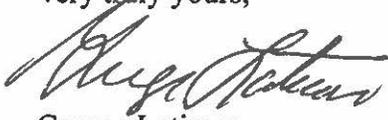

Pursuant to New York State Correction Law sections 500-c and 500-d, the County of Westchester (“County”) is required to transport at its own expense prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County is required to provide meals to such prisoners. The County relies on assistance from local municipalities to carry out these functions and by so doing saves taxpayer funds.

Transmitted herewith for your review and approval is legislation which would authorize the County of Westchester to enter into an intermunicipal agreement (“IMA”) with the Town of Greenburgh (“Greenburgh”) for the term commencing January 1, 2024 and expiring December 31, 2025 in order to reimburse to Greenburgh an amount not to exceed \$105,355.00 in 2024 and an amount not to exceed \$107,462.00 in 2025 for a total not to exceed amount of \$212,817.00. This IMA will allow the County to reimburse Greenburgh for the costs incurred by Greenburgh to transport prisoners who have been arraigned to and from Greenburgh and the Westchester County Jail, located at Valhalla, New York.

Reimbursement to Greenburgh for round trip prisoner transportation in 2024 will be at the following rates: \$287.93 per round trip for eight (8) or fewer prisoners; \$432.52 per round trip for more than eight (8) prisoners; or \$125.57 per hour per police officer where the round trip exceeds two (2) hours in duration. In 2025, Greenburgh will be reimbursed as follows: \$293.68 per round trip for eight (8) or fewer prisoners; \$441.17 per round trip for more than eight (8) prisoners; or \$126.04 per hour per police officer where the round trip exceeds two (2) hours in duration. The County will also reimburse Greenburgh for the actual and reasonable cost of meals provided to post-arraignment prisoners.

I believe that this IMA with Greenburgh is in the best interests of the County, and I therefore, recommend that your Honorable Board approve the annexed Act.

Very truly yours,

A handwritten signature in cursive script, appearing to read "George Latimer".

**TO THE COUNTY BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER**

Your Committee has been advised that pursuant to sections 500-c and 500-d of the New York State Correction Law, the County of Westchester (“County”) is required at its own expense to transport prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County must provide meals to such prisoners.

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act, which, if adopted, would authorize the County to enter into an intermunicipal agreement (“IMA”) with the Town of Greenburgh (“Greenburgh”) in order to reimburse Greenburgh the annual amount of \$105,355.00 in 2024 and \$107,462.00 in 2025 for a total not to exceed amount of \$212,817.00, for the term commencing January 1, 2024 and expiring December 31, 2025. This IMA will allow the County to reimburse Greenburgh for the costs incurred by Greenburgh to transport prisoners who have been arraigned to and from Greenburgh and the Westchester County Jail.

Your Committee is further advised that reimbursement to Greenburgh for round trip prisoner transportation in 2024 will be at the following rates: \$287.93 per round trip for eight (8) or fewer prisoners; \$432.52 per round trip for more than eight (8) prisoners; or \$125.57 per hour per police officer where the round trip exceeds two (2) hours in duration. In 2025, Greenburgh will be reimbursed as follows: \$293.68 per round trip for eight (8) or fewer prisoners; \$441.17 per round trip for more than eight (8) prisoners; or \$126.04 per hour per police officer where the round trip exceeds two (2) hours in duration. The County

will also reimburse Greenburgh for the actual and reasonable cost of meals provided to post-arraignment prisoners.

The Department of Planning has advised that the proposed IMA does not meet the definition of an “action” under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that a majority of the voting strength of the Board of Legislators is required to adopt the annexed act.

After review and careful consideration, your Committee recommends favorable action upon the proposed Act.

Dear Honorable Members of the Board:

Pursuant to New York State Correction Law sections 500-c and 500-d, the County of Westchester ("County") is required to transport, at its own expense, prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County is required to provide meals to such prisoners. The County relies on assistance from local municipalities to carry out these functions and by so doing saves taxpayer funds.

Transmitted herewith for your review and approval is legislation which would authorize the County to enter into an intermunicipal agreement ("IMA") with the City of Yonkers ("Yonkers") in order to reimburse Yonkers an amount not to exceed \$320,000.00 in 2024, and \$326,400.00 in 2025, for a total amount not to exceed \$646,400.00, for the term commencing January 1, 2024 and expiring December 31, 2025. This IMA will allow the County to reimburse Yonkers for the costs incurred by Yonkers to transport prisoners who have been arraigned to and from Yonkers and the Westchester County Jail located at Valhalla, New York.

Reimbursement to Yonkers in 2024 for round trip prisoner transportation, will be at the following rates: \$214.33 per round trip with two detention officers; \$321.50 per round trip with three detention officers, and \$428.66 per round trip with four detention officers. In 2025, Yonkers will be reimbursed as follows: \$218.62 per round trip with two detention officers; \$327.92 per round trip with three detention officers, and \$437.23 per round trip with four detention officers. Yonkers will also be reimbursed for vehicle usage at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage reimbursement rate multiplied by the mileage to and from the Westchester County Jail which is agreed to be 16 miles each way. The County will also reimburse Yonkers for the actual and reasonable cost of meals provided to post-arraignment prisoners.

**TO THE COUNTY BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER**

Your Committee has been advised that pursuant to sections 500-c and 500-d of the New York State Correction Law, the County of Westchester (“County”) is required at its own expense to transport prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County must provide meals to such prisoners.

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act, which, if adopted, would authorize the County to enter into an intermunicipal agreement (“IMA”) with the City of Yonkers (“Yonkers”) in order to reimburse Yonkers an amount not to exceed \$320,000.00 in 2024 and \$326,400.00 in 2025, for a total aggregate amount not to exceed \$646,400.00, for the term commencing January 1, 2024 and expiring December 31, 2025. This IMA will allow the County to reimburse Yonkers for the costs incurred by Yonkers to transport prisoners who have been arraigned to and from Yonkers and the Westchester County Jail located at Valhalla, New York.

Your Committee is further advised that reimbursement to Yonkers will be for round trip transportation and will be based on the per trip labor costs of detention officers and for vehicle usage. Reimbursement to Yonkers for prisoner transportation in 2024 will be at the following rates: \$214.33 per round trip with two detention officers; \$321.50 per round trip with three detention officers, and \$428.66 per round trip with four detention officers. In 2025, Yonkers will be reimbursed as follows: \$218.62 per round trip with two detention officers; \$327.92 per round trip with three detention officers, and

\$437.23 per round trip with four detention officers. Yonkers will also be reimbursed for vehicle usage at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage reimbursement rate multiplied by the mileage to and from the Westchester County Jail which is agreed to be 16 miles each way. The County will also reimburse Yonkers for the actual and reasonable cost of meals provided to post-arraignment prisoners.

The Department of Planning has advised that the proposed IMA does not meet the definition of an “action” under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that adoption of the annexed Act requires an affirmative vote of a majority of the voting strength of the Board.

After review and careful consideration, your Committee recommends favorable action upon the proposed Act.

Dear Honorable Members of the Board:

Pursuant to New York State Correction Law sections 500-c and 500-d, the County of Westchester (“County”) is required to transport at its own expense prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County is required to provide meals to such prisoners. The County relies on assistance from local municipalities to carry out these functions and by so doing saves taxpayer funds.

Transmitted herewith for your review and approval is legislation which would authorize the County to enter into an intermunicipal agreement (“IMA”) with the City of New Rochelle (“New Rochelle”) in order to reimburse New Rochelle an amount not to exceed \$337,758.00 in 2024 and \$351,269.00 in 2025 for a total amount not to exceed \$689,027.00 for the term commencing on January 1, 2024 and expiring on December 31, 2025. This IMA will allow the County to reimburse New Rochelle for the costs incurred by New Rochelle to transport prisoners who have been arraigned to and from New Rochelle and the Westchester County Jail, located at Valhalla, New York.

Reimbursement to New Rochelle for round trip prisoner transportation will be at the following rates: \$91.83 per hour per police officer and \$53.87 per hour per community service officer in 2024; and \$94.58 per hour per police officer and \$55.49 per hour per community service officer in 2025. Reimbursement for hourly wage and fringe benefit costs will be for a maximum of five hours per officer per trip. New Rochelle will also be reimbursed for vehicle usage at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage reimbursement rate, and for the actual and reasonable cost of meals provided to post-arraignment prisoners.

**TO THE COUNTY BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER**

Your Committee has been advised that pursuant to sections 500-c and 500-d of the New York State Correction Law, the County of Westchester (“County”) is required at its own expense to transport prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York. In addition, the County must provide meals to such prisoners.

Your Committee is in receipt of a communication from the County Executive, recommending approval of an Act, which, if adopted, would authorize the County to enter into an intermunicipal agreement (“IMA”) with the City of New Rochelle (“New Rochelle”) in order to reimburse New Rochelle in an amount not to exceed \$337,758.00 in 2024 and \$351,269.00 in 2025 for a total amount not to exceed \$689,027.00 for the term commencing on January 1, 2024 and expiring on December 31, 2025. This IMA will allow the County to reimburse New Rochelle for the costs incurred by New Rochelle to transport prisoners who have been arraigned to and from New Rochelle and the Westchester County Jail.

Your Committee is further advised that reimbursement to New Rochelle for hourly wage and fringe benefit costs for round trip prisoner transportation will be at the following rates:

2024	Police Officer	\$91.83 per hour
	Community Service Officer	\$53.87per hour

2025	Police Officer	\$94.58 per hour
	Community Service Officer	\$55.49 per hour

Reimbursement for hourly wage and fringe benefit costs will be for a maximum of five hours per officer per trip. New Rochelle will also be reimbursed for vehicle usage at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage reimbursement rate, and for the actual and reasonable cost of meals provided to post-arraignment prisoners.

The Department of Planning has advised that the proposed IMA does not meet the definition of an “action” under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that a majority of the voting strength of the Board of Legislators is required in order to adopt the attached Act.

After review and careful consideration, your Committee recommends favorable action upon the proposed Act.

White Plains, New York 10601

Dear Honorable Members of the Board of Legislators:

Pursuant to New York State Correction Law sections 500-c and 500-d, the County of Westchester (“County”) is required to transport, at its own expense, prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York (“Westchester County Jail”). In addition, the County is required to provide meals to such prisoners. The County relies on assistance from local municipalities to carry out these functions and by so doing saves taxpayer funds.

Transmitted herewith for your review and approval is legislation which would authorize the County to enter into an intermunicipal agreement (“IMA”) with the City of Peekskill (“Peekskill”) for the term commencing January 1, 2024 and expiring December 31, 2025 in order to reimburse Peekskill an amount not to exceed \$214,000 in 2024 and an amount not to exceed \$219,000 in 2025, for a total not to exceed amount of \$433,000. This IMA will allow the County to reimburse Peekskill for the costs incurred by Peekskill to transport prisoners who have been arraigned to and from Peekskill and the Westchester County Jail.

The County will reimburse Peekskill for prisoner transportation for the term January 1, 2024 through December 31, 2024 at the following hourly rates: \$56.83 per hour with one police officer; \$91.70 per hour with two police officers, up to a maximum of four (4) hours per officer per round trip. The County will reimburse Peekskill for prisoner transportation for the term January 1, 2025 through December 31, 2025 at the following hourly rates: \$57.97 per hour with one police officer; \$93.53 per hour with two police officers, up to a maximum of four (4) hours per officer per round trip. Peekskill will also be reimbursed for vehicle usage at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage rate, multiplied by the mileage to and from the Westchester County Jail, which is agreed to be 20 miles each way. The County will also reimburse Peekskill for the actual and reasonable cost of meals provided to post-arraignment prisoners.

I believe that this IMA with the City of Peekskill is in the best interests of the County, and I therefore, recommend that your Honorable Board approve the annexed Act.

Very truly yours,

**TO THE COUNTY BOARD OF LEGISLATORS
COUNTY OF WESTCHESTER**

Your Committee has been advised that pursuant to sections 500-c and 500-d of the New York State Correction Law, the County of Westchester (“County”) is required at its own expense to transport prisoners between local municipalities and the Westchester County Jail located at Valhalla, New York (“Westchester County Jail”). In addition, the County must provide meals to such prisoners.

Your Committee is in receipt of a communication from the County Executive recommending approval of an Act, which, if adopted, would authorize the County to enter into an intermunicipal agreement (“IMA”) with the City of Peekskill (“Peekskill”) for the term commencing January 1, 2024 and expiring December 31, 2025 in order to reimburse Peekskill in an amount not to exceed \$214,000 in 2024 and \$219,000 in 2025, for a total amount not to exceed \$433,000.00. This IMA will allow the County to reimburse Peekskill for the costs incurred by Peekskill to transport prisoners who have been arraigned to and from Peekskill and the Westchester County Jail.

The County will reimburse Peekskill for prisoner transportation for the term January 1, 2024 through December 31, 2024 at the following hourly rates: \$56.83 per hour with one police officer; \$91.70 per hour with two police officers, up to a maximum of four (4) hours per officer per round trip. The County will reimburse Peekskill for prisoner transportation for the term January 1, 2025 through December 31, 2025 at the following hourly rates: \$57.97 per hour with

one police officer; \$93.53 per hour with two police officers, up to a maximum of four (4) hours per officer per round trip.

Your Committee is further advised that reimbursement to Peekskill will be for round trip transportation and will be based on the per hour labor costs of police officers which range from \$56.83 to \$93.53 per hour, for a maximum of four hours per officer per round trip. Peekskill will also be reimbursed for vehicle usage between the City Court of Peekskill and the Westchester County Jail, which is agreed to be twenty (20) miles each way, at the rate of sixty-seven cents (\$.67) per mile, or at the then current Internal Revenue Service mileage rate for the term of the IMA. The County will also reimburse Peekskill for the actual and reasonable cost of meals provided to post-arraignment prisoners.

The Department of Planning has advised that the proposed IMA does not meet the definition of an “action” under the State Environmental Quality Review Act (“SEQRA”), and its implementing regulations, 6 NYCRR, Part 617. Please refer to the Memorandum from the Department of Planning dated January 8, 2024, which is on file with the Clerk of the Board of Legislators. Therefore, no environmental review is required. Your Committee concurs with this recommendation.

Your Committee has been advised that a majority of the voting strength of the Board of Legislators is required in order to adopt the annexed Act.

After review and careful consideration, your Committee recommends favorable action upon the proposed Act.

MEMORANDUM OF LEGISLATION

DATE: April 29, 2024

TITLE: Revised timing of budget submission for Westchester Community College

SPONSOR: Legislator David Imamura

PURPOSE OR GENERAL IDEA OF BILL: To amend Sec. 167.191(1)(b) of the Laws of Westchester County to require that Westchester Community College must submit its proposed operating budget, as approved by the College's Board of Trustees, to the County by May 15th.

INTENT: To ensure that the County receives Westchester Community College's proposed operating budget, as approved by the college's Board of trustees, in a timely manner so the County can review the document in a timely manner.

JUSTIFICATION: Over the last several years, there have been extensive delays by the college in submitting its proposed operating budget to the County. The delay submission has impacted Board of Legislators' opportunity to meaningfully review and weigh in on the document. Setting a deadline of May 15th will ensure that this does not happen going forward.

PRESENT LAW: Currently, Section 167.191(1)(b) of the County Charter stipulates that "the college shall furnish its estimate of revenue and expenditures under section 167.21 no later than January 1."
